WALTER KISER IS SLAIN AT MARTIN BY TAVIS FLANERY

Policeman Under \$10,000
Bond in Death of Former
Coal Man

SELF-DEFENSE CLAIMED

Convicted by a jury of the Floyd circuit court Saturday of the slaying of Dayton Wireman, Hueysville youth, on Salt Lick Creek, a few weeks ago, Whit Howard was given a 21-year penitentiary sentence.

With the resumption of the court session Monday, trial of Bill Williams, charged with the murder at Garrett of Ivan Castle, was begun. It ended Tuesday afternoon with the jury rendering a verdict of "not guilty."

The jury, it was said by an attorney appearing in the trial, held that in the killing of young Wireman the drinking and shooting was of a general nature and, therefore, took the position that the shooting was of the nature of a drunken row.

Commonwealth testimony, however, showed that young Wireman was shot when offering no threat to Howard. He and others had been at the home of Howard's brother and he had fallen into the mud outside. After washing

himself, he fired his revolver over his shoulder, but not in the direction of any of those present. A moment later, Howard fired the charge of shotgun into his side. The Commonwealth also produced evidence that the youth, after being wounded, told those around him that he had not intended to offend anyone; and that as he ran toward the home of Willie Shepherd, where he died, Wiley Howard, father of the slayer, fired shots at him and was prevented from following him inside the house.

Defense testimony was to the effect that Whit Howard had fired upon his father and that he shot Wireman in defense, as he believed, of his father's life.

Howard, it was said this week, will accept his sentence without appeal.

CLOSE QUARTERS

As can be seen by an inspection of the inside four pages of this paper, The Times is limited as to space for news. For this reason, several interesting newsletters have, of necessity, been omitted. This condition will exist thru the next week, but we hope after that, to be able to use all the news available.

HAYS-HALL WEDDING SOLEMNIZED JAN. 12 AT WEST LIBERTY, KY.

A marriage of much interest throughout Floyd county, where the contracting parties are well and favorably known, was that of Miss Cara Hays, of Hueysville, and Mr. Wayne Hall, of McDowell. The nuptial ceremony was solemnized on January 12 at the home of the officiating minister, the Reverend Brong, pastor of the West Liberty Baptist Church. The bride is a very attractive young lady and is the daughter of the late Mr. and Mrs. Sylvester Hays. She was educated in the Hueysville schools and at Hamilton College, Lexington. Mr. Hall is a son of Mr. and Mrs. John Ant Hall, well-known residents of McDowell. Both are members of prominent Floyd county families and have a host of friends who extend best wishes. They will reside at Hueysville. It is announced.

MAYTOWN TEAM WINS NET MEET

Allen in Dark Horse Role;
Prestonsburg Barely Misses Title

After eking out a 31-29 win over the Prestonsburg Moderns in the semi-finals Sunday afternoon, Feb. 10, the Maytown Independents went on Sunday night to Lick, where they defeated the Lick team, 46 to 30, and thus won the title.

The tournament, which began last Thursday night, was a succession of surprises. Allen, smallest team in the meet and a team with no gymnasium, surprised with its march to the final round. Allen bowled over Martin high, 28-26, and the Martin Independents, to get to the final round. Martin reached the semi-finals by winning from Virgie, 32-29, and Lackey, 30-23, after Lackey had eliminated the Pikeville College B team, 57-26.

Maytown tripped Pikeville, 46-22, before taking Prestonsburg and Allen. Prestonsburg eliminated Elkhorn City, 36-29, and Maytown high, 51-20, to get into the semi-finals.

Eleven teams, Pikeville College B, Lackey, Martin, Virgie, Martin High, Allen, Maytown High, Elkhorn City and Prestonsburg, were among those competing.

Maytown's greater size enabled them to whip the smaller Allen team. Maytown's 31-29 triumph over Prestonsburg's fine team in the semi-finals was one of the tournament's outstanding upsets. Prestonsburg's team used numerous set plays. This game was decided by fortunate breaks for Maytown. The contest was decided in the last 20 seconds when Messer sank.

ABBOTT FARMER ROBBED OF \$90

Robber States Amount of
Haul Before Getting It;
Identity Unknown

Called from his home by two unidentified men whom he thought to be neighbors, Dutch Webb, well-known Abbott Creek farmer, was robbed at the point of a gun Monday night of \$90.

Though Mr. Webb is unable to describe the two robbers, authorities believe they were well-acquainted with their victim. This theory develops from the statement of one of the men who, as Mr. Webb approached them, tucked his head beneath the folds of a cloth, jerked a revolver and muttered, "Give me that little pocketbook of yours - and the \$90 that's in it."

The gunman's accomplice took little part in the robbery. Mr. Webb told officers here.

Relief Project Approval For Floyd Is Announced

Mayo Trail Improvement, School Grounds Drainage,
Surfacing To Be Done--Fiscal Court Applies For
Other Work In County--Road Work Seen

Approval by Perry A. Rowe, director of works for the Kentucky Emergency Relief Administration, of four relief projects at a total cost of \$42,576.30 were announced Friday.

These are:
Road improvement on Route 23 (the Mayo Trail) through Floyd county, which will give employment to 210 workers at a total expenditure of \$38,184.
Grading and paving street in Maytown, employing 22 men at a cost of \$1,462.50.
Paving bridge approaches at Garrett, crossing the railroad tracks to the school, to employ 32 workers at an expenditure of \$1,520.
Filling and draining school property at Glo at an expense of \$1,200.80. 29 men to be employed.

The Mayo Trail work, it is said, will consist of surfacing a strip three feet wide on each side of the highway with crushed stone, straightening of curves by removal of jutting embankments in cuts, and the installation of guard posts.

Work on the super-structure of the bridge at Night, Pike county, will begin shortly. Connel Construction Company, contractors for the sub-structure of this work, will complete their work in two weeks. R. C. Mohon Company, Detroit, Mich., are successful bidders for the super-structure work and will begin work about March 1. Approximately 50 men will be hired for this job. Labor is to be secured through the 11th District National Re-Employment office. Another project on which work soon is to be begun is the sewer and abutment construction "in West Prestonsburg."

ELECTIONS TO BE IN TWO DISTRICTS

Extra Levies to Raise Money
for School Building Up
to Voters

Elections will be held Tuesday, February 26, in the Lackey and Drift consolidated school districts to determine the wishes of the patrons of the two districts relative to the levy of a special tax of 25 cents on the \$100 of taxable property for the purpose of school building.

The amount to be derived from the proposed extra levy at Lackey, it is stated on the ballot, is not to exceed \$10,000, and that at Drift is to be no more than \$7,500. A similar election at Garrett was held this year, and an extra levy to amount to not more than \$25,000 was voted.

Birth Announced

Birth of a fine eight-pound daughter to Mr. and Mrs. Jack Richmond at their home in Lackey on January 14 is announced. The little miss has been christened Lou Ann. Mrs. Richmond is former Miss Eunice Harris, daughter of Mr. and Mrs. Malcolm Harris, of this place.

PRESTONSBURG STUDENT IS CHOSEN CHAIRMAN OF FRATERNITY RITUAL

Stephens, son of Mr. and Mrs. Henry Stephens, Jr., of Prestonsburg, was elected chairman of the ritual of Epsilon Phi Zeta of Lambda Chi Alpha social fraternity, January 30, at the University of Kentucky in Lexington. Mr. Stephens is a member of Delta Kappa Alpha honor society, reporter on the Kentucky Kernel, University student bi-weekly publication, a member of Strollers music and dramatic organization, and a member of Guignol dramatic productions.

LANGLEY WOMAN NEW RELIEF HEAD

In Floyd County; Miss Hays
Becomes District Relief
Supervisor

Mrs. Edgar R. May, of Langley, is the new county relief worker heading the Floyd county relief office, succeeding Miss Sara Hays, state relief worker, who has been acting county worker in charge of the relief office here since November 1, and who has taken the position of district supervisor in Floyd and Pike counties.

Mrs. May assumed charge of the local relief office February 1. The personnel of the Floyd county office includes 15 home visitors, four clerks, two stenographers, F. W. Clay, work supervisor, and Russell Hunsley, community clerk. The Floyd county personnel is said to be one of the best qualified in Kentucky.

The Floyd county relief office moved recently from the Harkins building to the new city hall, in which it occupies six rooms. The change was voted by the fiscal court at a recent session.

COUNTY WINS IN REYNOLDS SUITS

Failure to Execute Bonds
Bond Held Excuse for
Hiring New Treasurer

Floyd county was declared the winner in all three of its suits with W. J. Reynolds, former county treasurer, by Special Judge J. F. Stewart, of Ashland, who handed his opinions in circuit court here Thursday morning, last week.

The three cases were:
A suit filed by Mr. Reynolds, seeking re-instatement as treasurer.

The fiscal court's suit to force Mr. Reynolds to turn over to George P. Archer, his successor, all records, books, papers and monies belonging to the county and in his possession.

An injunction filed by the former treasurer, seeking to enjoin the fiscal court from meeting pursuant to his dismissal as treasurer.

Judge Stewart's opinion upholding the fiscal court was based, mainly, on the contention that Mr. Reynolds, after having been appointed treasurer, failed to execute a legal bond within 30 days after his appointment, that the office was thereby vacated and that the fiscal court, therefore, was within its rights in appointing a successor.

Mr. and Mrs. R. G. Francis have returned from Florida, where they spent two weeks recently. They were guests several days of W. J. Newman of fruitland Park, Fla.

21-YEAR TERM IS GIVEN HOWARD IN WIREMAN SLAYING

Williams Acquitted in Killing
of Castle on Self-Defense
Plea

NO APPEAL EXPECTED

Walter Kiser, 57 years old, former coal operator, and a well-known resident of Martin, was shot and instantly killed near his restaurant late Friday night by Policeman Tavis Flanery. Three bullet wounds in his chest and side resulted in his death.

Policeman Flanery came to Prestonsburg Saturday morning and executed \$10,000 bond to answer for examining trial here Tuesday. Preliminary hearing was waived Tuesday, and he gave bond in the same amount to answer to the April grand jury. His bondsmen are Cal Clark, Henry Stephens, Jr., W. A. Dingus, D. P. Dingus and C. P. Stephens.

The officer had arrested four Martin girls who are alleged to have been creating a disturbance near the restaurant of Mrs. Arville Elam, and is said to have called to Mr. Kiser to assist him in taking them to the lock-up. One version of the shooting says that Kiser thereupon emerged from his home, revolver in hand, that he pointed the weapon at Flanery and ordered him to free the girls. Flanery says he fired in defense of his own life.

Another report says that, after calling Kiser to his aid, Flanery fired as Kiser turned as if to return inside his home nearby.

The victim was a native of Hamilton, Va., and a member of an influential family. He came to this county about 25 years ago, and was at one time head of the Kiser Coal Company near Martin, and took a prominent part in county politics. He had many friends in this county who deeply regret his death.

The body was prepared for burial by G. D. Ryan and taken to Hamilton, Va., where burial was made Tuesday. Mr. Kiser's wife died several years ago and he had no children. He left a number of relatives in Virginia.

DISTRICT TOURNAMENT STARTS FEB. 28TH

Eleven Teams To Enter Competition Which Has Basketball Fans Guessing

Next weekend, high school basketball teams of this county gather at Garrett to compete for the championship of the Floyd county district and the right to enter the regional tournament which starts here on the following weekend. Winners of the county title and the runner-up will enter the regional.

On the basis of their season record, two Right Beaver teams are favored to win the district title. These are Maytown and Martin. But Lackey and Prestonsburg, on the face of recent performance, come in for close consideration in the study of the probable winners. These observations are made, however, without taking into consideration the probability of other strong teams reaching top form at the tournament time while the favorites may drop into a slump.

The tournament, as a whole, Continued on page 5

FLOYD COUNTY BOARD OF EDUCATION AUDIT REPORT

From July 1, 1930 to June 30, 1934

September 13, 1934
Ballard Hunter, Supt. and
Members of the Board of Education of Floyd County, Ky.
Prestonsburg, Ky.
Gentlemen:

Pursuant to an order entered by your board on August 6, 1934, I have made a detailed audit of your records from July 1, 1932, to June 1, 1934, and made a preliminary report on same to your board on September 3, 1934, and your further order of September 3rd, instructing me to make a detailed audit of the period July 1, 1930, to June 30, 1934, and combine the two reports.

I submit herewith a complete report combining the two periods with comparative Balance Sheets, statements of the School Fund for the various years and necessary supporting schedules.

Schedule A (Balance Sheet)

The Balance Sheet of June 30, 1930, is taken from the records in your office and is used as a starting point.

Schedule II (Bonded Indebtedness)
Attention is called to the fact that practically no provision is being made for Sinking Funds to take care of these various bond issues.

Schedule I (Warrants Outstanding)
I found many of the stubs in the warrant book marked paid, but the warrants were still outstanding and I could not find where they had been paid.

I also found three stubs missing entirely and very few of the warrants issued have been authorized directly by the minutes of the Board.

Schedule J (Accounts Payable)
These accounts are (as furnished me by your present

superintendent and have not been verified. In this connection there is due your board 12 notes of \$200 (each, payable annually, commencing in 1934, from the Prestonsburg Board of Education; this does not affect the Balance Sheet of June 30, 1934, as the amount is now included in the cost of buildings.

Schedule K (Checks outstanding)
This schedule really needs no explanation and is not set up to question the legality of the

teachers' fund which appears to be overdrawn; if practically enough money should be transferred from the general fund to take care of this overdraft.

Schedules L and M (Difference allowed and paid)
This schedule really needs no explanation and is not set up to question the legality of the

claims paid, but the fact remains that these payments should all have been authorized by the board in their minutes.

I believe the balance of the schedules are self-explanatory but particular attention is called to the necessity of having the minutes showing claims allowed correspond exactly with the payrolls and warrants issued.

I certify that, in my opinion, subject to the above comments, the accompanying balance sheets, statements of school fund and supporting schedules, fairly reflect the financial transactions of the Board for the period named and the condition of the various funds as of June 30, 1934.

Respectfully submitted,
ALFRED D. ROBERTS,
Public Accountant

Interest on Average Monthly Balances From July 1 1930 to June 30 1934

| Year | Average Monthly Balance | Interest | Amount |
|----------------|-------------------------|------------|--------|
| Year 1930-1931 | 9,483.64 | 2 per cent | 189.67 |
| Year 1931-1932 | 13,877.33 | 2 per cent | 277.55 |

| Year 1933-1934 | 6,883.71 | 2 per cent | 137.67 |

Under the accepted bid of the First National Bank, as of May 9, 1930 for two years and the Bank Josephine as of May 13, 1932 for two years, as treasurer for the Board of Education, they agree to pay 2 per cent interest on the average monthly balances.

There appears to have been an agreement or understanding with both banks that they were to be allowed this interest as pay for the extra work it was necessary for them to do.

RELIEF NEWS

By Wilma G. May

RELIEF FOR MINE FAMILIES

One of Floyd's most serious problems has been that of rendering assistance to the mining element. For several reasons direct relief can only be given mining families in rare instances in Floyd county. The miner with fair wages does not need it. Those with one or two days weekly earnings because of a high percentage necessarily go to pay rent, fees, etc. Yet because the county has many, many such cases, and because, if we assist one, we let the hand down for all in similar circumstances, and so several hundred would need the relief budget far beyond anything we can obtain, it is absolutely impossible for us to give aid to this class as a whole.

Emergencies in these homes are never turned down. Some have had help before home visitors knew they were on mine pay rolls. These cases were then closed, although the relief workers fully realize that the miner who has but one or two days' work weekly, can barely exist.

The "liquid test"

...it ENDS bowel worries for many people

This is a test that tells you whether the system needs a cathartic change. If you have constipated sluggish bowels or bilious attacks, and laxatives seem to make things worse, it would be wise to try this:

Stop all use of any laxative that does not encourage variation from a "fixed dose" (which may be entirely too large a dose for your individual needs). Use instead, a liquid laxative that you can measure and regulate as to dose. As necessary to repeat, take smaller doses, less and less often, until the bowels are moving without any help at all.

Doctors use liquid laxatives, and a properly prepared liquid laxative, containing natural laxative agents like senna and cascara in a joy and a comfort, a real help in establishing regularity. Ask your doctor about this (Doctors use liquid laxatives.) You can get Dr. Caldwell's Syrup Pepsin, which is a most dependable liquid laxative, at any drug store.

MRS. ELIZABETH LEETE, JENKINS IS CALLED BY DEATH AT IRONTON, O.

(Ironton News)

Ironton was saddened today when news spread of the death of another esteemed resident, Elizabeth Leete Jenkins, wife of Captain D. J. Jenkins, who sank quietly into eternal sleep at the Marting hospital, following a brave but losing fight for life. She had been ill during the past year and during recent months her condition had been so critical that no hope was given for recovery.

Mrs. Jenkins fought bravely and quietly, but finally her Master beckoned and she passed peacefully on to a richly-won reward in the life beyond. Her life here was a beautiful thing, and a blessing to friends and all with whom she came in contact. She was ever a friend to those in need and a helping hand was at all times extended to sick, lonely, needy and all unfortunate.

She was a Christian lady whose life was a noble exemplification of the laws of right living and her death will leave a vacant spot in the hearts of all who knew and loved her. She was a daughter of the late Hon. and Mrs. Ralph Leete, her father being one of the best lawyers ever to practice in the district. He was a charter member of the Ohio State University and his daughter inherited his intellectual abilities and ambition. She was born in 1865 in the house now occupied by Hon. and Mrs. A. B. Johnson, and for some time was an instructor in the Eastern Kentucky Normal School. In 1890 she was united in marriage to Captain D. J. Jenkins, now an esteemed retired river captain, and her death takes from him a beloved, ideal and idolized life-mate. She had resided in Ironton the greater part of her life and her friends were legion.

Funeral services for this esteemed lady will be held on the anniversary of her marriage—Friday, Feb. 23—at the Feichter and Davidson Funeral Home. Burial will be made in Woodland cemetery. Mrs. Jenkins spent many of her younger years in travel and visited often at the Florida winter resorts. Most of her life here was spent in the residence erected by her father for her grandparents, Rev. Hand and wife. She resided with her husband on South Eighth street between Park avenue and Vernon.

Surviving her are her husband, nieces and nephews, Helen and Renick, children of the late Hon. and Mrs. William Leete, who resided in Lima for many years; Mrs. Elizabeth Leete Stephens, wife of U. S. Attorney C. P. Stephens of Prestonsburg, Ky.; Dr. M. J. Leete, of Prestonsburg, Ky., daughter and stepson of the late Dr. Ralph Herman and Mrs. Leete, of Prestonsburg, Ky.

CARD OF THANKS

We wish to take this means of expressing our heartfelt thanks to all persons who assisted them and assistance during the illness of Elizabeth Leete Jenkins. Her devotion made his last days more pleasant, and who so cheerfully gave of their services upon his death. We also thank the ministers for their consoling words which help us to bear our burden of bereavement.
