WOMAN PROBE

Mrs. Earl Shackleton Claimed Auto Victim On Road Near Bosco

The death Wednesday night of a woman on the road near Bosco, a broken car may be the subject of an investigation by the local police.

The victim, Mrs. Earle Shackleton, 25-year-old wife of Earl Shackleton, of Eufaula, was apparently the victim of an auto wreck, a mile outside Huxleyville, the Ryan Funeral Home at Meritt was told.

A report received last night said the car was found on the side of the road and that relatives of Mrs. Shackleton were not satisfied with the explanation given.

The victim was a native of Perry county. She is survived by her husband, a sister and three brothers, Mrs. Henry and Ora Napier, Pikesville, and Mrs. Mary Shackleton, Meritt.

PRELIMINARY LOW ON BUILDINGS

Melvin School To Cost \$139,625; Wind-Torn Schools To Be Replaced

The contract on the construction of the eight-room brick school planned for the community of Melvin was awarded Tuesday by the Floyd County Board of Education to Mitchell Preston, Pikesville contractor, on his bid of \$139,625.

The bid was lowest of five submitted and the amount was for the work ranked as high as \$223,141.67. The building will include a bathroom and a kitchen for lunchroom use.

Another contract awarded at the meeting went to Roydon G. Dyer, Pikesville, on his bid of \$27,929.42 for replacing a boiler, its installation, etc., at the McDowell school.

Repairs on the school at Pikesville was awarded the contract to Home Building Co. of Buffalo for \$17,500 and for relocating the Sowers Creek school on Pikesville for \$18,000.

A contract was entered into Monday between the Board of Education and the Floyd County Board of Education for the relocation of the Sowers Creek school on Pikesville for \$18,000.

Although the contract covers roads in every section of the county, officials here pointed out that it is no different from the contract of other years for road highway help.

Practically every road listed by the Rural Highway Division for maintenance or improvement is a farm-to-market road established in the days of the WPA. Authorities here also pointed out that many roads are not covered by the contract.

The contract, it is explained, is a program set up by the state and one which does not permit the county to specify the roads to be improved. Nor does the fiscal court have a word in saying how much will be done and when for any road.

The contract signed here provides that the amount specified "shall be used by the Rural Highway Division to aid the county... so far as the funds will permit" and that "any additional work shall be the obligation of the county."

Set up for limited maintenance only are these roads: Clear Creek, 44 miles to Ligon; Sandstone, Big Mud Creek, 10.5 mi. from a point near Harold to one mile north of Taborville; Sandstone, Stephens Branch road from one mile southwest of Martin up Stephens Branch road for 1.5 mi. to traffic-bound macadam; Stephens Branch road, 1.8 mi. traffic-bound macadam, beginning 3.4 mi. northeast of David and extending up Canyon; Stephens Branch road, 1.8 mi. traffic-bound macadam, beginning 3.4 mi. northeast of David and extending up Canyon.

Floyd county alone produced an attendance exceeding the 100 teachers expected here for the six-week workshop conducted by instructors of Eastern State College, Richmond, and the total attendance from Floyd, Johnson, Magoffin and Knott is 157.

County Superintendent Palmer L. Hays announced the attendance by counties as follows: Floyd, 111; Johnson, 34; Magoffin, 11; and Knott county, 1.

The workshop opened its term Monday morning at the county seat of Johnson county, where it will continue for six weeks.

McGuire, Heart Victim In Japan, Paid Honor At Rites by Veterans

Last rites for Pvt. Traubert McGuire, 30-year-old battle veteran who died at Saigo, Japan, April 30, were conducted Wednesday morning at the United Baptist church at the forks of Bull Creek church in the family cemetery on Bull Creek.

McGuire, who had re-enlisted after the war, was declared a victim of a heart condition. During the fighting in the Pacific theatre of war he won the Silver Star for heroism and at the time of his death he again was with the forces of General MacArthur, a heavy mortar company of the 24th Infantry Division.

Surviving him are his father, Dick McGuire, of Water Gap, his mother, Mrs. Ada Carleton, two brothers, Earl McGuire of Water Gap, and Richard McGuire, with the army in Germany, and three sisters, Mrs. Alton Campbell, of Woods, Mrs. Harold Williamson, of Canada, Ky., and Mrs. Dewey Goodman, of Prestonsburg.

The funeral was conducted by the Rev. W. L. Wallin and Henry C. Carter, and carried out by the Carter and Wallin Funeral Home.

Eagles Here, Organized 11 Months Ago, Give Over \$1,000; Handicapped Wayland Youth On List for Aid, Aerie Officials Announce

After having contributed to civic, public health, church and school movements more than \$1,000 during the first 11 months of its existence here, Prestonsburg Aerie No. 2869, Fraternal Order of Eagles, announced with the beginning of its new fiscal year, June 1, that its first obligation of the year is to a handicapped child, Paul Ritchie, of Wayland, at a cost of \$225.50, Aerie members hope, the youngster, an intelligent boy, will be walking unaided.

At the same time the Aerie here announced its decision to devote sufficient time to civic and community progress to make the Aerie here a leading group in such activities. Committees on Youth Guidance, Child Health, Civic Service, Sports and Planning have been recently appointed.

Prestonsburg Aerie has a membership of 250, with the initiation of a class of 50 members scheduled for Monday night, June 13. Its contributions during the past 11 months include:

American Red Cross, \$100; Floyd County Health Department, for coat of the new clinic, \$100; Cow Creek Church, \$25; Cancer Control drive, \$25; uniforms for Prestonsburg baseball team, \$55.85; construction of sewer line in upper city limits, \$300.

"And we wish we could have done more," Aerie officials said.

A short time later, they began shipping coal from Mason, a railway station which has since become non-operational at the mouth of the branch on the C. & O. main line of its Big Sandy division.

The firm is credited with being the oldest coal company in the county. The first, the Middle Creek Coal Company which was located across the river from Prestonsburg, ceased operation several years ago.

Although the state as a whole has purchased 5.8 per cent of its Opportunity Drive US savings bonds quota, Floyd county lags far behind, figures released last week showed.

Residents of this county have bought only \$21,881 worth of bonds, or 27 per cent of the county's \$81,000 quota.

This is a big undertaking and one which, done right, will earn the people of the county credit throughout Kentucky and even to other states. Suggestions are needed, an exchange of ideas will help and folks willing to do actual work will help most of all.

HOT WEATHER THIRSTS CRAVE COOL, FRUITY ORANGE-CRUSH

STOP... FOR Orange-CRUSH. Yes, stop... let the engine cool a bit, and allow all in your motoring party to thoroughly refresh themselves where you see the road-stand sign, "Orange-CRUSH ON SALE HERE." It's the sign of good... of the stop, and especially, good taste... delicious, cooling, "fresh fruit" flavor Orange-CRUSH... hot weather thirst delight.

Orange-CRUSH... ALL OVER THE WORLD. Orange-CRUSH is sold in twenty countries throughout the world. So almost anywhere you travel you'll find this favorite, fruity refresher awaiting your pleasure. As at home, the familiar "krinkly" brown bottle identifies Orange-CRUSH and protects its sparkling, zesty, "fresh fruit" flavor.

"Krinkly" Brown Bottle Protects Orange-CRUSH "Fresh Fruit" Flavor

Orange-CRUSH technicians give four excellent reasons why Orange-CRUSH is always sold in special "krinkly" brown bottles:

1. The brown, corrugated glass structure of the Orange-CRUSH bottle resists sunlight. This is most important because sunlight is especially harmful to orange juice, causing it to deteriorate quickly. By preventing these damaging rays from reaching the juice after it has been bottled, the familiar "krinkly" brown bottle effectively guards Orange-CRUSH until you open it and taste all of its delicate, sweet, natural fruit flavor.
2. The distinctive "krinkly" brown bottle identifies Orange-CRUSH so the public can easily and quickly recognize it.
3. Wherever you find Orange-CRUSH, all over the world, it is always bottled the same way—in the familiar "krinkly" brown bottle. No variations to confuse you.
4. The Orange-CRUSH "krinkly" brown bottle feels comfortable in the hand—a sure grip when pouring.

Keeping these facts in mind, look always for the distinctively shaped, "krinkly" brown bottle that invariably identifies the genuine Orange-CRUSH... that protects its delicate "fresh fruit" flavor and natural color... that fits the hand so well. See the picture of it below. Keep it always in your mind—reminding that its content is the fruity, natural taste winner—the satisfying hot-weather refresher—delicious Orange-CRUSH.

Orange-CRUSH HOT WEATHER SPECIALS

The alert hostess knows that the ever-welcome treat to beat the heat is a *fruity, cool, delicious drink*. But the difference between usual servings and those that seem to require a spark of genius is often so quick and easy—just a tiny bit of *know-how*. Here are three unusual hot-weather treats you can prepare in a few moments with fruity, delicious Orange-CRUSH—treats that look cooling, taste wonderful, mark you the perfect hostess.

ORANGE ALE. Combine equal quantities of chilled Orange-CRUSH and Old Colony Ginger Ale. Serve in tall glasses with tasty sandwiches or any desired snack.

ORANGE-PINEAPPLE. Combine 3 parts chilled Orange-CRUSH with 1 part chilled pineapple juice. Pour over cracked ice in tall glasses. Real fancy with mild or cherry gambols.

ORANGE-LEMON. Make iced lemonade using half Orange-CRUSH and half water for the liquid. Slices of lemon, sugar "on top" like it! You'll refill the glasses again and again.

Orange-CRUSH achieves the real "party" flair in hot weather hospitality. Real chummy, quick and informal. Double-cool, double good! Especially when served with tasty sandwiches, crackers or cookies. Never be without plenty of bottled Orange-CRUSH on ice, ready to serve.

FAMILY THIRST-QUENCHER "PUT ON ICE"

HOORAY! ANOTHER CASE OF DELICIOUS Orange-CRUSH TO HELP US KEEP COOL! Look, Mother, Daddy's brought another case of yummy Orange-CRUSH! Now we can have those last four bottles, cold from the refrigerator, for all of us. Then you can fill up every spare space. Oh, mother—cookies too! Great way to beat the hot weather... with Orange-CRUSH and Jack Frost to help us right in our own kitchen! Yes, "fresh fruit" flavor Orange-CRUSH is always a home "hot weather" delight.

Parents, Children Say: "Bottled Orange-CRUSH is 'TOPS IN TASTE'!"

Best-Loved Summer Drink

Family folks—men, women and children by hundreds, when asked, "What do you want a hot-weather drink to be?"—reply without hesitation, "Something *fruity*, something *cool*." That's bottled Orange-CRUSH, right out of the ice box. Luscious, "fresh fruit" taste of choice, a tingle of sparkle, gentle carbonation... rapturously cooling to parched throats... tempting treat to tired tastes—who wouldn't love it?

"Fresh Fruit Flavor"

"What I like about Orange-CRUSH is its 'fresh fruit' flavor. I've preferred Orange-CRUSH for years, because its pleasing, distinctive, 'fruity' taste is so easy to distinguish from that of other carbonated orange drinks."

"Orange Sparkle Pleases"

"I find the orange flavor 'sparkle' of Orange-CRUSH particularly pleasing. Orange-CRUSH makes grove-ripened Valencia oranges have certainly found the formula of tingling taste perfection. There'll be more CRUSH at our house—by the case!"

"Natural Tasting"

"If you ask me, Orange-CRUSH is so natural, tasting—full of the fruity fresh-orange flavor that's tops. Does it ever taste good when it's nice and cold—and its sparkle tingle tastes good all the way down! M-m-m-m, nice cold Orange-CRUSH for mine!"

"Freshlike Flavor"

"It's the 'freshlike' orange flavor, with just enough sparkling tingle, that I like about Orange-CRUSH. Whenever I taste Orange-CRUSH I think of that grove and aroma like when you open a sack of big, ripe oranges. Gee, wish I had some now!"

BOTTLED ORANGE DRINK CHOICE AT HOME, OUTINGS

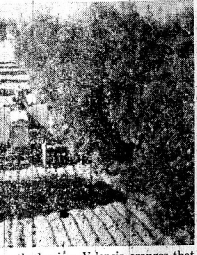

All over the nation, hot-weather thirsts are calling for the natural "fresh fruit" flavor taste winner, bottled Orange-CRUSH. Yes, it's a winner—at the tennis courts, after a lively set—at golf, after a few chilly holes-on the sub, after a tricky tack—at the picnic, at the ball game... wherever folks of any age work up a thirst, and warming winds, under sizing sun.

At home, too, delicious natural color, "fresh fruit" flavor Orange-CRUSH is the great taste winner. Cold, right off the ice—on the porch, in the parlor, under a tree on the study side! What a warm weather treat for the family, quick pick-up thrill for guests! Hear what people say as they enjoy every cooling, delicious sip of this natural "fresh fruit" flavor taste winner, bottled Orange-CRUSH!

"So fruity, yet not too sweet—such sparkling tastiness"—so satisfying to hot-weather thirst—"so foreign after-taste"—"refreshes so quickly, so completely"—"Hope you have plenty on ice. I'd like another!"

Here, in the way people react, is the human, every-day confirmation of winning reasons why Orange-CRUSH is the best, known bottled, carbonated orange drink... sold in twenty countries throughout the world. Proof—winning proof—of the qualities that made Orange-CRUSH the official orange drink of the New York World's Fair, Chicago World's Fair and other great fairs. You, too, will declare Orange-CRUSH a winner when you taste the superior "difference" that has made this delicious, thirst-quenching carbonated orange drink a world favorite for years. It's sold in grocery stores and fountain all over America. For sure, lay in a hot-weather, home-supply case of bottled, "fresh fruit" flavor Orange-CRUSH this very day!

Only Tree-Ripened Valencia Oranges Used

FROM SUNNY GROVES come the luscious Valencia oranges that are used in preparing Orange-CRUSH. Only the choicest oranges are selected, picked at the very peak of their maturity. These select oranges are rushed to the plant where they undergo a special processing developed over many years by Orange-CRUSH technicians. In this way, every bit of flavor and goodness is saved for your enjoyment in a bottle of Orange-CRUSH.

Juice of tree-ripened Valencia Oranges, filtered, carbonated water... flavor of orange peel, citric acid from lemon juice, sugar syrup... that's Orange-CRUSH!

SMART DEALER...

HE MAKES SHOPPING EASIER... because he knows families in growing number are buying Orange-CRUSH in brown bottles, "by the case." So he keeps well stocked with cases of Orange-CRUSH, and helps shoppers remember to buy with a well-displayed reminder to "BUY IT BY THE CASE."

SMART SHOPPER...

YOU'LL BE HAPPY AT HOME... if you buy Orange-CRUSH by the case—and keep a few bottles always handy in your refrigerator. Delicious, cooling refreshment between home tasks... for active, thirsty children... for "drop-ins" while you chat... for parties... for the unexpected, always!

Woman Evangelist Continues Revival

The revival at the Prestonsburg Tabernacle continues, with services each evening. The Rev. J. D. Miller, pastor, announces. Ocie West, Lettfield, Ky., well-known woman contralto, is occupying the pulpit, preaching each evening at 7:30. The public is cordially invited.

Alexander Hamilton was killed by Aaron Burr on the same dueling ground where Hamilton's son fell in a duel three years earlier, according to the Encyclopedia Britannica.

An old custom in England was the ringing of the "eleventh bell" which fixed the hours for beginning and ending of cleaning.

The University of Virginia at its annual Commencement exercises last week conferred on James D. Francis, Huntington, W. Va., and a native of Pike county, the honorary degree of Doctor of Laws.

Mr. Francis, who is president of the Island Creek Coal Company in West Virginia, is the father of David L. Francis, president of the Princess Ekholm Coal Company at David. He was honored by the University for his achievements in the fields of education and industry.

Mr. Francis was born in Pikeville the son of David Livingston and Kate Dean Francis. He was a member of the class of 1903 of Pikeville College. He attended Centre College, Danville, Ky., and completed his studies at the University of Virginia Law School at Charlottesville.

After passing the bar examinations of Kentucky, Virginia and West Virginia, he became a member of the firm of Austin, Hamman and Francis, Pikeville. In 1911 he became associated with the Island Creek Coal Company as an attorney. In 1912 he became vice-president and general counsel of Island Creek, Fond Creek Pocahontas Co. and the Maitry Coal Company.

He became president of these three companies in 1934 and has served in that capacity since. He also is associated in an official capacity with a number of other companies and is recognized as one of the nation's outstanding figures in the coal industry.

Two of America's Most Popular Motor Cars

Pictured above are typical examples of the two smart and separate lines of cars which bear the current impetus of Pontiac good looks—the Streamliner and the Chateau De Luxe Sedan Coupes. Each is in such demand that, on its own, it ranks among America's most popular cars today. That two cars of such decidedly different appearance should each enjoy such wide acceptance is easy to explain. THEY'RE BOTH PONTIACS! While each has its own individualized smartness, both offer all the great basic Pontiac virtues. Both are conspicuously beautiful. Both carry the well-known promise of Pontiac quality—long life, dependability, and fine performance. Both afford the smooth, enjoyable performance of Pontiac's two great engines—the power-packed straight eight or its equally famous six-cylinder companion. Finally, both represent unusual values—a very fine product at a very low price. Enter one you choose will make you mighty happy.

Vern Bickford, Native Big Sandian, Saved from Death in Burning Home By Pike Man, Is Boston Mound Star

By G. C. RATLIFF
(The Ashland Daily Independent)
Tom Hatcher, one of the Boston Braves' hurlers, was the hero in the rescue of Vern Bickford, native Big Sandian, from death in a burning home.

Hatcher met to the gate, where he was momentarily stopped by a large white bull. He looked from the truck, and saw the fire and children inside the window. He grabbed something—we know not what—and bluffed the dog away. Then, he broke through the window and rescued the little ones, one by one. Fortunately they were unharmed.

One of the children was Vernon Bickford, now one of the Boston Braves' hurlers. That happened at Heller, on Marblebone Creek, 23 miles south of Pikeville.

District ABC Tourney Date Set

MUSIC SAYS DOZEN TEAMS ARE EXPECTED

Jaycees Sponsor Meet Here; Teams Requested To File for Competition

The district tournament of the American Baseball Congress will be played here beginning Wednesday, June 26. Marvin Mott, new ABC baseball commissioner for the district, announced this week.

Duration of the meet will depend upon the number of teams entering, and this is information yet lacking. Mr. Mott said he has been coming to his home by illness and has been unable to contact baseball teams of this section. Mr. Mott requested that teams interested in entering the tournament, contact him here by letter or personal call.

The number of teams may run as high as 15, it was said, with the Big Sandy League supplying several of that number. The district covers counties the length of the Big Sandy river in Kentucky.

The tournament here is being sponsored by the Prestonsburg Junior Chamber of Commerce and the winner will receive a handsome 23-inch trophy, the gift of the Lousia Coca-Cola Bottling Company.

Week following the tournament here, the district tourney will be held in Pikeville, hometown of Kentucky's ABC commissioner, Bill Stone. Winner of that meet will then compete with the Tennessee champion for the right to play in the national tournament at Wichita Falls, Kansas.

Presbyterians Win 2nd Straight Game On Homer by Boyd

Gene Boyd's home run in the last of the seventh won for the Prestonsburg Presbyterians a second consecutive game over the Martin Methodist church softball league, 10 to 9, here last Saturday afternoon.

Two new league entries are expected within a week. It was said after the Prestonsburg Methodist and Baptist Churches had organized teams.

The league is for the junior and senior boys' Sunday School classes. Last Sunday School attendance is required of all team members. Church teams desiring a place in the league have been asked to contact Ray Howard, Prestonsburg.

Wayland Man Receives Lieutenant's Commission

Walter J. Martin, son of Mr. and Mrs. Walter Martin, of Wayland, and a student at the University of Kentucky, last week received a reserve commission as a second lieutenant of infantry in the U.S. Army.

Martin was one of 101 U.S. students to be commissioned at a special ceremony held in Buell Army headquarters of the University Military Department. The commissions were presented by Col. G. T. McKee, head of the U.S. department of Military Science and Tactics.

A graduate of Wayland high school, L. Martin is a senior in the College of Education.

LEFT BEAVER TEAMS LEAD IN ELKHORN

Drift Takes over 2nd In Standings; Defeats Weeksbury in 12 Innings

Those Left Beaver Creek neighbors, Wheelwright and Drift, rank 1, 2 in the Elkhorn League this Sunday, defeating Weeksbury last Thursday night and Sunday.

Wheelwright hit the reeling Elkhorn City team, 14 to 5, last Thursday night, and continued the good work Sunday by a 6-1 win over Pikeville. Drift downed Pikeville Thursday night, 6-2, and fought it out 12 innings Sunday with a stubborn Weeksbury team, finally winning out, 6 to 5.

Wayland won its second game of the season Sunday by handily defeating Weeksbury, 4 to 0. In the extra-inning thriller at Drift Sunday, Left Beaver, who took over the mound duties in the seventh, with his team trailing Weeksbury, 5 to 3, was the winner. McGuire hurried up to that point. For the losers Adams, a southpaw, went all the way.

After graduation comes opportunity!

The approach of Commencement Day 1949 brings many high school seniors face to face with a big question—what next?

There's one big opportunity to which every high school graduate should give serious consideration. This is the career offered you in today's Regular Army.

Few openings in private enterprise offer you the leadership training, the educational advantages, the exciting travel and adventure, the supervised sports and recreation programs and the clean, wholesome, active life that can be yours with an Army enlistment.

Few openings offer you such comradeship with America's finest young men—for today—the best are acceptable for service in the United States Army. To win a place in today's Regular Army you must pass physical examinations that are tougher—mental examinations more difficult—than ever before.

And with these more rigid requirements you will face keener all-round competition for assignment to the more than 2000 courses offered at Army technical and specialty schools.

The rewards are also greater—opportunity for advancement is limited only by your ability and initiative. Many of today's general officers began their careers as Privates. Some of today's Privates may be our future Generals.

Appointments to Officer's Candidate Schools and to the U. S. Military Academy at West Point are available to those who can make the grade. In what other field can you aspire so high?

You owe it to yourself to get all the facts. See the friendly recruiting officer at your local U. S. Army and U. S. Air Force Recruiting Station today. He will be happy to give you full details without any obligation to you.

TO THE VOTERS OF FLOYD COUNTY:

I believe that the time has come in Floyd county for the voters to work and elect a working man for our Jailer. After all, it is the working man that pays all the bills. The only time the politicians are for the working man is on election day.

I am a Christian man and trying to lead a good life and all the citizens know that they will be treated fairly if I am nominated and elected.

I call upon the good Christian people and the working people to join by nominating and electing me Jailer of Floyd County. I am 50 years old and have been a Democrat all my life. I will try and see all the voters that I possibly can between now and the primary election, but being a crippled man, I may not get to see all and I take this method of asking for your support and influence.

Subject to the action of the Democratic primary.

JOHNNY CONN
Arkansas Creek, Martin, Ky.

To the Democratic Voters Of Floyd County:

I hereby announce my candidacy for County Court Clerk. I am a member of the OLD REGULAR BAPTIST CHURCH, and have been a coal miner for 30 years. Fellow Democrats, nominate me and I will win, because I will serve the people all of the time, regardless of their standing in life. I will be faithful and true to all the people.

Yours to win,
BERT NEWSOM
Grethel, Ky.

DANIEL AKERS FOR MAGISTRATE, DIST. 4:

Fellow Republicans, I take this means of announcing myself as a candidate for your Magistrate. Eight years ago you elected me as Magistrate and I served you honestly and the best I knew how. Two terms before this I served you as constable—and you all know I served the poor as well as the rich. When you wanted my help I was always ready to take you to the hospital and saw to it that you received as good care as those who were able to pay—AND I DIDN'T CHARGE YOU FOR IT!

I have had four years' experience with the Highway Department, know the needs of Floyd county's roads, and will work for our roads to get an equal share of highway funds and actual work done.

I believe that you know you can trust me, therefore I appeal to you again for your vote.

TO THE VOTERS OF FLOYD COUNTY:

We have another important election coming on August 6. I realize that many of you are deeply indebted. Many of us have friends and relatives running for one or more of the several offices to be filled, and many others are interested solely for the welfare of our homes and our loved ones.

The most important and the most far-reaching good that many of us will be able to do during the next few weeks, for the welfare of ourselves and those who come after us, will be the part we take in helping to select the right kind of officers to serve the people of Floyd county for the next four years.

Floyd county is blessed with much wealth and prosperity and with many of the finest people in the land. Let's keep it that way and strive to make it just a little bit better as we travel along.

We need good, sober, honest and qualified officers who have the welfare of the people at heart. I feel that on the whole that you will choose the best available when the time comes. You have some fine prospective candidates for possibly all offices. There are several seeking the nomination in the Democratic primary for the office of County Clerk. I know most of them, and I believe that most of them are good fellows, but some how or other, I have the idea that DuRan Moore would serve the people in a most friendly and excellent manner, and that we would be pleased with the way he would conduct the County Clerk's office during the next four years.

You know, I wouldn't want to brag very much on DuRan because I am his oldest brother, and as older brothers oftentimes are, I sort of feel like that I helped him grow up. I am sure that you would like him, and that he will conscientiously apply himself to the job and make you and the people a good and dutiful clerk. He knows that life becomes just a little fuller as we live not only for ourselves but for the welfare of others as we travel across Life's Highway.

We will appreciate your consideration for him, and we only hope that your decision will be for the best. May God be with us all, not only in this, but in all other decisions that we are called upon to make, now, and forever throughout the future.

Your friend,
JOHN CHRIS CORNETT

(Pol. adv.)

To the Fathers, Mothers, And Other Voters of Floyd County:

This writing is to give you a little of my life story. I was born and reared in Floyd county, near Goodloe postoffice. I am 54 years old and have spent 37 years in the coal mines. Also have been a union man ever since organized labor came into Kentucky. Am also a member of Local Union No. 800, McDowell, Ky., and expect to live and die one. Also am a minister of the gospel and, by the help of God and man, I expect to win this place for Jailer Jesus said, "Without me ye can do nothing."

This is what I stand for:

1. If elected, eliminate the restrictions on visiting hours.

2. Through State Board of Health, clean the jail to a sanitary condition.

3. Feed prisoners like I eat myself.

4. Fathers and mothers, if your boy gets sick in prison, I will contact you if it is the hour of midnight.

Elect me your Jailer and I will prove this. Thank you.

(Pol. adv.) **SAUL SEXTON**

To the People of Magisterial Dist. No. 4:

This is to let you know that I am a candidate for the nomination for Justice of the Peace of Magisterial District No. 4, subject to the action of the Democratic party at the August primary. I have served you heretofore and always have been ready when you called. I have fought for your interests at all times and have never failed to have my district share in anything that comes along. You all know that I am ready to accommodate you any time you call, whether rich or poor. Why change when you have a man who will do the job?

The name I would every day and one who can see you all the time whether there is an election on or not. A man who is qualified for the office and who will do the job right. Your support and influence in this election for me will be appreciated. Most of you know that I am a fellow who will return the favor.

(Pol. adv.) **DEWEY ROBERTS**

Most recent deals in France have been fought between politicians and journalists.

To the Voters of Magisterial Dist. No. 1:

Published in behalf of Jesse Wallen for Magistrate of Dist. No. 1. I pray that we may have peace and harmony in Floyd county (Rph. 5:1-2)—"Be ye, therefore, followers of God as dear children and walk in love as Christ also hath loved us."

Now I wish to call attention to the voters of Floyd county not to think I have reached too far, but as I have told you in The Floyd County Times I am deeply interested in the Sheriff and Fiscal Court for the next four years.

And if our little watchword would be, "Speak Gentily" one with another and try to understand others and help elect leaders who would rule by love and not fear, stand on our old Constitutional Rights, not add to or take from, we would have peace and harmony in our land and country.

I am interested in Jesse Wallen for Magistrate of District No. 1. He has been a driver of the Sparks bus for some time. I have never met a man in Floyd county any more interested in the welfare of Floyd county. He is kind and courteous to both old and young and I am sure he would make a real Magistrate. I have never been acquainted with any of his opponents but I am sure if they read the Bible and The Floyd County Times, I would make it plain to them that a friend in need is a friend in deed, and that I pray for the man that God reveals to me that can help ease the taxpayer's money and spend it when needed for public use. As I am a taxpayer and always take a free part in politics I ask all citizens of District No. 1 to think of Jesse Wallen as their Magistrate and the way to make dreams come true is to put your faith into action. God and vote and then come back and get some of your handicapped neighbors.

Sincerely and prayerfully,

(Pol. adv.) **EVA MEADE HALL**

TO THE PEOPLE OF FLOYD COUNTY:

I take this means to thank the good people of this county, especially in Magisterial District No. 2 and No. 4, for having allowed me the opportunity and privilege of serving you in the capacity of your state Representative for the past two years. I did the very best job that I possibly could. Your interest was ever uppermost in my actions, both during the regular session and the extraordinary session of the General Assembly in 1948 and 1949. Each vote that I cast during my term as your state Representative was for the betterment of our great state and Floyd county.

After much consideration I have chosen not to run for re-election this year, but I would appreciate it if my friends would go to the polls and vote for my uncle, Henry Stumbo, for County Judge in the coming election. I sincerely feel that Henry will make an outstanding Judge. Floyd county needs so much and has had so little done.

Again I wish to thank you for your support in 1947 and I hope to be of some service to my fellow Floyd countyans in the future. With malice toward none, and a friend toward every Floyd county first and always, I remain,

Sincerely yours,

John Milton Stumbo

ANNOUNCEMENT

REPUBLICAN PARTY

I use this means to announce myself as a candidate for

MAGISTRATE

IN

DISTRICT NO. 2

ON THE REPUBLICAN TICKET

I believe in honesty and fairness to all. I will show no partiality among men. I promise you if I am elected I will do my duty as sworn to do. Get behind me and elect me your Magistrate.

Together we will strive to better our communities and raise the standard of living in District No. 2.

Thanking you in advance, I am,

Your friend,

AUSTIN N. CASSADY

A Man Who Deserves Your Support

JESSE WALLEN

Jesse Wallen is capable and honest. He seeks to improve roads, schools and churches. He is the friend of all groups—farmers, miners, operators, and business men—and is deeply interested in the problems of both young and old.

His life and high school and college training promise a new type of efficient service and offer in office wise and unselfish representation for our people. Do you want this kind of service?

Give this young man a chance to serve his people, his community, his county and his nation.

VOTE FOR HIM ON AUGUST 6

TO THE VOTERS OF FLOYD COUNTY:

Because of my relationship to Bill Hall, another candidate for the same office, I have decided not to continue my race for the Democratic nomination for Sheriff. This decision I have reached without consultation with any person other than those of my immediate family.

I appreciate the encouragement offered me and I feel that my relatives and friends have been very loyal. I make no attempt to dictate to them how they should vote nor that I am no longer a candidate, but I do ask them to consider Bill Hall as the man who is honest and well-qualified for the office.

Sincerely,

RICHARD HALL

TO THE PEOPLE OF FLOYD COUNTY:

As a candidate for the Democratic nomination for Sheriff of Floyd county I hereby present for your thoughtful consideration this statement.

I am not A RICH MAN. My father died when I was four years old and left my mother with nine children and heavily in debt. Being one of the oldest, I soon had to assume responsibility for the support of my mother (now dead), and my other brothers and sisters. I worked my father's rough mountain farm for the support of the family and in winter seasons when farm work was not required, I sought and obtained work with drilling contractors, where I did every sort of work they had to do until I became an experienced driller. During these years of hard work I saved my wages until I had enough money to make the down payment on a well drilling outfit and went heavily in debt for the remainder. Without assistance from any one, by hard work and strict economy, I finally paid for the drilling outfit with which I, by hard work and good management, was enabled to support my wife and three children and make my widowed mother comfortable and happy in her last years.

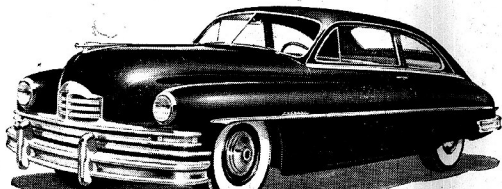

If elected Sheriff I will use the same energy and determination to be an honest and capable official that I have used in the pursuit of my own business. With our rapidly increasing population and business activities the Sheriff's office presents many difficult problems that require cool judgment and discretion. I will see to it that no deputy sheriff is permitted to oppress or impose upon any citizen of this state, but I shall see that every deputy I appoint is an honest, sober and upright citizen of our county and they will all be required to do their whole duty in the execution of the processes of the courts, that the law may be promptly and fairly administered; that society be protected to the end that all our people may live peacefully in their homes and that our county may become a better place in which to live. This is my platform and I shall adhere strictly to it when elected. Give me a chance.

Yours for faithful service to all the people,

JOHN MAY

Would you lift 100 bushels for a penny?

an electric elevator will!

A LOW-COST portable electric elevator is one of the best investments a farmer can make. It does back-breaking lifting chores for pennies a day and does them in lots less time.

Even a small, simple, homemade elevator can move 400 and more bushels an hour, at a cost of 1 cent per hundred bushels handled, and often for a good deal less.

Get the most from your electric power! Portable electric elevators handle ear and shelled corn, small grains, crates, even baled hay. Let our farm engineers help you select the elevator that best suits your needs.

Petroleum Committee Holds Annual Meeting

Oil men from Floyd and Pike counties will meet at the Hatcher Hotel Coffee Shop, Pikeville, at 8 p.m. tonight (Thursday), for their annual meeting to discuss matters of vital importance to oil dealers and consumers of gasoline and other petroleum products.

Herbert L. Clay, executive secretary of the Kentucky Petroleum Industries Committee, Louisville, will be the principal speaker. His talk on oil industry problems will be illustrated by a color film. T. E. Rogers, chairman of the Pike County Petroleum Industries Committee, will preside. The delegation from Floyd county will be headed by Marvin Music, of Prestonsburg.

KENTUCKY ON THE MARCH

By EWING GALLOWAY

Multi-millionaire James C. Ellis, of Owensboro, was discussing cattle raising with me at the Evansville stockyards the other day. A veteran talking to a beginner. Mr. Ellis has fed 60,000 steers in the last 30 years, on farms he owns in Kentucky, Indiana, Illinois and New Mexico. He was chatting with a grass cattleman operating on a small scale.

"When I was a youngster," said Mr. Ellis, "the old folks in my neighborhood insisted that one should raise cattle and feed hogs, and I'm inclined to think they had something."

It was Mr. Ellis' way of saying maybe he had been wrong and maybe I was right.

Feeding grain to cattle never drew Mr. Ellis for serious losses, otherwise he wouldn't have kept at it for three decades. What he probably meant was that producing cattle on grass was more profitable than the long stretch than feeding grain. In the last few years our Hereford brood cows have earned \$100 a year on bluegrass, getting perhaps \$5 worth of hay in extremely bad winter weather. With mixed pastures and \$15 worth of hay a Kent brood farmer can make each good brood cow produce a \$100 weaning calf. In less prosperous times, the weaning is worth \$71. If the net on each cow is only \$80, is there any other product of the farm in the same year as profitable? For the average farmer hay should be \$15 per brood cow and next to no labor at all.

That's why I write so often urging hill farmers in Kentucky to plow less and grow better grass.

In my section of the state—Henderson, Union, Webster, Davies, Hancock, Ohio, McLean, Hopkins, Christian and Crittenden counties—poor pastures have doubled in the last six years. Ditto the number of beef head now herds. An offhand guess would put the grain in feed lots at much less.

Raising cattle on grass is the surest way of making money on farms that I know of. The only way a cattle grazer can lose is to live the animals on his hands.

ALEX L. DAVIDSON FOR COUNTY JUDGE

I promised the people of Floyd County, four years ago, that if they would elect me County Judge I would do the very best job I could, and that promise I have made every effort to keep.

I make you the same promise again, and I feel that with the experience of these four years behind me I will be better qualified to handle the office than before.

Now, I do not mean to say I have been perfect in every respect as County Judge. I have made mistakes, many mistakes, and I am the first to admit that I have. But I have tried my very best AND WHATEVER MISTAKES I HAVE MADE WERE HONEST MISTAKES. No man is perfect; no man can be all things to all men, and the voters of this county know this as well as I do.

I also admit many things have been needed by Floyd County that have not been done, but I think the people should have the facts about this matter, so they will understand exactly why we have fallen short in some respects. Several years ago, an indebtedness of nearly a million dollars was piled up against this county. Because of that, there must be paid, each year, interest and principal on that indebtedness. After taking care of the bonds as they come due, with interest, there is comparatively little left with which to do the many things that should be done.

Each year I have been in office, we have met our debt obligations as they came due, and I assure you, every year I am your County Judge these debts will be paid until this county is debt-free.

Right now, Floyd County has over \$300,000 in the bank, placed there in a sinking fund against this county debt. With sound business handling of the county's financial affairs, this debt will be paid within another four years. Many of the bonds against the county, now drawing heavy interest, could be retired at this time but, unfortunately for us, they are not callable.

All this I point out to show why the individual needs of communities in the county—roads, bridges and other improvements—cannot be available immediately, no matter how much you or I may want them.

Permit me to add: I intend to run a clean race during this campaign. I have no ill word to speak of any opposition I may have. I want the people simply to know the facts and to consider me as their servant strictly on my merits. I promise you courteous and faithful service and an honest administration. Did I seek your support on any other grounds, I would not merit your votes.

Your friend,

ALEX L. DAVIDSON

Look Who's Strike-Breaking Now!

THE forces of Labor owe it to themselves to do a bit of careful reading and hard thinking, these days.

They should read the newspapers. Not the editorials or the columns written by pundits who might want to do Labor's thinking for it. Just Page One.

For on the Front Page those who work can learn who are their friends, also their enemies. There Labor will learn the dangers which lie in wait for it as well as for all others enjoying the liberties offered by the United States and other democracies.

Newspaper stories direct from Berlin have been telling the world about the Russian police, those strong arms of the law who have cried in their voices all these years about the sad, sad fate of the working classes, the world over; of how they desisted from shedding crocodile tears long enough to join Communist strikebreakers in battling railroad workers who made the mistake of trying to strike as they do with perfect immunity in the hated capitalist countries such as the United States.

Yes, under the red flag of Communism men have been turning machine guns, these last few days, on other men because they refused to work for near-worthless Soviet marks, claiming the laborer is worthy of his hire and that he should be paid therefor with U.S.-backed currency.

There is no denying it, the ranks of Labor have been infiltrated by Communists. Some strikes in this country have been Communist-inspired. With all the farflung organizations of Labor that there are in this country, and with the Labor front receiving the enemy's unremitting attention, it is but natural that undesirable gained places of advantage in some labor unions.

Thus good Americans, men whose loyalty has never been doubted, became fellow-travelers with Moscow's agents.

And Moscow, as this week's record, written in blood, shows, is no Mecca to which Labor's faithful can ever look for sympathy or tolerance.

Labor, then, has a duty to itself as well as to the nation to kick the rascals out before the rascals get in position to do the damage they have set out with malign cunning and the most evil design to do.

A BUSY CALENDAR for JUNE

We are celebrating our 13th annual MEMORIAL MEETING with a month's revival and other special services, BEGINNING JUNE 6, 7:30 p.m., IN A TENT ERRECTED NEAR THE CHURCHHOUSE IN WEST PRESTONSBURG, KY., NIGHTLY AT 7:30 P.M.

OUR AIM—

- (1) To maintain a spirit of worship and of fellowship with all Christians
- (2) To "Use Hospitality," giving all of the children of God their liberty and freedom; and the ministers, irrespective of faith, an opportunity to participate in the services, as far as is humanly possible.
- (3) To bring special speakers from our constituency, to preach during these meetings.
- (4) TO HAVE A REVIVAL. Will you attend? Will you say for this once—it may never be again—"I AM DOING MY UTMOST, WITHOUT QUESTION, WITHOUT CRITICISM AND WHOLEHEARTEDLY TO MAKE THIS CAMPAIGN A SUCCESS?" THE CHALLENGE: TO YOU—My Christian friends, lay down petty differences, break down the barriers of creed, discard prejudice, crucify the spirit of hate and grudge, murder, JEALOUSY and lock within your heart idle tales, gossip and words that hurt, and GOD will do the other—SEND REVIVAL.

Daily Vacation Bible School Will Be Held in the Church June 6th to June 17.

9 a.m., to 12 noon—Ages 4 to 15 years

Parents, urge your children to attend. Competent teachers. Rigid discipline. Our Sunday School Superintendent, Joe Arnett, director.

THIRD SUNDAY IN JUNE

13th Annual Memorial Meeting and Basket Dinner

will be held from the tent erected near the Church of the ASSEMBLY OF GOD.

ALL DAY SUNDAY, JUNE 19

Beginning as early as possible and continuing all day. Come early—come for the day.

- (1) DINNER ON THE GROUND.
- (2) MUSIC AND SINGING.
- (3) PREACHING THROUGHOUT THE DAY.
- (4) WE ARE PLANNING ON AN HOUR'S BROADCAST DURING THIS MEMORIAL SERVICE. Many of you have never witnessed an actual broadcast. Hope to be able to have this broadcast direct from the church over radio station WCMI.

In case of INCLEMENT WEATHER

Don't let this stop you. Come, for THE SERVICE WILL BE HELD.

Another Special Service on This Calendar

THE GRISWOLD TRIO

From Dallas, Texas

The Griswold Trio from Dallas, Texas, will be at the tent JUNE 29th at 7:30 p.m. Presenting Gladys Griswold, Musical Director, Rhonda Ruth Griswold, announcer, and Leonard Lee Griswold, 17-year-old preacher. This young preacher is the South's youngest radio pastor. I am sure you will not want to miss this rare opportunity. A treat is in store for all who avail themselves of this rare opportunity.

The above calendar is our program for the month of June. You will not want to miss any part of it. I am sure, so keep this schedule before you—We are advertising in ample time for you to make plans early—Set other plans aside—take the month of June off, and take these services in.

More Smiles per Gallon with Dynaflo Drive

White sidewall tires, as illustrated, are one of extra cost.

THERE'S the smile when you slip the selector lever into Driving notch—and realize that's all there is to do.

There's the smile when you swing smoothly up to cruising speed without halt or check or break of stride. There's the smile at traffic lights when you halt, wait, then move away with never a thought about shifting.

But the broadest grin of all comes at the end of a long day's drive and you find you've covered more miles more easily. Even your treadle-foot—so likely to become tired and cramped maintaining an even speed in direct-drive cars—appreciates the fluid ease of Dynaflo.

For Dynaflo Drive is not merely a new transmission. It's a new experience—a new luxury in driving. In ten minutes you are handling it

like a veteran—in two days you wouldn't be without it.

Small wonder, then, that Dynaflo is the drive with which all new developments in transmissions are compared.

Not merely "something better," it is something entirely new, the first exciting chapter in a whole new book.

Go learn for yourself how abundantly rich in pleasure every gallon becomes when you have Dynaflo.

Your Buick dealer will be glad to demonstrate—glad to quote delivered prices—glad to talk terms of as fine a deal as you could want.

And you'll find glad surprise in the delivery dates he is now mentioning.

BUICK alone has all these features

- SLIP-VISION DYNAFLO DRIVE* • FULL VIEW THROUGH front enlarged glass area
- SWING-EASY DOORS and easy access
- LIVING SPACE* INTERIORS with Deep-Croile cushions • Buoyant webbing
- FLX COIL SPRINGING • Lively FIREBALL STRAIGHT-8 POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS; low-pressure tires on SAFETY RIDE RIMS • Cruiser-Line VENTIFORTS DUREE BEARINGS, main and connecting rods
- BODY BY FISHER

*Standard on ROADMASTER, optional on extra cost on SUPER models.

When better automobiles are built BUICK will build them
