SKYLINE MINE SET TO OPEN

Breathitt Strip Mine, Seen As Floyd Benefit, Has 60,000 Ton Output

The Skyline mine of the Pond Creek Coal Company, Inc., in Breathitt county, will begin operation, April 15, it was announced in Huntington, W. Va., Friday.

This is the big coal operation referred to in an editorial in The Times, March 30, urging highway connection with the operation from this county.

Production was scheduled originally to start about January 1, the announcement, contained in the company's annual report said, but was delayed by disruptions in the industry.

The company opened its No. 1 mine in the area, near Brainard, Breathitt county, last July.

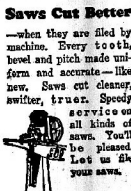

A strip-mine enterprise, it now has a capacity of about 60,000 tons a month.

Referring to the plant to be opened in mid-April, the report said it will be "one of the finest and most complete" ever constructed.

It also said that it will produce "one of the highest grades of bituminous coals we have ever produced."

Capacity production is expected to be 600,000 to 700,000 tons a year. The company's annual report forecasted during the coming year "a better market than for the industry as a whole" for high grade coals.

The report estimated the coal strike last year cost the company through loss of profits, maintenance, depreciation and overhead approximately \$1,753,000, and employees \$2,000,000 in wages.

Garrett-Lackey Club Elects '50-51 Officers; Hears Drive Reports

The Garrett-Lackey Woman's Club named its officers for the 1950-51 club year in a meeting held Monday night, March 27, at the home of Mrs. J. C. Wells.

The new officers recommended by the nominating committee and elected without opposition are as follows:

Mrs. R. P. Vinson, president; Mrs. J. M. Rasmick, vice-president; Mrs. E. M. Martin, recording secretary; Mrs. Willard Castle, corresponding secretary; Mrs. George Evans, Jr., treasurer. The officers will be installed at a club breakfast to be held sometime in the latter part of May.

The nominating committee was composed of Medames Charles Hornsby, E. C. Blanton, Roy Souleyrette, W. T. Hatcher and Thomas Hatcher. Mrs. Willard Castle, who was hostess to the club for the occasion, opened the meeting by reading the club's letter.

This was followed by an extended business session. Mrs. Roy Souleyrette, chairman of the ways and means committee, reported the success of the Sock-Hop which netted \$1834 toward the club's \$100 Scholarship Loan Fund, making a total of \$7544 date.

Medames R. P. Vinson and John Wallace, reported the recent parol-pool drive a "huge" success. An auction sale is planned to take place soon at a pot luck supper with the Lions Club and Woman's Club in a joint meeting. Jean Childers, Ball will be auctioneer. Proceeds will be applied to the scholarship fund. Collette in charge of arrangements is made up of Medames Willard Castle, Roy Souleyrette, John Wallace, N. D. Howard and Thomas Hatcher.

It was decided to entertain the Wheelwright Woman's Club, May 14, with the following ladies in charge: Medames R. D. Spencer, F. M. Rasmick, C. B. Ison, Felix Coburn and Troy Webb.

An invitation has been extended the club to visit the Wheelwright Woman's Club, April 15. Twenty-five members indicated they would attend.

It was voted to contribute \$5.00 to the crippled children's fund and the same amount to the Keweenaw fund to apply toward rehabilitation in that area.

Mrs. Harry Sherman, Ole, was re-instated as a club member after living away for a year.

In the absence of Mrs. Melvin Hayes, program leader, Mrs. J. C. Wells assumed charge of the program. "Preparing Youth for Tomorrow's Citizenship," Ten Steps to Success, a most fitting introduction, was given by Mrs. Carlton Wrighton who emphasized each step with a timely illustration.

"Making a Difference in Citizenship," a condemnation from an NEA Journal, by Evan C. Evans, was presented by Mrs. R. P. Vinson in an interesting manner. "Can Schools Develop Better Citizens?" a current problem common to all people, was given by Mrs. W. T. Hatcher. This article was a summary as appeared in NEA Journal by Stanley Diamond.

Daily refreshments were served by Mrs. Castle to Medames N. D. Howard, Carlton Wrighton, J. T. Praley, E. C. Blanton, Erwin Mullins, J. E. Miller, C. B. Ison, F. M. Rasmick, M. M. Collins, R. P. Vinson, Felix and Elsworth Coburn, Charles Hornsby, R. L. Gardiner, W. T. Hatcher, Ford Cooley, John Wallace, Roy Souleyrette, Fred Hall, S. M. Martin, R. D. Spencer, J. C. Wells, Quentin Terry, Thomas Hatcher and Miss Marie Coburn.

The next meeting will be a "Sewing Bee" at the home of Mrs. John Hampton with Mrs. J. T. Praley as hostess.

Automobile springs should be re-set only once. If they develop a sag after one being reset, they should be repaired.

LIGON DRIVER DIES IN WRECK

Hamilton Victim in Pike On First Trip at New Job With Coal Mining Firm

Hauling the first load of coal on his first day of employment, Charles Elliott Hamilton, 18, of Ligon, truck driver for the Thorpe and Hunt Coal Co., of Biggs in Pike county, was fatally injured beneath the vehicle at 9:30 a. m. Tuesday.

The accident occurred near the mine location. According to reports reaching here, he was driving the truck close to the edge of the road when the shoulder gave away. The truck attempted to jump clear but he died 40 minutes later at Shelby.

The son of Charles and Ethel Elliott Hamilton, he was born October 1, 1931, at Weeksville. He had lived at Ligon for four years.

Surviving in addition to the parents, is a sister, Mrs. Dorothy Lee Hamilton Meade, Ligon.

Funeral services have been tentatively set for Friday at the home, with the Reverend Jerry Hall officiating. Burial will take place in the Duke Hamilton cemetery at Beaver.

Telephone Wages Are Way Ahead of the Cost of Living

Eight General Increases in the Last Ten Years Have Boosted Wage Rates 117% While Living Costs Have Increased About 73%. Any Further Increase in Wages Would Have to be Paid by Telephone Customers

Telephone employees, like everyone else, have faced a steep increase in the cost of living during the last ten years. What about telephone wages—have they kept up?

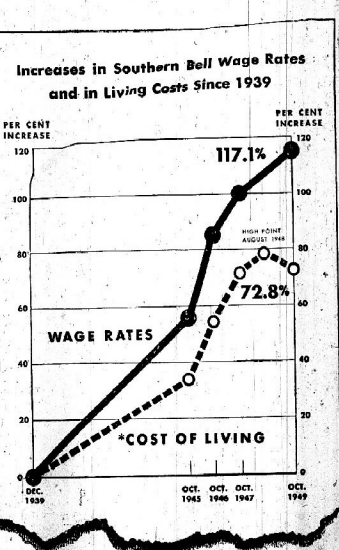

As the chart clearly shows, telephone wages have more than kept pace—leaving a substantial margin in our employees' favor. Telephone wage rates have been increased 117 per cent since 1939 compared with an increase of about 73 per cent in the cost of living for Southern cities.

Southern Bell employees have received eight general wage increases in the last ten years. In addition, they regularly receive automatic "progression" raises according to a schedule which begins the day they start work and continues with frequent increases until they reach top pay for their respective jobs.

During the next twelve months, 3 out of 4 Southern Bell employees will receive at least one such automatic increase. Many will get two and three.

Today, as you compare favorably with other workers in the community for comparable skills and experience, you can think of any yardstick fairer than that?

Add to good wages the assurance of year-round employment, liberal sickness, accident and death benefits, and a pension plan that is among the best in all industry, and you can readily see that telephone employees are doing all right.

WANNA EAT CHEAP? YOU CAN AT WEEKSBURY!

Want a complete cooked meal for 25 cents? You can have it if you will move to Weeksbury and are willing to go back to school.

Through efforts of the local Parent-Teachers Association Weeksbury school children are provided hot noon lunches for a quarter on a non-profit basis financed by local residents of this Eastern Gas and Fuel Associates mining community. They are doing it without federal or state aid which would make it possible to reduce the price still more.

There has been a noticeable improvement in the health of the children since the program began last fall, school authorities say.

OFFICIAL PAY RAISE OKED

1949 Tax Levy Retained Tuesday; Road Program Set in Friday Meeting

The Floyd fiscal court at its session here Tuesday voted its approval of the salary schedule adopted Dec. 31, for county officials in anticipation of effectiveness of the salary limit raise made possible by Constitutional amendment, and also raised the per diem of Magistrates for court attendance in effort to offset these officials' financial loss when they were deprived to pay for road supervision.

The Magistrates who until this year were allowed pay of \$6 a day for road supervision were voted \$10 a day for each day attending fiscal court session.

The salary raises voted county officials, Dec. 31, were: County Judge from \$4,200 to \$4,800; County Attorney from \$1,800 to \$2,000; County Clerk from \$750 to \$1,000. The judge's salary of \$100 a month was unchanged, but his janitor fee was upped from \$100 to \$150 a month.

The maximum any official may be paid was set at \$7,500. The schedule becomes effective July 1.

The W. C. Thornburgh Company, Cincinnati, was authorized to negotiate for issuance and sale of approximately \$45,000 worth of bonds to pay a floating debt of the county.

All three Floyd county banks, the Bank of Kentucky, the First National Bank and the First National Bank at Martin were designated depositories for county funds, each funds to be divided as equally as possible among them.

The county tax levy was set at Tuesday's session at the same rate as in 1948: 50 cents per \$100 valuation on real and personal property for the general fund; 50 cents per \$100 on real and personal property for the bond fund; \$150 poll tax.

Appropriations for the County Health Department and the County Agent were quickly voted—\$4,320 for the health work; \$1,000 for the farm agent, plus \$1,100 for clerical aid and office expense.

The court accepted right-of-way from landowners on the right fork of Little Paint Creek to the Johnson county line, promising road construction as soon as possible. It designated County Judge Henry Stumbo to meet with the landowners and agree on the location of the proposed route.

The condemnation suit ordered by the court to be filed against Delmas Saunders to procure right-of-way for a bridge across Abbott Creek was withdrawn, and at the County Attorney W. B. Burdett was directed to procure right-of-way by purchase or otherwise.

These right-of-way over the lands of Milton Miller, John Staley, Julia Hester heirs, Oak Cooley and the I. Richmond heirs on the Northern-David road, and over the property of Noah Vance, Paul Thacker and Andy Kiser on the Harold-Ligon route.

Last Friday, the fiscal court met with representatives of the rural highway department to plan a program on which the county's \$64,978.88 share of the \$5,000,000 state road fund shall be spent. In brief, this is the program:

Limited maintenance only, including the placing of surfacing, patrolling, ditching, draining and repaving at the following roads, all work to be done by the county:

Little Mud, 2.2 mi.; Brandy Keg-Johns Creek, 1.8 mi.; Toler Creek, 2.2 mi.; Cliff-Abbott, 2.7 mi.; Stephens Branch, 1.5 mi.; Prater's Creek, 1.4 mi.; Turkey Creek, 2 mi.; Brandham's Creek, 1.6 mi.; Lower Bull, 1.5 mi.; Rough and Tough, 2 mi.; Upper Bull, 2 mi.; Drift-Martin Branch, 1 mi.; Sizemore, 1 mi.; Spurlock, 2 mi.; Wilson Creek, 1.5 mi.; Little Paint, 1.2 mi.

Regular routine maintenance work was specified for these routes: Prestonsburg-Alton via Bull Creek, East Point-Auxder-Cliff, Steele's Creek, Prater's Creek, Rook Fork, Buck's Branch, Prater Creek, Betsy Layne high school road, Arkansas.

Bituminous surface was specified for one mile of the Big Mud road, beginning at Harold, and for the same distance on the Prater's Creek route. Left unobligated were \$2,419.99 of the fund.

clothing become more and more worn, even unkempt. Physical deterioration went on with the years. But the "something" which pervaded the man like a haze never changed. This man to the manner born spent the years visiting little country churches, preaching to many who would listen, visiting the sick, the destitute sick, calling on those who found few friends. He taught school. He founded an orphanage. He saw his dreams go up in smoke and flame.

I am not a Bible student, but it has always been my idea that the man had the most Christ-like ability I have ever known. His thoughts more often were out yonder than here with mundane matters. Give him a bankroll and he would spend it on others. And his judgment of others was none too accurate; he was ruthless; he saw only the good, none of the bad. Deposit a thousand dollars in the bank to his credit, and within a week or two he would be overdrawn. Overdrawn without knowing it. His mind did not run to business matters, and there were many who faulted him for what they called his "carelessness."

That was it. Carelessness. He was careless of himself. To those who saw him walking rough, muddy roads, far up hillside to some house where a needy orphan lived; who saw him buy little things to clothe the child for the trip to an orphanage or a home; and saw him give away the long miles up and down hill, the child in his arms or on his back, the railway station—they knew how little he cared for himself.

He found favor in the eyes of women, but no woman drew his attention except as a human being with a soul to save. Once years ago when a friend teasingly inquired of him why he had never married, this man gently replied, without trace of a smile, "I was married to Christ when I was twelve years old."

For all this, I would not say he was a man of sorrows. He joyed with the happiness of others. And he found happiness in the giving of his time, resources and strength to others. He bused his hands at all tasks, wherever he was. He met every rebuff with a smile and a soft answer. Whatever cross he carried was not a burden; it was as if it were his shining armor.

A few months ago, this man of whom I have inadequately written left Prestonsburg. He went to Louisville. There he was drawing in Kentucky and required that all students must attend classes and only competent instructors be permitted to teach such a course. The measure passed, 312 to 178.

A fourth Prestonsburg bill was introduced by Earl Green and Billy Ray Wills. He died, a few days ago; his gentle soul fled from all dreams to what to him in life was a living reality.

P'BURG 'SENATOR' SPONSORS BEST YOUTH ASSEMBLY BILL

Prestonsburg boys and girls had no small hand in the "affairs of state" Friday and Saturday at the sixth annual Kentucky Youth Assembly at Frankfort.

Approximately 300 school boys and girls and their teachers, sponsored by the state YMCA, and affiliated groups, met for a two-day joint session of their own "House" and "Senate" elected their own state officials who were duly sworn into office and operated in mock fashion, the state government.

The Prestonsburg representation pushed through to passage three of their four proposals, the school trip, the Y club was awarded plaques for proposing the best bill and having the best presentation of it on the floor. The school trip was elected one of their number to a "state office."

The award-winning bill, Senate Bill No. 3, sponsored by the Prestonsburg delegation and introduced by Senator Bonnie Jean Wills, was "An act to establish in every accredited high school in Kentucky a program in guidance and counseling as a part of the total program of educational services." In content, the program would require high schools to furnish counselors to advise students on whether they should go to college or pursue industrial training. It passed, 412 to 68, according to Katherine Keck, press secretary of the delegation.

Of particular interest, inasmuch as the bill was proposed by a group from the Prestonsburg school where cheerleader, Muriel Baldridge, was slain last June, was House Bill No. 20, introduced by Billy Ray Wills and Claude Arnett. It was worded, "An act to establish a penalty of ten years imprisonment in a state penal institution and fine of not less than \$500 to be imposed on any and all persons convicted of a sex crime short of the death penalty within the borders of the state."

The sex bill was killed in the law committee Friday. When the "Assembly" reconvened Saturday morning, young Wills took the floor, speaking briefly in behalf of the proposal and secured the necessary two-thirds to bring it to the floor for a vote. It passed, 342 to 144.

House Bill No. 31 was the third Prestonsburg successful proposal. Introduced by Joan Varney, it was "An act to provide for the teaching of sex education in all high schools in Kentucky and required that all students must attend classes and only competent instructors be permitted to teach such a course." The measure passed, 312 to 178.

A fourth Prestonsburg bill was introduced by Earl Green and Billy Ray Wills. He died, a few days ago; his gentle soul fled from all dreams to what to him in life was a living reality.

Taking a big hand in approving and passing 20 bills in two days, Joan Varney, Billy Ray Wills and Claude Arnett served on the powerful Ways and Means committee; Billy Wills and Earl Green on the Education Committee; Bonnie Jean Wills and Patsie Conn on the Education Committee; and Mrs. E. D. Roberts, Prestonsburg faculty member and a student adviser, was on the Law committee.

Billy Ray Wills, son of Mr. and Mrs. Bill Wills of Auxier road, with Bonnie Jean Wills as campaign manager, ran a close second in the race for "Commissioner of Agriculture." Charles Covington, Lexington, won. Miss Wills is the daughter of Mr. and Mrs. Sam Wells, Prestonsburg.

Miss Joan Varney, daughter of Mrs. J. R. Worland, Prestonsburg, was a candidate for "Secretary of State." She was beaten by Miss Deane Oldens, Covington. Claude Arnett, a candidate for "Attorney General" in a smart political move, withdrew in order to swing votes to his fellow student, Wills, in the commissioner of agriculture race. Claude is the son of Mr. and Mrs. Mort Arnett, David.

Others comprising the active and political-wise delegation was Billy Wills, son of Mr. and Mrs. Bill Wills, Auxier, Dr. J. M. F. Conn, daughter of Mr. and Mrs. Ed Conn, Lancaster, and Miss Katherine Akers, daughter of Mr. and Mrs. Burr Akers, Lancaster.

They were accompanied by Mr. and Mrs. E. D. Roberts and R. L. Shepherd, teacher and technical adviser to the youth parliament.

Kentucky's lieutenant governor Lawrence Weatherly welcomed the delegation to Frankfort in a brief speech Friday and jokingly told them, "All I ask is that you don't ask me to call a special session of the Legislature."

Friday night all delegates assembled in the Frankfort Presbyterian Church for a mass service which was in charge of the visiting students and conducted with audience participation.

Fairfaxville, Hazard, Ashland, Mt. Sterling and Fleming, sent delegations from Eastern Kentucky.

BANKERS PLAN FARMING AID

Decide County Cannot Depend Solely on Coal; Graham Addresses Group

Floyd county's bankers agreed last Thursday with agricultural leaders that Floyd county's economy must not depend solely upon the coal mined from beneath its topsoil; that, instead, the farmers who grow it and above that soil figure prominently in Floyd county's economic future.

And so, the bankers agree, there must be something done for agriculture in this county. Plans were talked, generally, and later they hope to "get down to cases".

John Graham, agricultural expert of the Kentucky Bankers Association, was brought here for the meeting. His presence here was upon the request of J. D. Harkins, president of the Bank Josephine.

Mr. Graham met at the Brown hotel with Mr. Harkins, Russell Hagwood, cashier of the First National Bank, G. C. Spradlin, cashier of the State Bank, Martin, H. D. Fitzpatrick, W. J. May and Adrian Collins, vice-president, cashier and assistant cashier, respectively, of the Bank Josephine, R. L. Shepherd, Vocational Agriculture teacher here, R. C. Barnett, instructor in the veterans' job-training program, and Billy Ray Wells, president of Future Farmers of America chapter in Prestonsburg, high school.

The general plan discussed was to formulate a program for the benefit of Floyd county farmers, with the three Floyd county banks as sponsors and sharers of the expense involved. The program, which will probably start off in a small way, will serve as an agricultural stimulant. It is planned behind it all, is explained, is the idea of increasing the county's agricultural income.

R. L. Shepherd, with other agricultural leaders, will work out a specific plan of action and submit it to the three banks for their approval and support.

Mr. Shepherd is now working, independently of plans discussed at Tuesday's meeting, on the formation of a soil conservation district in this county. Reformation in that department later be developed as one part of the bankers' agricultural program. Seedlings are available to landowners at a cost of only \$4 per thousand, and the federal agriculture program will pay the landowner \$7 per acre (approximately 700 trees) for planting the seedlings.

Other phases of farming to be given consideration in the study of plans will be small scale, vegetable, the growing of beef and dairy cattle.

A child's shoes—just ONE of the essentials she must buy. And today a decent pair cost about \$6. That's almost as much as YOU paid for a fine pair of men's shoes ten years ago. To compensate for today's doubled cost-of-living, you have to pay twice as much.

By the same token the family-size Life Insurance you arranged for ten years ago can't do the job today.

Could your widow exist on the insurance you provided when the dollar bought twice as much? Would the cash you leave make up the slack created by the higher cost-of-living?

Or would she have to work—and deprive your children of a MOTHER'S TIME and care—the greatest gift a man can leave. See me soon and let's discuss this important matter.

Women's Church Group Names New Officers

Mrs. Dore Vaughan entertained the Women's Society of Christian Service at her home on Friend street, Monday afternoon, when new officers were elected. The home was beautifully decorated with spring flowers. Mrs. Frank Layne, vice-president, presided at the business session.

The Nominating Committee, Mrs. Juri Sprinkle, Mrs. Carl Horn and Mrs. Charles Meadows, reported the following officers for the coming year:

Mrs. Frank Layne, president; Mrs. Harry Ranier, vice-president; Mrs. Charles Meadows, recording secretary; Mrs. Martin Lee May, treasurer; and the following committee chairmen: Mrs. C. V. Kishpaugh, Church Activities; Mrs. Burt Taylor, Mission Study; Mrs. R. V. May, Student Work; Mrs. Ode Dorton, Literature and Publications; Mrs. Arthur Haywood, Youth Work; Mrs. Wm. Hugh Smith, Children's Work; Mrs. Dore Van John, Spiritual Life; Mrs. J. D. Mayo, Jr., Fellowship; Mrs. Denzil Wm. Henshaw, Membership; Mrs. Mabel Brannan, Stanzas of Women.

Following the Nominating Committee's report, an interesting program was given. Mrs. Burt Taylor in charge of the Devotional program, assisted by Mrs. Harry Ranier, Mrs. Arnold Compton, Mrs. Ode Dorton, Mrs. John Southerland and Mrs. C. V. Kishpaugh. Refreshments were served to Mrs. Martin Lee May, Mrs. N. L. May, Mrs. Harry Ranier, Mrs. Ode Dorton, Mrs. Burt Taylor, Mrs. Juri Sprinkle, Mrs. Frank Layne, Mrs. Burt Taylor, Mrs. C. V. Kishpaugh, Mrs. M. D. Mayo, Jr., Mrs. Ballard Osborne, Mrs. John W. Sutherland, Mrs. Fred Dickerson, Mrs. Hugh Smith, Mrs. Denzil Whitman, Mrs. Carl Horn, Miss Joy Cyrus, and Mrs. Latta Joy and Lucille Curtis.

CHILD IS VICTIM
The 11-month-old son of Mr. and Mrs. Channing Palmer, of Little Pains Creek, died Sunday following hemorrhage of blood vessels. Funeral rites were conducted from the Prater residence Tuesday morning, and burial was made under direction of the Arnold Funeral Home.

Detailed plans for the White building have been completed and bids will be received at the May meeting of the Board. Preliminary plans for the Wheeler building have been approved by the State Department of Education and detailed plans are being completed.

Plans for the Prestonsburg building are being held up until a proper site is secured. Mr. Hall said a modern high school building, representing the beginning of a high school plant sufficient to serve the larger area from which the school will draw its pupils for the next 25 to 30 years is contemplated, he said.

The State Department of Education has frowned on the addition of further buildings on the present high school site. Negotiations for a suitable site are under way. The Superintendent was authorized to procure plans and take the necessary steps toward effecting other buildings and improvements mentioned. It is hoped that it will be possible to replace a few other rural buildings that are inadequate and to make improvements in many of the schools not mentioned in this minimum program, the Superintendent added.

The resolution adopted by the Board is the auditorium-gymnasium at Davidson, and bids on this project are being asked in an advertisement appearing in this edition of The Times. The Princess-Bikorn Coal Company is a contributor on this work which was authorized some months ago by the Board but which has been delayed while approval of the State Department of Education was being obtained.

Next is the Wheelwright gymnasium, including a cafeteria and rooms for the Industrial Arts and Music departments. The Inland Steel Company is to be a contributor on this work.

Third project mentioned is a new high school building and grounds for Prestonsburg. Other new buildings proposed are an elementary school on an old site at Iagon, the Katy Friend and Forks of Bull school buildings. A new addition to the Dwell school was included in the resolution, as were a cafeteria for the Maytown school and inside the school.

(The Prestonsburg Board of Education at its last meeting decided to cancel all commitments made to the County Board in seeking a new high school building here. W. A. Spaulding, chairman of the City Board, said this week whatever agreement is reached will be the result of entirely new negotiations.)

All of this was described as badly needed projects which would represent considerable progress toward relieving the crowded situations which exist because of the accumulation of building needs during the war years of "no building" and increasing enrollment in concentrated areas.

The first part of the post-war program saw the replacing of buildings burned during the war period by modern fireproof buildings at Weeksbury and Lackey. The elementary building which was begun at Dwell Valley and stopped by the war was finished. Now nearing completion at Melvin is a modern fireproof elementary building which will help to relieve the extremely congested conditions in the whole upper Left Beaver area.

Detailed plans for the White building have been completed and bids will be received at the May meeting of the Board. Preliminary plans for the Wheeler building have been approved by the State Department of Education and detailed plans are being completed.

Plans for the Prestonsburg building are being held up until a proper site is secured. Floyd County Times

Official Organ for Floyd County, Ky.
Published Every Thursday
by
Prestonsburg Publishing Co.

Entered as second class matter June 14, 1927, at the postoffice at Prestonsburg, Ky., under the act of March 3, 1879.

Who Is Guilty, If Anybody?

If all the charges being hurled back and forth in this Floyd County Board of Education disagreement are true, perhaps a general housecleaning rather than a mere sifting of "dirty linen" is needed.

Mark this—we say, "If" we make no charges, those men involved in all this litigation are regarded by the writer of this editorial as his friends. No attempt is made to say all is not as it should be in this corner of Floyd county's official household.

But an impersonal, honest view of the whole affair leads the taxpayer and parent to reach certain conclusions:

If one member of the Board of Education, or two members, through business transactions violated the law to the extent that he or they forfeited their right to office, any others who "went along" with them in this alleged violation share their guilt.

The law is plain as to the penalty for such aberrations. This statute surely has been known to all connected with the board, all along. Whether or not it was done, back there in those days when all was harmonious, must have been within the full knowledge and consent of everybody who sat in on those meetings. In criminal law there are expressions such as "accessory before the fact" and just plain "accessory" which might apply.

The Attorney General or the State Department of Education might be interested. Apparently, the people of Floyd county aren't.

Revival

At Church of God, Prestonsburg, beginning Sunday, April 8, and Sunday, April 23. Services each evening at 7 o'clock. Rev. Harper Hunter, Louisville, Ky., evangelist. The public is cordially invited.

HALL'S CONCRETE BLOCKS

8" x 8" x 16" ... 24c Each

NEW CONCRETE BLOCK PLANT

Now operating on the South side of Allen "Y" on U.S. Highway No. 23 is one of the most modern CONCRETE BLOCK plants in Eastern Kentucky. This advantageous location permits SPEEDIER SERVICE AT LESS COST, thus proving itself a real MONEY SAVER for those who desire high quality concrete blocks at low cost. This new, modern plant is the result of four years of successful operation of a plant located at Banner, Ky.

Edgar H. Hall realized that high quality products at the lowest possible prices were to be produced at this plant, therefore, he employed factory engineers, draftsmen, etc., to make this plant by far the most modern in the Big Sandy valley.

Hall invites YOU to visit this new plant whether you need concrete blocks or not.

NEW CONCRETE BLOCK MACHINERY AND EQUIPMENT

The heart of the new plant is a "GoCorp, Jr." production machine which is rated from 1,500 to 2,500 8"x8"x16" concrete blocks per 8-hour day. The machine, like all modern block machines, produces blocks by vibration under hydraulic pressure. This latest method of manufacturing blocks insures each unit to be well COMPACTED. Solid type control, guarantees all blocks equal in height which gives an absolute HORIZONTAL LINE when laid into the wall.

This machine produces GROOVED MORTAR BEDS on all sides of each block. This gives a BETTER BOND between mortar and block. LARGE CORE SPACES provide the finished wall with more dead air space, thus eliminating the larger part of "wall sweating." A troweling action is imparted to each block as it leaves the machine. This tends to make each block HIGHLY WATER RESISTANT. But most important of all is the low price of this unique block: 8"x8"x16" BLOCKS 24c AT ALLEN. We deliver.

"HALL-ing blocks our specialty."

NEW MODERN METHODS OF MANUFACTURING CONCRETE BLOCKS

You will be pleased to know when you get your concrete blocks at Hall's new plant that each block is cured in a modern, low-pressure steam kiln which has been especially designed for curing concrete products. Furthermore, after proper kiln drying, the units are stockpiled for at least two weeks before they are offered to the market.

These extra precautions in curing each block well before it is laid in the wall insures you that we have taken the utmost care to guard against your FINISHED WALL CRACKING. BECAUSE OF SHINKAGE. As perhaps you know, many walls crack because uncured or "green" blocks were used when the wall was erected.

The use of WASHED AND SCREENED OHIO RIVER SAND AND GRAVEL as aggregate in all our units have proven very satisfactory to our many customers. But all this boasting is not enough. WE CAN SHOW YOU FAR BETTER THAN WE CAN TELL YOU. VISIT THE PLANT AT THE ALLEN "Y" AND SEE FOR YOURSELF.

Notice to Taxpayers

Sections 124.430 and 124.440, Kentucky Revised Statutes, provide that the Sheriff or tax collector shall levy ad valorem and all personal property, which includes motor vehicles of any kind, to satisfy delinquent taxes. This is mandatory upon the Sheriff or Tax Collector and this law requires him to sell this property.

There are many owners of cars and trucks who have not paid their taxes. You who own a car or truck know whether you have paid taxes or not. If they have not been paid, I shall proceed to advertise and sell. All delinquent tax bills, both personal and real estate, will be advertised for sale in the Floyd County Times in the issue of April 27. I will have the tax books for Fiscal District No. 2 at Wayland, Ky., on April 14 and 15, 28 and 29. Pay before advertised and save extra cost.

Funeral Rites Held Sunday Near Lancer For Amanda Baker

Funeral rites for Mrs. Amanda Dials Baker, 58 years old, wife of Jasper Baker, of Richardson, died Saturday at the Palmview hospital, were conducted Sunday and burial was made in the Walker Mayo cemetery on Brandy Kez, near Lancer.

Mrs. Baker, a daughter of Ed Dials and a former resident of the Brandy Kez community, died as a result of complications. It was said she is survived by her husband and one sister, Mrs. Jeff Skene, of this county. The funeral was conducted by her brother-in-law, the Rev. Sam Baker, and burial was made under direction of the Arnold Funeral Home.

Big Sandy League Play To Start April 30

MAROON QUINT DOWNS FLOYD STARS, 93-64

Outsourcing the Floyd County All-Stars game here Friday night, the Eastern touring "Maroon Quint" topped scoring heights to win, 93-64.

The barnstorming victors, appearing here under the sponsorship of the Prestonsburg Junior Chamber of Commerce, was the season runner-up of the college's 1950 team which won the Ohio Valley conference tournament at Louisville.

Contributing to the setback of the All-Stars was the lack of teamwork on the whole and the lack of being in top condition as compared to their college competition.

Gaining a game opening lead of 9 to 2, victory hopes of the county's best hoisters flared brightly for a few minutes but were soon short-lived. Before the half was up, the "Maroon Seniors" began to flash their OVC championship form and wound up with a halfime lead, 46-23.

During the last half, the college boys scored an additional 46 points while the local representation tallied 23.

Floyd, Maroon forward, collected individual high scoring honors with 23 points. He teammate, pivotman Marovich, lived up to his scoring expectations by tabbing 23.

Tommy Blackburn, scoring guard, led the losers with 21 points with forward Ray Turner marking up 13.

ATTENTION!

At a regular meeting of the Floyd County Fish and Game Club, held February 6, 1950 at Langley, Ky., the Club voted to sponsor a fishing contest this year. The following rules will govern:

1. The contest will consist of two divisions: (a) Smallmouth and Largemouth Black Bass and (b) Walleye division. The prizes shall be as follows:

BLACK BASS DIVISION—
First Prize—Pfeiffer Supreme Casting Reel

WALLEYE DIVISION—
First Prize—Shakespeare "President" Casting Reel

2. This contest is open to members of the Floyd County Fish and Game Club only, irrespective of residence, from January 1, 1950 to December 31, 1950.

3. No entry will be accepted of any fish caught outside the boundaries of the Seventh Conservation District, as defined by the Division of Game and Fish, comprising the counties of Pike, Floyd, Johnson, Letcher, Martin, Knott, Perry, Leslie, Breathitt and Magoffin.

4. Fish must be caught with pole and line only to be eligible for entry in this contest. (Cane pole, casting rod or fly rod using live or artificial bait.)

5. No contestant may receive more than one prize. In case of ties, the first entry received will be adjudged the winner provided the contestant has adhered to all rules and regulations herein set forth.

6. No other species of fish except Smallmouth Black Bass or Largemouth Black Bass and Walleyes will be permitted to be entered in this contest. To be eligible for a prize the Black Bass must be at least 15" long and the Walleye must be at least 18" long. Measurement from tip of closed mouth to the longest part of the tail will be considered correct. Size of fish will be determined by length, not by weight.

7. Taking of the fish need not be witnessed. However, at least two persons must witness the weighing and measuring of your fish.

8. Your entry must be on a special form which the Secretary of the club will provide immediately on request. To be eligible the special form must be returned to the club within 30 days after catch has been made. All fish caught between December 15, 1950 and December 31, 1950 must be entered not later than January 15, 1951.

9. Contest judges will be appointed by the president of the club at a later date and their decisions will be final.

10. All entries must be mailed to: John R. Baldridge, secretary, Floyd County Fish and Game Club, Langley, Kentucky.

11. All entries will become the property of the Floyd County Fish and Game Club and none can be returned.

PRESTONSBURG SHOW DOGS "GOING PLACES—MOSTLY FIRST PLACES" TO ENTER APRIL 10

OWSLEY COUNTY FOXHUNTERS ASSN. SHOW

Bidding for additional laurels to the already acquired honors which have marked them as one of the best pairs of show dogs in the state, Rowdy Higgins and Shade Grove, will enter the Owsley County Foxhunters Association bench show and field trials to be held near Jackson, April 10.

The owner, Henry Harris, West Prestonburg merchant, announced this week.

During 1948, the dogs entered six shows in competition with dogs in West Virginia and Kentucky and have accumulated 16 ribbons for their active presence. Six of them were firsts and three were seconds.

"You're up to the top of the good start in 1950 prize-winning at the recent bench show of the Wayne County (W.Va.) Foxhunters Association. They were awarded a blue ribbon as the best pair of dogs in the show."

In addition to the double-hound bench show, of this Grove by Molar Higgins, was selected and awarded a blue ribbon as the best male dog in the show.

CATS TO TEST GRID PROWESS IN SQUAD TILT

Prestonsburg Blackcats will test their spring growth in football in an intra-squad game at 7:30 p.m., tomorrow (Friday) night, Coach "Doc" Ferrell announced.

The test between the "Reds" and "Whites" will be staged in place of a planned scrimmage tilt with Paintsville. Ferrell explained that the K.S.A.A. Commissioner, Ted Sanford has banned any inter-school spring competition.

Following his announced policy of declaring all positions open regardless of past experience, Ferrell said that he would, at the termination of spring practice, grade the candidates on the effort shown.

Grading the effort shown, he said, would be greatly influenced by the comparative effort against the effort and achievement each boy is deemed capable of showing.

"In other words," Ferrell declared, "I absolutely will not have any softies and the boys have a fair chance to make their own marks—whether good or bad!"

"We expect to build a team," he continued, "will be one of the major determining factors in selecting the boys who earn the privilege of attending our football camp this fall at Camp Daniel Boone near Lexington."

Ferrell explained that Camp Daniel Boone was selected as the official fall training camp for the Blackcats because of its complete facilities and the proximity to Lexington.

"We chose a location near Lexington and the UK Wildcat football practice grounds in view of the possibility of securing occasional helpful scrutiny of UK Coach Paul Bryant and technical aid from some of the Kentucky players." The Blackcat mentor is a former UK grid luminary.

Individual Improvement
Practice thus far has shown quite a bit of individual improvement. Ferrell noted that coordinated play is not developed to the point expected. He said, "Our boys still lack necessary teamwork and their timing is off but that will soon be remedied."

"The individual performances are improved enough now so that we can go ahead successfully with me."

WARNING TO DOG OWNERS

At a regular meeting of the City Council of the City of Prestonburg, held on March 20, 1950, the following resolution was passed:

BE IT HEREBY RESOLVED:
That for the protection of the citizens of Prestonburg, the following measures will be adopted to ensure the vaccination of all dogs against rabies:

All dog owners must have their dogs vaccinated against rabies and procure a copper cross showing such vaccination for their dogs' collar, before April 15, 1950. Any dog appearing on the streets without a copper cross on its collar after April 15, 1950, will be shot by the Police Department.

Loop Names Malone President For Seventh Consecutive Season

Big Sandy Baseball League members will officially respond to the annual diamond cry of "Play Ball!" on Sunday, April 30, barring present unpredictable weather, it was decided Sunday by team representatives in an organizational meeting held at Allen.

Reorganization of the loop saw the election of 1950 officers and the acceptance of two new member teams.

W. Malone, Allen, was named president of the loop for the seventh consecutive year. Jess Cyrus, Pikeville, was named vice-president, and George Newman, Mt. Airy, secretary.

Tentatively accepted for membership were Paintsville and Prestonsburg. Malone said a next meeting would definitely show the 1950 membership.

Paintsville, which started with the league early last year, dropped out of league play in November and was replaced by a group of Pikeville players. With their own field accessible instead of a home field several miles away, the Johnson county boys expect to see the season through this year in the league.

With their own field accessible instead of a home field several miles away, the Johnson county boys expect to see the season through this year in the league.

Prestonsburg, without a team for a few years, is expected to complete organization of a full squad and round out final plans for league participation in a meeting this week.

Others with applications pending at the Sunday meeting were Indian Creek, Garrett, Emma and Wheelwright.

The 1949 BSL teams of Allen, Martin, Harold, Price, Henry Clay and Clear Creek (to play under the name of Mt. Airy this year) had representatives present, voted the acceptance of the two new members and indicated an intention of fielding the best team possible for the 1950 flag chase. Weekbury and Pikeville, last year's top competitors, had no one present to signify their 1950 participation in league play and were considered as dropped from the league for the time being.

Weekbury, however, informed league president Malone this week that their absence was unavoidable.

Eastern Student Wins National "Pool" Title For 2nd Straight Year

"Poolology" may not be listed on the school curriculum but nevertheless Leroy Kimmann, an apt student of Eastern State College, Richmond, has evidently learned his lessons well!

He is the national intercollegiate pocket billiard champion for the second consecutive year by virtue of retaining the title Saturday in the finals of the National Intercollegiate Billiard tournament at Case Tech in Cleveland, Ohio.

Kimmann was unbeaten in four matches. There were five entries in each division of the meet, which started Thursday.

A June 15 deadline was set for teams to file an eligibility list of players. After that date, each team will be allowed a squad of not more than 18 players.

Each team, it was voted, will play a 30-game schedule and the official close of the season was set for Labor Day, Monday, Sept. 4. A complete official schedule will be released within a few days, it was stated.

The next pre-season meeting of league officials and team managers is set for Sunday, April 16, at Allen.

Miss Frazer Becomes Bride Of Mr. Fetget, April 1st

Price, Ky., April 2 (Sp.)—Pur-
gum's Rest Baptist Church here
was the scene of the marriage on
Saturday evening, April 1, at 7:30
o'clock, of Miss Roberta Frazer,
daughter of Mr. and Mrs. L. G.
Frazer, of Price, and Mr. E. Hugh
Fetget, Jr., son of Mr. and Mrs. E.
H. Fetget, Sr., Wheelwright.

The Rev. Troy Nickles, pastor of
the church, read the double ring
ceremony. Mr. and Mrs. Wallace
Fraser, brother and sister-in-law
of the bride, acted as best man and
matron-of-honor. Little Rosemary
Moore was ringbearer. The bride,
lovely in a white gown, with a pearl
necklace and only jewelry, was given
in marriage by her father.

Approximately 200 relatives and
friends attended the nuptials and
inter were guests at a reception
given at the home of the bride's
parents.

The bride is a teacher in the
Wheelwright school. Mr. Fetget is
employed in the store of the Inland
Steel Company, Wheelwright, where
they will reside.

Important Facts about your Children's Feet

IT TAKES 20 YEARS TO GROW A PAIR OF FEET

... and only one pair of misfitted shoes to ruin them

During your child's formative years, his footwear is of utmost importance. His shoes must allow his feet to develop normally... without cramping and squeezing. Guard your child's foot health by insisting on correctly designed and correctly fitted footwear.

Directors of the golf club met last week with a committee representing Floyd county Boy Scouts for the purpose of using the grounds as a recreational headquarters for Boy Scouts at times that would not interfere with regular club activities. Plans are being formed to realize the golf grounds as a recreational camp for Scouts, Mandt stated.

The 1950 membership drive is being launched, he said, to make this year one of the biggest and most representative in the club's history. The Beaver Valley is one of the oldest golf clubs in Eastern Kentucky.

Kentucky Again Named To Sugar Bowl Meet

For the third consecutive year, the University of Kentucky Wildcats were named Saturday among the four nominated to participate in the 1950 Sugar Bowl Basketball Tournament at New Orleans, La. Named with the 1949 champ Wildcats were Bradley, St. Louis and Syracuse. Of the four named by the New Orleans Mid-Winter Sports Association, Sugar Bowl sponsor, only Syracuse is a newcomer to the tourney. St. Louis won the tourney title in 1948 and Kentucky in 1949 the latter defeating Bradley 71-66 for the title.
