

PRESTONSBURG, KENTUCKY

SPEAKING OF AND FOR FLOYD COUNTY

THURSDAY, MAY 7, 1964

This Town... That World

My brand of spring fever is unduly troublesome. I have relapses, and the fever lasts longer than the season.

'ROUND AND 'ROUND SHE GOES

A letter comes from a Virginia subscriber who tells us how many read the single copy of The Times which she receives (I hope) each week. "Here's where the paper goes before it winds up in the garbage can: to and then to and and, of course, my husband and I read it."

I've a mind to write each of those Blank-Blanks and suggest they stop hoarding their money and subscribe.

REWARD FOR STAY-AT-HOMES

Is anybody as pleased as we to have folks come back home from other states? Find somebody else who'll sell you something \$1.50 cheaper, just because you live in Floyd county. (Out-of-state subscription rate, \$5; in Floyd county, \$3.50.)

THE BITTER TRUTH

I have, on occasion, been accused of looking on the fish I caught with a magnifying glass. I hope I put to shame every miscreant who has ever accused me of lying when I say that Roy Ramey the other morning caught a fish almost exactly five pounds heavier than my latest catch. His bass weighed in at 5 1/4.

Friend of mine sends me the following which he read while in a hospital recently:

IT'S NOT ALWAYS EASY...

To apologize,
To begin over,
To admit error,
To take advice,
To be unselfish,
To keep on trying,
To be considerate,
To think, and then act,
To profit by mistakes,
To forgive and forget,
To shoulder a deserved blame,
But IT ALWAYS PAYS!

And this, overheard at a recent meeting here:

"Kentucky—the land of opportunity. We have enough Yankee blood in our veins to make us ambitious and enough Rebel blood to make us anxious for a change."

Know when most people look upward? When they're sick, flat or their backs.

(See Story No. 3, Page 8)

URBAN RENEWAL JOB HITS FINANCE SNAG

Options have been acquired on all property involved in Prestonsburg's two urban renewal projects—and yet the program faces a serious problem.

After the owner of last parcel of property had agreed Wednesday to sell, Clifford B. Latta, executive director of the Municipal Housing Commission, discussed with R. T. Judy, fiscal officer, Community Facilities Administration, Atlanta, Georgia, the possibility of an advance of temporary loan funds for the acquisition of property and demolition of existing structures on it. And he was told, in effect:

PRESS HEADS SLATE MEET

Seminar Is Scheduled
At May Lodge; Monday
Set for Travel Group

Between 30 and 40 Eastern Kentucky newspaper publishers and editors will attend the Kentucky Press Association seminar scheduled at May Lodge, Jenny Wiley State Park, Friday and Saturday.

The seminar is the fourth of a series being sponsored this year by KPA.

Panel discussions will include these topics: "Plugging the Leaks," a discussion of cost accounting; "Selling and Keeping Readers," dealing with news, features and pictorial journalism; "Keeping out of Trouble," discussing libel as well as new legislation.

The seminar banquet will be held Friday evening.

Next Monday night, May Lodge will have as guests 35 travel counselors representing automobile clubs in 11 states. The group will spend all next week touring state and national parks in Kentucky. Hosts for the tour are the Blue Grass (Lexington) and Louisville Automobile Clubs, the Department of State Parks, the Department of Public Information and National Parks Concessions.

PUBLIC HEARING SET ON STREET PROJECT

PROS, CONS OF PROGRAM ARE SOUGHT

Four Discussions Areas
Outlined; Grant Eases
\$751,000 Project Cost

The pros and cons, if any, of the proposed street-paving and sidewalk improvement project in Prestonsburg will be aired at a public hearing scheduled at the Municipal building May 15 at 7:30 p.m.

Notice of the hearing was published in The Times this week, and property-owners also will be advised of the meeting by mail.

At the hearing interested persons may be heard on four propositions: 1. Whether the proposed project should be undertaken or abandoned; 2. If the nature and scope of the undertaking should be altered; 3. If the project shall be financed through issuance of bonds according to the assessed value basis of property; or 4. If it shall be financed through assessments made and apportioned on a front-foot basis.

The estimated cost of paving 55 streets, of providing drainage where necessary and of constructing or reconstructing sidewalks on one or both sides of 35 streets is \$751,000.

Of this total cost, \$496,000 is covered by a federal grant.

If the project is finally approved, the city would issue \$265,000 worth of Improvement Assessment Bonds, payable over a period of two to twenty years. The Housing and Home Finance Agency has agreed to submit a bid for purchase of the bonds at their face value at 3-1/2% interest.

It was pointed out this week that if the street and sidewalk project should be abandoned, the \$496,000 federal grant would be jeopardized and in all probability lost.

Streets listed for surfacing or resurfacing, with gutters and drainage where needed, are:

Porter Lane, Neeley, Burke, Dickerson, Clifton, Jackson, Harris Lane, Margaret, Music, Francis Lane, North Arnold, Patton, North Central, Branham, Dingus, Hager, North Highland, Friend.

(See Story No. 5, Page 8)

March of Dimes Head Thanks Contributors; Wheelwright Highest

The March of Dimes chairman, Mrs. Lloyd Stumbo, wishes to thank the people of Floyd county for their generous and meaningful support, enabling the National Foundation to continue its efforts in extending a large measure of happiness and hope to infants and children stricken with crippling diseases and to move forward in a basic research program toward a goal of prevention and relief of human suffering.

(See Story No. 6, Page 3)

SUIT ASKS AUTO SALE

Confiscation Sought
By Harold J. Stumbo
Of Edwards Automobile

Suit was filed in circuit court last week by Commonwealth's Attorney Harold J. Stumbo to confiscate and sell an automobile operated by Claude Edmonds in the illegal transporting of intoxicating beverages in Floyd county.

Edmonds pleaded guilty April 25 to the transporting charge. The complaint alleges he was hauling the liquor in a 1956 four-door Plymouth, and the prosecutor claims this auto should be declared forfeit to the state under KRS 242.310. The Pikeville National Bank was made a party to the action because it holds an unpaid chattel mortgage on the auto in the sum of \$300.51.

Commonwealth's Attorney Stumbo said there are other property confiscation actions to be taken under the same section of the statute but that those cases which have been appealed cannot be subjected to confiscation and sale until a final decision is made by the higher court.

AWARD JOB ON PARKWAY

Kentucky Road Oiling
Is Successful Bidder
On 7-Mile Extension

The Kentucky Road Oiling Company has been awarded the contract for grade and drain construction of the remaining 7.1 miles of the Mountain Parkway extension from the Parkway, near Salsersville, to the Floyd-Magoffin county line.

The firm's bid of \$1.4 million was low on the project. The Winston Ford Construction Company, of Prestonsburg, will do approximately one-third of the work on the highway under sub-contract, it was said.

Work on the sector of the Parkway extension from the Floyd-Magoffin line to connect with the completed highway leading into Prestonsburg has been under way since last fall and is expected to be completed by August 1. Construction is being done by Greer Brothers and Young, Inc.

(See Story No. 8, Page 8)

FIRM LEASES RESTAURANT

Paintsville Company
Is Viewing Expansion
In Eastern Kentucky

The Appalachian Vending Corporation has leased from its owners the Kentucky Motel Restaurant here, it was announced this week.

The Kentucky Motel itself continues to be operated by its owners, with Mrs. Mollie Bays as the new manager.

Changes in the operation of the motel and restaurant were made following the death of Charles Conley, manager and part-owner of the two businesses.

Bill Bays, of Prestonsburg, has been named manager of the restaurant.

The Appalachian Vending Corporation has operated the restaurant at the Big Sandy Bowling Lanes, Paintsville, the last two years. It hopes, said Hank Rol-

(See Story No. 9, Page 8)

FLOYD COUNTY'S MUSIC FESTIVAL QUEEN will be selected here Saturday from this group of high school beauties. They are, from left, upper row—Jeanie K. Webb, Maytown; Betty Henry, McDowell; Anne Laferty, Prestonsburg; bottom row—Chrystilyn Wiley, Betsy Layne; Jonette Rae Halbert, Martin; Sharon Collins, Wheelwright.

BROCK GETS PEN TERM

For Minnie Burglary,
Theft of Money Orders;
Enters Plea of Guilty

James Taylor Brock, of Tulsa, Oklahoma, was sentenced to a three-year term on each of 20 counts in U. S. district court at Pikeville for offenses stemming from the robbery of the postoffice at Minnie, this county, last year.

He pleaded guilty to each count. His terms run concurrently.

Brock was indicted and arraigned, the same day. He was charged with burglarizing the Minnie postoffice and of taking government property from the office. Other counts charged him with passing money orders stolen from the office, at Prestonsburg, Salsersville, Mt. Sterling, Winchester, Maysville, Lexington and Frankfort. Other money orders taken from the Minnie postoffice were cashed at various places in and around Louisville, across southern Illinois and in St. Louis and Kansas City, Missouri.

Brock was arrested last January 2 by postal inspectors while attempting to negotiate one of the stolen money orders at a currency exchange in Chicago.

For taking checks from lock boxes of the Salsersville postoffice James Ernest Brown, Jimmy Hammonds and William Roy Patricia were given a year and a day on each count, the sentences to be served concurrently. They pleaded guilty before Judge B. T. Moynahan. The trio had cashed the checks in Prestonsburg and Paintsville.

SUPERVISORS TO END PACT FOR SOIL WORK

The Floyd County Soil Conservation District has taken action to sever all connection with the U. S. Department of Agriculture and the U. S. Soil Conservation Service.

The four surviving supervisors of the county soil conservation districts voted at last Thursday's meeting to take this action. (The fifth member, Roy R. Denney, was one of three persons shot to death near Drift recently.) The remaining members are J. B. Clarke, chairman, Billy Merritt, Milk Stanley and R. C. Barnett.

Notice that the district is withdrawing from its memorandum of understanding with the USDA and its supplemental memorandum with the U. S. Soil Conservation Service was mailed Tuesday to D. A. Williams, administrator, Soil & Water Conservation, USDA, Washington, D. C., and to other officials and agencies.

The severance, which becomes effective July 6, is the outgrowth of a long and apparently unsuccessful fight by the Floyd dis-

FLOYD MUSIC FEST SET HERE SATURDAY

The 1964 edition of the Floyd County Music Festival will be staged here Saturday, beginning at 10 a.m.

Each high school in the county will be represented by its band or festival queen candidate, or both. One of the girls selected by their respective schools to compete for the title will be crowned 1964 Festival Queen.

The parade will begin at 10 a.m., starting from the Prestonsburg grade school, moving down Court street past the judges' reviewing stand in front of the courthouse, on to First avenue, swinging right past the Floyd County Health Department and down Goble street to Arnold avenue. From there the line of march will lead to Friend street, then right to cross U.S. 23 and pass up Friend to Highland and return to the starting point.

At conclusion of the parade the festival queen will be crowned by County Superintendent Charles F. Clark.

Cooperating in an effort to make this year's the biggest and best of the long series of annual music festivals are the Prestonsburg Kiwanis Club, band directors, the Junior Chamber of Commerce, the Key Club of Prestonsburg high school, the Floyd County Emergency & Rescue Squad and the Prestonsburg police department.

Those planning to attend the festival are being reminded by these groups of parking restrictions in order to give the several bands adequate room. From 8 to 11 a.m. no parking will be permitted on Court street from

the postoffice to First avenue. Parking meters on the street will be covered as a reminder of this restriction.

The following places were suggested as parking areas during these hours: the Lee Shannon lot, next to Ball's Restaurant; the N. M. White lot, adjacent to the States Motel; both sides of First avenue, one side of Arnold avenue, one side of Third and one side of U. S. 23 as well as several side streets.

JUDGE SICK, TRIAL STOPS

Mullins, Martin Case
Continued; Physician
Advises Move of Judge

Illness of the trial judge brought to an abrupt end the third trial here last week of Deputy Sheriff's Troy Mullins and Marion Martin, charged with the slaying of Ex-Magistrate John May.

Special Judge James B. Stephenson, of Pikeville, had scheduled a night session to hear testimony in the case last Thursday but became ill before court could be reconvened. Next morning, he notified the regular judge, Hollie Conley, that his doctor had advised him against further activity of any kind for a time, and the jury was dismissed.

The extended term of court ended this week. Several whiskey cases in which defendants were charged with selling were scheduled for trial but were continued when Joe P. Tackett, defendants' counsel, notified the court that he could not be present because of the illness of his wife. Two liquor-selling cases, those against the East Kentucky Development Association, Inc., and George and Dorothy Hamilton, were continued when the principal witness, Nettie Slone, was not present. An attachment was issued for her.

Convictions had in circuit court within the week: Curtis Warrick, assault and battery, plea of guilty, \$75 fine; Afton Martin, possessing alcoholic beverages for the purpose of sale, plea of guilty, \$20 fine and 30 days in jail; L. B. Howard, reckless use of a deadly weapon, jury trial, \$50 fine and 10 days in jail; Paul Parsons, knowingly receiving stolen property, plea of guilty, one-year reformatory term.

The bond of Herbert Ousley, accused of transporting liquor, was forfeited when he failed to appear for trial. Probation was granted Eddie Coleman, who was convicted of child desertion and given a two-year term.

Cases dismissed and reasons given for dismissal:

Enoch Hatfield, malfeasance in office; H. S. Bean, issuing a worthless check, insufficient evidence; Shannon Slone, grand larceny; and Allen Moore, forgery, filed away, subject to redocket.

SALISBURY IS SILENT UNDER QUESTIONING

Spears Fined \$100, License Suspended By Trial Commissioner

A quarterly court jury Monday fined Larry Joe Spears \$100, and his driver's license was suspended six months by Trial Commissioner Glenn Burchett.

Pleas of guilty resulted in fines of \$10 and costs for Bruce Wilcox, charged with drunkenness, and Gordon Lee Porter, who was accused of spreading false rumors.

(James Shelby Reynolds, who was given a suspended jail term recently on a plea of guilty to a liquor possession charge, was not taken before County Judge Henry Shumbo. The case was heard by Magistrate Bryant DeRossett.)

STUDY GROUP MAKES PLANS

Committee Chairmen
Appointed To View
Many Area Problems

Floyd county civic leaders and others from adjoining counties met Tuesday evening at May Lodge, Jenny Wiley State Park, to hear reports from committees that had been studying area problems. Paul Gearheart, president of the Harold Telephone Company, presided.

Purpose of the program, which was initiated recently, is to formulate an overall development program for the county.

"Some people feel that the type of planning we are doing is most important," said Robert M. Jones, Floyd county agent. "I am sure it will become even more important as the war on poverty and the Appalachian program reaches the act stages."

Gearheart, in his preliminary remarks, said that only by clear thinking and aggressive action could Eastern Kentucky's problems be solved. He added that the group present was evidence that many people were giving the county's problems serious thought.

Several committee chairmen were appointed and each will assemble a group of committeemen to assist them, it is said. The next meeting is slated the first Tuesday in June.

H. D. Fitzpatrick, Jr., was named to head the welfare study committee; W. J. Reynolds, Jr., was picked to head the education study group. Rev. T. H. Chisholm was appointed to lead the study group on tourism. Steve Clark, Wheelwright businessman and

(See Story No. 4, Page 8)

SEPTEMBER GRAND JURY ACTION SEEN

Prosecutor Continues
Slaying Investigation;
Amba Girl Not Charged

No special grand jury session will be called for the investigation of the triple-slaying for which Roy Salisbury, 34, is held in jail here without bond. Circuit Judge Hollie Conley indicated here this week.

Judge Conley said such grand jury action now would serve no good purpose, since a trial cannot be had until the September criminal term of court and a grand jury will be empaneled on the first day of that term to act in this case.

Trial of the case is expected at the earliest possible date. Meanwhile, Commonwealth's Attorney Harold J. Stumbo continued to work on the case.

The accused slayer of Mr. and Mrs. Roy R. Denney and Thomas Spencer Combs maintains complete silence when the case is discussed or when he is questioned. Dr. Champ Ligon, Lexington, Eastern State Hospital psychiatrist, undertook an examination of Salisbury in his cell at the county jail this week. The accused man said nothing. Wednesday morning, he was visited by another, who said that he was sitting with his eyes open when he entered the cell but that when he questioned Salisbury the prisoner's eyes closed tight and he said nothing.

Salisbury's appetite is good and he is quiet, a turnkey said. He makes his needs for cigarettes or other items known to trustees, the turnkey said.

No charge has been filed against 15-year-old Lynda Sue Reynolds, who told authorities she shot and killed her father, Riley Reynolds, 33, at his store.

(See Story No. 7, Page 8)

Construction Worker Claimed At Hospital

Bradford Bowie, 51, construction worker employed by Greer Bros. Construction Co., on the Mountain Parkway near here, died Wednesday at 1:45 a.m. at the Prestonsburg General hospital. Death was attributed to a heart attack.

The body was removed Wednesday to the Bowie home at Dry Ridge, Ky., by Carter & Callihan Funeral Home.

PRESTONSBURG PUPIL WINS SPELLING BEE

WINNER

RUNNER-UP

Twelve-year-old Stephanie Midkiff, sixth grade pupil of the Prestonsburg grade school, emerged the winner of the annual Floyd county spelling bee held here, April 25, as she outlasted and outspelled 23 other school champions.

Both she and the runner-up, Rosemary Frazier, 14, of the Martin school's eighth grade, will represent Floyd county May 9 in the Tri-State spelling bee to be held at Huntington under auspices of the Huntington Herald Dispatch.

The winner there will go to Washington for the national finals.

TO GIVE BAND CONCERT

William Baker Burke, instructor of the high school band at Ironton, Ohio, will give a band concert there, Friday evening of this week. His parents, Mr. and Mrs. E. R. Burke, will leave Friday to attend the concert.

AT INEZ

Ellis Slone and Mrs. Louise Elkins visited his daughter, Mrs. Robert Muncey, and Mr. Muncey at Inez last Sunday.

MOVE TO APARTMENTS

Mr. and Mrs. Greenville R. Spradlin have moved into the Neeley Apartments on North Lake Drive.

HERE FROM ASHLAND

Kilmer Combs, of Ashland, was here last week on business and greeting friends.

HERE ON BUSINESS

Mrs. Iley B. Browning, of Henderson, is here this week on business. She will be at the May Lodge.

ARRIVES HOME

Adrian Collins, who has been visiting his son, Dr. Adrian Collins, Jr., and family at South Shore, Ky., while receiving medical treatments at Central Baptist hospital, Lexington, came home Tuesday to stay for awhile.

GUESTS AT MEETING

A dinner meeting of the Johnson County Historical Society was held at the Paintsville Country Club last Thursday at 6:30 p.m. W. A. Wentworth, of Frankfort, chairman of the Kentucky Historical Highway Markers Program, and Henry P. Scaff, president of the Floyd County Historical Society, and associate editor of the Floyd County Times, were guest-speakers. The program officially dedicated three Civil War markers, erected in Johnson county by the Department of Highways and the Historical Markers Program. Mrs. Edith F. James, accompanied by Mrs. Claude P. Stephens, added to the program with the rendition of Civil War songs.

SUPPER GUESTS

Mr. and Mrs. Willie Mellon entertained to supper at their home on Maple street, April 27, Rev. and Mrs. Hugh Smith, of Lexington. Rev. Smith, formerly was pastor of the First Methodist Church here.

SPENDS WEEK-END HERE

Miss Mary Jo Shivel, student at Eastern Kentucky State College, Richmond, spent the week-end here with her parents, Mr. and Mrs. Luther Shivel. Her uncle, Tom Fields, accompanied her back to school, visiting his sisters in Lexington while en route home.

VISITING HERE

Mrs. Lily Stephens, of Salyersville, is spending this week here with the Rev. and Mrs. Harry Stoneking, at the Methodist parsonage.

DERBY GUESTS

Mr. and Mrs. Garland H. Rice entertained a "Derby party" Saturday at their home in Paintsville. Covers for dinner were laid for Mrs. Joe M. Davidson, Mrs. Ruth D. Sowards, Mrs. Rebecca Dingus, Miss Lucille Rice and Mr. and Mrs. Rice.

HERE FROM NEW JERSEY

Airman First Class Thomas J. Allen, Jr., and family arrived Monday from McGuire Air Base, N. J., to spend his furlough here with his parents, Mr. and Mrs. T. J. Allen, Sr., and at Martin with Mrs. Allen's parents, Mr. and Mrs. W. F. Braddock.

SPEND WEEK-END HERE

Mr. and Mrs. William Pickle, of Lexington, spent the week-end here with her aunt, Mrs. C. M. Bowers, on Graham street.

Society News

Phone 886-3052

SUNDAY GUESTS

Mrs. Ruth D. Sowards entertained to luncheon Sunday Mr. and Mrs. G. H. Rice, of Paintsville, and Mrs. Rebecca Dingus. In the afternoon they attended the opening of the Golden Years Rest Home at Lackey.

D. A. R. MEETING SLATED

John Graham Chapter, Daughters of the American Revolution, will meet, Tuesday evening at 7:30 with Mrs. Sallie Ligon Clark at her home on Arnold Avenue. New officers who were not installed at the April meeting are requested to be present for their installation. The new regent, Mrs. Edith F. James, will preside at the meeting.

HOME FROM HOSPITAL

Bill Hubbard returned home, the latter part of last week, from an Ashland hospital where he has had medical treatment for several weeks. He will return there in three months for a checkup.

CHURCH SHOWER

The Woman's Missionary Union of Irene Cole Memorial Baptist Church sponsored a kitchen shower for the Church Annex, Monday evening.

ADMITTED TO HOSPITAL

Mrs. Lee Cox was admitted to the Prestonsburg General hospital Saturday, suffering with arthritis.

SUFFERING FROM FALL

F. T. Jones, of Drift, was admitted to the Beaver Valley hospital at Martin last week, suffering from a fall at his home.

IN LOCAL HOSPITAL

Mrs. F. L. Heinze was admitted to the Prestonsburg General hospital, Monday, suffering from arthritis. Her many friends wish for her a speedy recovery.

RECITAL DATE CHANGED

The Edith F. James voice and piano recital will be held Monday at the Presbyterian Church instead of Sunday at Garfield Place, as originally planned.

IN LEXINGTON

Mr. and Mrs. Winston Ford, Jr., and daughter, Leslie, spent the week-end in Lexington on business.

HERE FOR VISIT

Mrs. Kenneth Verley and children, of Montgomery, Alabama, are here for a visit with her parents, Mr. and Mrs. J. B. Ford, on Riverside. Her parents met her in Sweetwater, Tenn., accompanying her here.

VISITING HERE

Mrs. G. R. Allen, of Ashland, is here this week visiting friends. On Monday, she was luncheon guest of Mrs. Sallie G. Clark. She will visit Mrs. Grace D. Ford and Mrs. Paul Francis.

VISIT IN LOUISVILLE

Mr. and Mrs. Tom Bowling and baby and Mrs. Myrtle Allen visited Mr. Bowling's mother in Louisville, last week. Their daughters, Terry and Julia, visited their Marcum grandparents in Lexington at the time.

ATTEND DERBY

Among those attending the Derby in Louisville, Saturday, were Mr. and Mrs. H. D. Fitzpatrick, Frank Fitzpatrick and Jane Mayo Fitzpatrick. George T. Roberts, Mr. and Mrs. Greenville Spradlin, Mr. and Mrs. Marvin Music.

Advertisement for Bids

Project No. APW-Ky.-251GL
(PFL-Ky.-648)
City of Prestonsburg

Prestonsburg, Kentucky, Owner
Separate sealed bids for construction of the Prestonsburg Street Improvement Project for the City of Prestonsburg, Floyd County, Kentucky, will be received by City of Prestonsburg at the offices in the Municipal building until 2:00 p.m. E.S.T., May 25, 1964, and then at said offices publicly opened and read aloud.

The information for bidders, form of bid, form of Contract, plans, specifications, and forms of bid bonds, performance bond, payment bond, and other Contract documents may be examined at the following places:

Office of Prestonsburg Engineering Company, Engineer, Prestonsburg, Kentucky. P. W. Dodge Office: 840 Barret Avenue, Louisville, Kentucky; 2528 Kemper Lane, Cincinnati, Ohio; 1522 Laurel Street, Nashville, Tennessee; 609½ Tennessee Avenue, Charleston, West Virginia; Rt. 11, U.S. 23 near Airport Road, Kingsport, Tennessee; Phelps Building, Lexington, Kentucky.

Copies may be obtained at the office of Prestonsburg Engineering Company, Fitzpatrick Building, Prestonsburg, Kentucky, upon payment of \$40.00 for each set. Any unsuccessful bidder upon returning such set promptly and in good condition, will be refunded his payment, and any non-bidder upon returning such a set will be refunded \$15.00. The OWNER reserves the right to waive any informalities or to reject any or all bids.

Each bidder must deposit with his bid, security in the amount, form, and subject to the conditions provided in the Information for Bidders.

Attention of bidders is particularly called to the requirements as to Conditions of Employment to be observed and minimum wage rates to be paid under the Contract.

No bidder may withdraw his bid within 30 days after the actual date of the opening thereof.

CITY OF PRESTONSBURG, KENTUCKY
DR. GEORGE P. ARCHER, Mayor

William M. Bevins, 77, Of Printer, Is Victim; Funeral Held Saturday

William M. Bevins, 77, of Printer, died April 29 at Our Lady of the Way hospital, Martin, from a heart attack he suffered 12 days earlier. He was a retired miner.

Mr. Bevins was a native of Pike county, a son of William and Sarah Ward Bevins. He was a member of the Christian Church for 41 years, was a member of the I.O.O.F. lodge, Prestonsburg, and of Masonic Lodge No. 376, Detroit, Michigan.

His wife, Hattie Gilliam Bevins, preceded him in death. Surviving sons and daughters are William Oakie Bevins, of Printer, Bailey P., Detroit, John, San Francisco, California, Sidney, Los Angeles, California, Mrs. Flossie Davidson, Grand Rapids, Michigan, Miss Virginia Bevins, Providence, Rhode Island, and Mrs. Myrtle Linsg, Camarillo, California. One half-brother, John Brown, Gilbert, West Virginia, survives.

Funeral rites were conducted Saturday from the home of Sea Edwards, Coal Run, Kentucky, the Revs. Jarrett Gross and Don Castle officiating. Burial was made in the family cemetery at Coal Run under the direction of Hall Brothers Funeral Home.

RECRUITER ANNOUNCES SCHEDULE

Navy Recruiter C. R. Tate announced a new schedule for interview dates and locations this week for prospective enlistees.

On the first and third Tuesdays of each month he will be at Martin, Langley, Garrett and Wayland; on the second and fourth Tuesdays he will visit Wheelwright, McDowell and Betsy Layne. Wednesdays, he will be in Prestonsburg all day.

Franklin T. Jones, 60, Succumbs At Hospital; Funeral Set Saturday

Franklin Talmadge Jones, 60, of Drift, died Wednesday at 3 p.m. at the Beaver Valley hospital, Martin. He had been in ill health four years.

Mr. Jones was a former superintendent of the Beaver Coal and Mining Company at Drift and was at one time sales engineer for the Coal Bit Company, Prestonsburg. He was a native of Virginia and had been associated with Floyd county mining interests since he came here in 1939. At the time of death he was mine foreman for Kennoth Coal Company.

He was a member of Wheelwright Masonic Lodge No. 889, of Zebulon Lodge No. 273, F. & A. M., Prestonsburg, and Adah Chapter, O.E.S. He was a member of the Drift Presbyterian Church.

He was a son of the late R. C. Jones and Emily Hayes Jones. His wife, Thelma Green Jones, survives. Surviving daughters are Mrs. Howard Stickler and Mrs. Archie Fugate, both of Drift.

Funeral services will be conducted Saturday at 1 p.m. from the Drift Presbyterian Church, the Rev. Wray Miller officiating. Burial will be made in the Englewood cemetery at Hazard with joint Masonic rites by the Wheelwright and Prestonsburg lodges. Burial will be made under the direction of Hall Brothers Funeral Home.

Active pallbearers will be Hugo Miller, Roe Turner, Ben Martin, Horton Hewlett, Cleo Hale, Glenn Burton, DeGarmo DeRossett and Ernest Prater. Honorary pallbearers will be W. L. Reed, B. F. Reed, William Hoffman, B. A. Reed, D. A. Reed, John D. Evans, Curtis Elkins, Fred Vescio, Jake Kimberlain, Burton Collins, Wayne Shumbo, Lacey Blackburn, John Warrick, Adrian Hall, Jobie Chick, Luther Shivel, Franklin Salisbury and Dewey Sargent.

Girl Scout Council Sets Luncheon Meet At Jenny Wiley Park

A meeting of the board of directors of the Wilderness Road Girl Scout Council will be held at May Lodge, Jenny Wiley State Park, Tuesday, May 12, at 10:30 a.m., with luncheon at 12.

This will be an open meeting, and all interested adult Scouters are invited to attend. The members of the board who will be attending are Mrs. H. M. Hukle, Robert C. Stitz, Charles McIntosh, C. W. Sulter, Mrs. R. B. Isenhour, of Lexington; Mrs. Mark Frishe, Frankfort; Mrs. Alex Spencer, West Liberty; Mrs. Ben Hieronymus, Somerset; Mrs. C. E. Ball, Harlan; Mrs. Harry M. Hoe, Mrs. C. M. McDaniell, Middlesboro; Mrs. Edward P. Hill and Mrs. Fred Francis, Prestonsburg. Members of the professional staff of Wilderness Road Council include Mrs. Philip Emrath, executive director, Mrs. Ann Grey, special field adviser, Bob Rose, program services. Others attending will be Mrs. R. V. May, Prestonsburg, and Mrs. Judy Drukker, Berea, committee members of Region Four.

Isaac Watson Moles, 64, Of Justell, Succumbs; Burial, Layne Cemetery

Isaac Watson Moles, 64, of Justell, died Tuesday at 11:45 p.m. at home. Death was sudden and unexpected and was attributed to a heart attack. He was a former miner.

Mr. Moles was a son of Mrs. Ellen Howell Watson Moles, of Justell, and the late Melvin Watson. He was not married.

A brother, Richard Moles, of Justell, and a sister, Mrs. Don Kidd, of Catlettsburg, survive.

Funeral rites were conducted today (Thursday) at 1 p.m. from the home of his mother, the Revs. Lennie Boyd and Walter Akers officiating. Burial was made in the Layne cemetery at Justell under the direction of Carter & Callihan Funeral Home.

Darrell Stratton, 61, Of Stanville, Victim; Funeral Held Sunday

Darrell Stratton, 61, Stanville, died Friday at home. He had been in ill health a year. He was a miner.

Mr. Stratton was a son of R. P. Stratton and Helen Williamson Stratton. His wife, Thora Brewer Stratton, preceded him in death. He was a member of the Church of Latter Day Saints.

Surviving sons and daughters are Jack R. Stratton, Wyandotte, Michigan, Arthur D. Stratton, Ypsilanti, Michigan, James Stratton, Mrs. Polly Hall, both of Stanville, Mrs. Billy Thompson, of Bolman, and Mrs. Bonnie Newsome, Taylor, Michigan. Two brothers and a sister surviving are Sparrell Stratton, of Betsy Layne, Edward Stratton, and Mrs. Octavia Lewis, both of Stanville. One half-sister, Miss Alice Stratton, of Stanville, survives.

Funeral rites were conducted Sunday at 2 p.m. from the Betsy Layne Free Will Baptist Church, ministers of that church officiating. Burial was made in the Stratton cemetery at Stanville under the direction of Hall Brothers Funeral Home.

To the Citizens
of Floyd County:

On Tuesday, May 26, you will join 26 other counties, in selecting the Democratic and Republican nominees for the office of Judge of the Court of Appeals of Kentucky, for the Seventh District. The citizens of the other 94 counties of the state will be interested in knowing you select the best qualified candidate for the office.

The Court of Appeals of Kentucky, has the final decision to make in all litigation affecting the lives and property of the entire State of Kentucky. Therefore, it is a very important office, and I know you will want to select the candidate of whom you will be proud. In selecting a judge for this high office, I believe there should be only one question in your mind. That question is: WHO IS THE BEST QUALIFIED, FROM THE STANDPOINT OF INTEGRITY AND EXPERIENCE?

During the period I served you as County Judge, our county debts were reduced from a MILLION dollars to less than half that amount. I hope all will agree I did not graft, or become involved in any shady schemes unfaithful to the taxpayers. I have also served you honestly and fairly as your Circuit Judge for 18 years. With the exception of E. B. Beatty, I am the only candidate with any EXPERIENCE, as a TRIAL JUDGE.

I have been working in the other 25 counties, and have not been able to feel it necessary to campaign in Floyd county, where you people know me.

We have a good county, a good state. We are entitled to good government, honest and qualified judges. As my final appeal to you, let me urge you to think upon these things before casting your votes.

Respectfully yours,
EDWARD P. HILL(Pol. adv.)
5-7-64Mrs. Minnie L. Hatcher,
Age 81, of Harold, Dies
At Huntington Hospital

Mrs. Minnie Ellen Layne Hatcher, 81, of Harold, died Monday at 7:30 a.m. at St. Mary's hospital, Huntington. She was ill several weeks.

Mrs. Hatcher was the widow of G. F. Hatcher, who died in 1939, and a daughter of Tandy M. and Lucinda Mahan Layne. She was a lifelong member of the Methodist Church and of the Woman's Society of Christian Service. She was a charter member of the Vogel-Day Methodist Church at Boldman.

Surviving sons and daughters are Carl P. Hatcher, Pikeville, Andy K. Hatcher, Huntington, West Virginia, Mrs. Mae Hinchman, also of Huntington, Mrs. Grace Perdue, Ceredo, West Virginia, and Miss Belle Hatcher, of Harold. One sister, Mrs. Allie Marrs, of Harold, survives. Surviving also are four grandchildren and 12 great-grandchildren.

Funeral rites were conducted today (Thursday) at 2 p.m. from the Vogel-Day Methodist Church, the Revs. Everett Brown and Robert L. Anderson officiating. Burial was made in the Hatcher family cemetery at Harold under the direction of Baker Funeral Home.

Four Floyd Students
To Complete Classes
In Nursing, May 8

Four of the six students of practical nursing who will finish their classes at the Methodist hospital, Pikeville, May 8, are from Floyd county.

The School of Licensed Practical Nurses, which began at the hospital in 1955, is affiliated with the Mayo State Vocational School at Paintsville, and has had 112 graduates. Many of the graduating students remain in the area.

Students of the graduating class this year are: Florence Birchfield, Route 1, Pikeville; Brenda Centers, Hueysville; Edwena Davis, Pico; Geraldine Osborne, Wheelwright; Kay Webb, Stanville, and Mildred Welch, Melvin.

The minimum age of student practical nurses is 17 years. Four years of high school is required if the student is under 25 and at least one year of high school or equivalent if over 25 years of age. The duration of the course is one year, including holidays and two weeks' vacation. Eighteen weeks are spent in classroom instruction and laboratory practice, gaining basic knowledge and developing attitudes and skills essential for actual nursing practice. Thirty-two weeks are spent in clinical practice at the Methodist hospital.

Mrs. Palmer Salisbury, of Pikeville, is the instructor for Mayo State Vocational School in classroom and clinical practice at the hospital.

Graduation ceremonies will be held at Mayo State Vocational School in Paintsville, next month. The students then take their state board examination July 7 in Louisville. When the examination is passed they are licensed by the Kentucky Board of Nursing Education and Nurse Registration.

New classes will start at the hospital, May 25.

Berry Tackett, 54, Dies
After 3-Month Illness;
Coal Operator 17 Years

Berry Tackett, 54, of Teaberry, died April 28 at home following an illness of three months. He suffered from silicosis. He was a coal operator for 17 years.

Mr. Tackett was a son of Mrs. Hannah Jones Tackett, of Beaver, and the late Andy Tackett. He was twice married, first to Elva Hamilton Tackett, who preceded him in death. His second wife, Mahala Tackett, survives.

Surviving sons and daughters are Paul Tackett, John E. Tackett, Mrs. Margie Kiser and Mrs. Opal Pearl Reynolds, all of Beaver, Sterling Tackett, Jimmy Wendell Tackett and Mrs. Olga Hamilton, all of Teaberry. One sister, Mrs. Anzie Osborne, of Teaberry, survives.

Funeral rites were conducted Saturday at 10 a.m. from the home, the Revs. Jerry Hall and Hershell Hamilton officiating. Burial was made in the Tackett Fork cemetery at Beaver under the direction of Hall Bros. Funeral Home.

Will (Hoot) Johnson,
Of Dema, Dies Monday;
Heart Attack Victim

Will (Hoot) Johnson, 65, of Dema, died Monday at home of a heart attack. He had been in ill health six years. He was a miner.

Mr. Johnson was a son of Dave and Linn Hall Johnson. His wife, Lotia Keene Johnson, survives.

Surviving is one son, Andy Johnson, of Minnie. Surviving brother and four sisters are Press Johnson, of Topmost, Mrs. Becky Johnson, Mrs. Susie Leddie and Mrs. Polly Ricky, all of Athens, O., and Mrs. Louise Johnson, Columbus, Ohio.

Funeral services were held today (Thursday) at 10 a.m. at the home, the Revs. Mack McCloud, Jerry Hall and Marion

SHORT SWEDISH PROGRAM
BREAKS CIGARETTE HABIT

Smokers who have attempted without success to break the cigarette habit may find the answer to their problem in a ten-day medical treatment developed in Sweden, writes Lois Mattox Miller in a May Reader's Digest article, "The Dilemma of the 'Problem Smoker.'"

The treatment, pioneered by Dr. Borje E. V. Ejrup of the famous Karolinska Institute, uses lobeline, a chemical originally extracted from a weed that grows wild in the Great Smoky Mountains but which can now be produced synthetically. Chemically, lobeline is closely related to nicotine, and its effects are similar. Thus it can decrease the most nagging symptom of tobacco withdrawal—the craving for nicotine.

Dr. Ejrup's program begins with a detailed recording of the patient's smoking history. Then the smoker studies a book on the effects of smoking, and discusses his smoking problem at length with the doctor who is treating him. During the ten-day treatment, new problems may arise, and the patient is always given a chance to discuss them with his doctor.

"The most important aspect of this program," says Dr. Ejrup, "is the education of the patient regarding his smoking habit."

Six Swedish clinics have treated more than 6,000 patients in the last eight years. Says Dr. Ejrup: "Of the persons who took the ten-

day treatment 75.8 percent stopped smoking entirely, and 21.7 percent decreased their cigarette consumption to one-fourth or less of what they consumed before therapy." Most of those who relapse switch to pipes or cigars, or smoke only a few cigarettes per day.

(Would this "weed that grows wild in the Great Smoky Mountains" be the lobelia found in Eastern Kentucky?—Editor.)

Pyramid Resident Dies
At Hospital; Funeral
Rites Held At Goodloe

W. M. Frasure, 63, of Pyramid, died Tuesday night at the Prestonsburg General hospital. He had been in ill health ten years, seriously so only a few days. He was a farmer.

Mr. Frasure was a son of Eph and Lyda Sturgill and a native of the Middle Creek section. He was a member of the Church of God.

His wife, Mary, survives, as does a half-sister, Mrs. Bill Price, Coeburn, Virginia.

Funeral rites were conducted today (Thursday) at 10 a.m. from the Goodloe Church of God, the Rev. Forrester Prater and others officiating. Burial was made in the Thornsbury cemetery at Pyramid under the direction of Floyd Funeral Home.

THE FLOYD COUNTY TIMES

Published Every Thursday by

Prestonsburg Publishing Company

NORMAN ALLEN Editor

Subscription Rates Per Year:
In Floyd County, \$3.50 • Elsewhere in Kentucky, \$4.00
Outside Kentucky, \$5.00

Entered as second class matter June 18, 1927, at the postoffice at Prestonsburg, Kentucky, under the act of March 3, 1879.

They Assert Their Independence

The Times regrets that supervisors of the Floyd County Soil Conservation District have encountered a situation which so outrages their sense of justice that they have at last decided to terminate their connection with the U. S. Soil and Water Conservation Service.

These men arrived at their decision after long months of pleading the case of L. R. Johnson, former work unit conservationist with whom they had worked with outstanding success over a period of twelve years.

A stream improvement project was undertaken on Left Beaver Creek, near Drift, at a time when Mr. Johnson was charged with the responsibility of getting immediate action on 80 or more emergency flood-damage projects. The adjacent highway was damaged—according to the supervisors, largely because a second flood came while the work was being done on the stream.

Homer A. Taff, state conservationist, then set out to effect either the demotion or discharge of Mr. Johnson, but as the result of a hearing held here, failed.

Yet Mr. Taff—in his adamant resolve to penalize a 28-year veteran of the service who never before had been charged with any failure to perform his duties as expected by his superiors—refused to reinstate Johnson to his post as work unit conservationist, and replaced him in that capacity with another man.

The supervisors to a man pleaded Johnson's cause. Farmers from various parts of the county added their support. County and state officials and federal representatives joined in recognizing Mr. Johnson as a good citizen and an energetic, effective conservation leader. Such unanimity of unqualified support for an individual is seldom known in these parts.

But all their petitions for a little of the spirit of forgiveness were wasted.

And so, holding that they who are here on the scene and all those others who sided with them are not wrong because one man stubbornly insists that only he is right, and determined that if they are to function as representatives of the farm people of this county they cannot be subservient to the stubborn caprice of one man, the soil conservation district supervisors have reluctantly decided to end an intolerable situation by cutting years-long ties with the Soil Conservation Service.

This does not mean that farmers cannot share in benefits as before, and, since that is the case, we hold that the action they have taken is right.

NATURE TRAILS

By RUFUS M. REED

SMELL AN ANT

Did you ever smell of an ant? Really, an ant smells delicious, something like the odor of beehive honey. This is perhaps due to the secretion of formic acid by the ant's body, which they use to mark out their trails.

The ant must smell good and sweet to the flicker—and some other birds. The flicker uses the odor of ants as a courtship perfume in the spring. If you watch one of these big birds around the lawn, it will perch beside an ant's nest, and when it captures one in its bill, it will take the ant and rub it all over the wings and feathers. This strange ritual is kept up for an hour or more—and then the flicker is off, "all perfumed up," to call on his lady-love.

THE SENSE OF SMELL OF FISH

How well can fish smell odors, as compared to humans? They seem to have a well-developed sense of smell, as has been shown by tests. The odor of human hands is repulsive to the sensitive nostrils of a fish. If fish bait is put on the hook with grimy, sweaty hands, the fish won't bite! It has been shown that bait handled by clean, dry hands will more readily attract the fish to bite. Fish violently abhor the odor of all insect repellents and the odor of suntan lotions.

Human saliva must smell very good to fish—did you ever notice small boys spitting on their bait before casting in the hook? They have a sound reason for doing so, for fish seem to like the odor of sputum. Certain fish, like the bass and the pike, go strong for the musk odors; the catfish go after the smell of aromatic oils and oil of anise.

The bladder of a fish acts as a sounding board, or resonator, or perhaps an amplifier. The swim bladder is connected to the inner ear of a fish by a three-link chain of three small bones called ossicles; so the fish can detect vibrations, even the sound of feet walking on the shore of a pond. A person walking on the ground will cause vibrations which carry into the water and are picked up by the resonator of the fish; thus they are warned of the approach of danger on the dry land. Catfish and carp are especially sensitive to sound vibrations—that's why they act spooky and will hide from intruders. A wounded fish also has a way of sending out vibrations to the other fish, causing them to flee in panic.

WATCH TENDENCY

Children prone to tease or hurt any animal should be carefully watched and also taught that this is wrong. Boys should never be allowed to tie cats together and put them over a wire, in order to watch them claw and fight one another, and boys who tie tin cans to a dog's tail for the thrill of seeing the dog flee in terror should be most severely reprimanded.

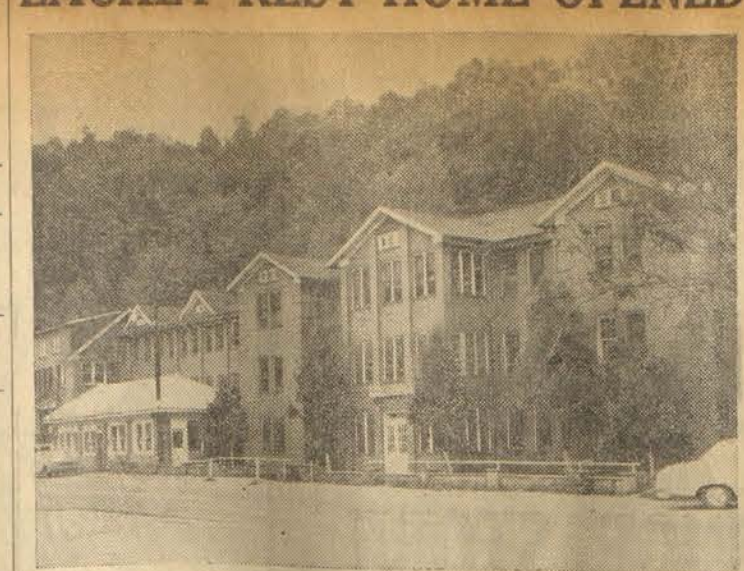

Recently two small boys about eight went out one evening to hunt up a stray cat to hang. They had heard exciting stories about hanging things and decided to enjoy the thrill of seeing something strung up to die. Failing to find a cat to hang, they found a two-year old baby toddling around in the street outside and began to beat it up. They no doubt would have killed the child and strung her up, had not her mother heard her cries and run outside to rescue her.

The history of criminals discloses that many of the murderers and torturers of people have first been cruel to animals. The manner in which nations as a whole treat their animals is one good measure of its civilization.

The American Indians, who had to depend upon the wild animals for most of their food and clothing, never killed wantonly, or for sport, and they always gave the animal a fighting chance. When the Indian hunter stalked his game, he did so with the utmost skill and mercy. He also offered up a prayer to the Great White Spirit that his aim might be true and that his arrow or spear might cause no needless suffering. If his arrow didn't hit the vital spot the first time, he considered it a solemn duty to follow up the wounded animal and end its suffering as quickly as possible. He never left a wounded animal to die of its wounds.

To kill just for sport was unthinkable to the Indian. He believed all animals had been given him by the Great White Spirit for his food, and he never presumed to abuse such a sacred gift. That is the main reason why the Indians bitterly resented the white men with their deadly rifles and their "sport" of shooting the buffalo from the windows of moving trains. Time has proved the Indian right! The white men slaughtered the buffalos, mostly for sport, and would have wiped them out completely if the government hadn't stepped in and saved the remaining few by placing them on a reservation.

LACKEY REST HOME OPENED

On Sunday, May 3, 1964, at Lackey, Kentucky, a most important and unusual project was unveiled for the use of the older citizens in Eastern Kentucky.

The Golden Years Rest Home, Inc., held open house for about 700 persons and conducted tours for the visitors through its new 90-bed installation at Lackey last Sunday.

Former Congressman W. Howes Meade, who has served as attorney and adviser for the owners, said at the opening of the rest home, "This is the finest and most elaborate rest home in the whole of the United States and it has been accomplished for the benefit of our older people in Eastern Kentucky by the use of private funds and without any governmental aid or assistance."

The rest home is the result of the efforts of Mr. and Mrs. Mitchell Grimm in the conversion of the former Stumbo Memorial hospital into housing for the aged and infirm at a total investment of more than \$250,000. It is the only state-approved and licensed rest home available for the people in 10 of the Easternmost counties of Kentucky, Mr. Meade said.

Renovation of the hospital building included the installation of a new automatic elevator, a new sprinkler system throughout and a new automatic, aerated sewage disposal plant. All of the

plumbing, heating and electrical wiring in the building was replaced.

The 90 beds are of the head-and-knee, adjustable hospital type. All of the linens, covers, pillows, pillow cases and bed spreads are new, as well as all of the kitchen equipment, silverware, china and furniture. Included in the remodeling was the addition of a large walk-in refrigerator and a walk-in freezer.

Mr. and Mrs. Grimm, operators of the home, have had more than 10 years experience as owners and operators of rest homes. Mrs. Grimm is a licensed practical nurse.

Eastern Kentucky's aged and infirm, and especially those drawing only old-age assistance checks, have long been neglected, and the operational program of the home will relieve this situation, Meade said.

All of the rooms have solid terrazzo floors that are kept highly polished with non-skid wax, and many of the rooms are private and will be reserved for the more discriminating residents and for those whose families desire them to have privacy and personal care.

Visitors are welcome at the home, which is located on Ky. 30 in Knott county, only one-fourth mile from the Floyd county line at Lackey.

100 YEARS AGO THIS WEEK

The Civil War in Kentucky
By JOE JORDAN
(Kentucky Civil War Commission)

One hundred years ago this week A. G. Hodges, editor of a Frankfort newspaper, The Commonwealth, published a letter he had received from Abraham Lincoln, stating the President's views on certain measures he had taken which were being assailed in Kentucky as unconstitutional. Hodges had accompanied Gov. Thomas E. Bramlette and Archibald Dixon to Washington to protest against the Union Army's enlistment of Negroes in Kentucky, something that was causing a great deal of resentment, even among the strongest supporters of the Union.

At the conclusion of the interview, Hodges had asked Lincoln to send him for publication a written statement setting forth the substance of what he had just told the three Kentuckians. When it arrived and was published in the Commonwealth, it did not satisfy George D. Prentice and D. C. Wickliffe, editors respectively of the Louisville Journal and the Lexington Observer and Reporter, two of Lincoln's bitterest critics in Kentucky.

"I am naturally anti-slavery," Lincoln wrote. "If slavery is not wrong, nothing is wrong. I cannot remember when I did not so think and feel." However, he said he had done no official act "in mere deference to my abstract judgment and feeling on slavery." What he had done, he said, had been done rather to preserve the Constitution by saving the nation, for the Constitution could not exist without the nation.

"I felt that measures otherwise unconstitutional might become lawful by becoming indispensable to the preservation of the Constitution through the preservation of the nation. Right or wrong, I assumed this ground, and now avow it." As a result of this policy, Lincoln said, the Union had gained 130,000 soldiers, seamen and laborers. He asked whether any Union man who favored putting down the rebellion by force of arms would be willing to have the United States lose the services of the 130,000 men by returning them to their former status.

"We publish today the most remarkable of all the remarkable documents that ever emanated from the man who now fills the executive chair of the nation," said an editorial in the Observer and Reporter. It declared Lincoln's letter could not "mean anything else than that he has the right to judge when it is necessary to violate the Constitution . . . In other words, Abraham Lincoln, who as President of the United States has sworn to support the Constitution of the United States, has deemed it proper to violate his oath."

The Louisville Journal said the

Lincoln doctrine was "simple absolutism," and declared the statement was "the most unworthy declaration that ever emanated from the chief magistrate of a free country." If it did not awaken the people to the peril of re-electing Lincoln, the Journal added, then words could not awaken them.

MAKE A WILL!

If a father died without making a will, his estate—no matter how large or how small—would be distributed as provided by state law. It might be divided among his wife and young children, even though he would have wanted his wife to have complete control of the funds so she could support and educate the children as they had planned. In such a case, the wife might then have to account to the courts for every penny spent of the children's "share."

CONTROLS POWER

Gen. Thomas Sarsfield Power, commander of the Strategic Air Force, according to the May Reader's Digest, controls more destructive force than all the conquerors of all the ages—but his mission is to keep the peace. Under him are more than 1,000 nuclear bombers operating from 30 bases flung across the free world and upwards of 500 intercontinental ballistic missiles.

Your Help Is Needed

The Floyd County Emergency & Rescue Squad has had some response to its recent appeal for funds but the critical financial condition of the organization has not improved appreciably, according to Graham Burchett, head of the group.

The organization, born here during the Bus Tragedy in 1958, has no means of support except public contributions. The squad has performed many worthwhile public services other than its primary purpose of rescue work, and much of it has been done at a loss, Burchett said.

"In our effort to find some source of consistent income and at regular intervals, we are submitting a blank pledge for public use," the squad leader said this week. "It does not have to be accompanied by cash, either. If you want to sign the pledge we will send you a reminder anytime you suggest."

(Fill out and mail to Floyd County Emergency & Rescue Squad, Prestonsburg, Kentucky).

PLEDGE

I hereby pledge the sum of \$_____ annually to the Floyd County Emergency & Rescue Squad.

Sixty-seven fires were reported in Floyd county last year, with losses totaling \$300,534. . . Miss Joan Tackett, representing McDowell high school, was adjudged beauty queen of the 12th annual Floyd County Music Festival, held here Saturday. . . Married: Miss Barbara Hall, of Bonanza, and S/C Forrest Montgomery, formerly of West Prestonsburg, May 1; Miss Patsy Combs, of Cliff, and Mr. Donald L. Horn, of West Prestonsburg, May 1, in the Assembly of God Church, West Prestonsburg; Miss Patricia Ann Reed, of Drift, and Cpl. Jack G. Dings, of Martin, April 16, at Tazewell, Virginia. . . Born: To M/Sgt. and Mrs. Henry Little, formerly of Topmost, a son, Robert, at Orlando, Florida; to Mr. and Mrs. Palmer Compton, of Allen, a son, Saturday night. . . There died: Hugh F. White, 62, of Prestonsburg, at the Prestonsburg General hospital, Friday; Mrs. Nancy Bryant, 40, of Hi Hat, Monday, at the home of a daughter; Mrs. Eva Joseph Dotson, 67, of West Prestonsburg, at the Paintsville hospital, Wednesday; Mrs. Virgie Damron, 72, at home at Tram, Tuesday; Mrs. Sallie Robinson, 67, of Printer, at Our Lady of the Way hospital, Martin, Wednesday; Ned Davis, 36, at the home of a sister on Mare Creek, Sunday.

PAPER MOUNTAINS

By ROBERT J. HASTINGS

"Little things are great only to little men." So reads an old proverb. Do you get the meaning? Some people make mountains out of paper. Every problem is a disaster, every disappointment a catastrophe. To them, there are no cloudless days. Every morning brings a new storm, every night a new tempest.

Their bedfellows are fear and suspicion. And terror, self-pity, dread and despondency.

These drain a man's energy. Tissue paper mountains sap his strength. So when a real precipice looms ahead, he is too weak to climb it. No heart is left to charge the sheer granite walls of a real mountain, no guts to brave the blinding snow and ice of its dizzying heights.

The answer? Give yourself to the big issues of life. Ignore the trivial, the petty, the picaresque. Remember that little things are great only to little people. Don't take that paper mountain by storm—just let the first wind blow it aside!

WORKING WOMEN

Though eight out of ten American women work at some time in their lives, few commit themselves to a profession. Only 3.5 percent of American lawyers are women, says the May Reader's Digest, and only six percent of medical college students are women—and the figure has remained almost constant for more than 50 years. By contrast, of more than 350,000 doctors in the Soviet Union, 75 percent are women.

Some 750 young doctors from five nations have interned in United States hospitals in the last 12 years, reports Reader's Digest, under a plan worked out by Dr. Hilton Reed, of Ventnor, New Jersey, a small town physician interested in improving international relations. The hospitals pay them the same salaries as American interns, even advance them transportation cost. The program costs the government nothing.

POSTMASTER MEET ENDS

New Officers Installed At Banquet; Cricillus To Head Association

The annual convention of the Kentucky Chapter, National Association of Postmasters, ended a three-day session at May Lodge, Jenny Wiley State Park, Tuesday night with a banquet and the installation of new officers.

Approximately 200 Kentucky postmasters and U. S. postal officials attended the convention which was hailed as the largest and best held to date by the organization.

Deputy Postmaster General Frederick C. Belen, Washington, D. C., delivered the principal address of the convention, Monday morning.

New officers elected are:

Paul Cricillus, Williamsburg, president; Delma A. Smith, Gardfield, Kentucky, re-elected secretary-treasurer; Joe Treas, Fulton, Kentucky, Mabel Day, Soldier, Kentucky, Jim Chambers, Westport, Kentucky, Mrs. Allen Hall, Betsy Layne, and Roy Sizemore, Hyden, vice-presidents.

Frank J. Murphy, the retiring president, presided at all sessions. Registration began Sunday at 1 p.m., and Mayor George P. Archer welcomed the visiting postmasters and official guests at the reception held at 6 p.m. Entertainment was provided by the Alice Lloyd Junior College group.

Marvin Music, governor of the Kentucky-Tennessee district, Kiwanis International, welcomed the group at the opening session Monday morning. Following Mr. Belen's address, W. J. Rahter, assistant to the regional director, W. M. Clark, postal inspector, and Alex Alper, of American Airlines, spoke briefly.

Principal address of the afternoon was given by Duane R. Jacobsen, Pontiac, Illinois, vice-president of the National Association of Postmasters. Entertainment was by the Patsy Teen-Agers.

Talks were heard Tuesday morning from James C. Taylor, Civil Service Commission representative; A. B. Bell, acting director of the division of transportation; Kenneth C. Lebr, Woodville, Ohio, executive committee member, National Association of Postmasters; F. J. Lang, special assistant for public relations, and W. L. Clawson, Pikeville, postal inspector.

At Tuesday's luncheon Eugene Pinson, postal inspector-in-charge, Cincinnati division, was the speaker. A general seminar session followed.

Following the banquet and installation of officers' Tuesday evening, the speaker was Regional Director J. P. Nolan. Music was provided by a choral group directed by Billie Jean Osborne.

Floyd county postmasters taking part in preparing for the convention and handling details of the three-day meeting are: Aileen Hall, Betsy Layne; Bess S. May, Prestonsburg; Denzil Stumbo, Martin; Bill Harris, Wheelwright; Sylvia Newman, Hi Hat; Mary C. Wilson, Bypro; Irene Hayes, Hueysville.

Grethel Resident Dies At Hospital; Former Merchant for 30 Years

W. J. Hall, 75, of Grethel, died April 30 at the Prestonsburg General hospital. Death was attributed to a heart condition and diabetes.

Mr. Hall was a widely known resident of the Big Mud Creek section. He was a farmer and sawmill operator for several years and had engaged in the general merchandising business for 30 years. At the time of his death, he was employed as custodian of the McDowell high school.

He was twice married, his first wife, Josie Akers Hall, predeceasing him in death in 1919. His second wife, Maudie Vance Hall, survives.

Surviving sons and daughters are John F. Hall, Curt Hall and Mrs. Octavia Akers, all of Grethel, Richard Hall, Pocahontas, Idaho, Raymond Hall, Clyde, O., Virgil Hall and Delano Hall, both of Downey, Calif., James Hall, of Beaver, Forrest Hall and Mrs. Flossie Pratt, both of Columbus, O., Denzil Hall, Marion, Ind., Lovell Hall, at home, and Mrs. Delphia Driggs, Baltimore, Md.

Surviving sisters are Mrs. Lona Belle Jones and Mrs. Frances Hall, both of Grethel, and Mrs. Nan Roberts, Ironton, Ohio.

Funeral rites were conducted Sunday at 10 a.m. from the McDowell high school auditorium, ministers of the Regular Baptist Church officiating. Burial was made in the Ike Roberts cemetery under the direction of Hall Bros. Funeral Home.

The first commercial computer was installed in the United States just 13 years ago. Now, reports Reader's Digest, almost 20,000 are in use—in factories, banks, business offices, government—and 7,000 more are on order.

W. Prestonsburg Man Victim While Hunting; Funeral Held Tuesday

Troy Calhoun, 57, West Prestonsburg, died Saturday at 8 p.m. while fox hunting with friends in the woodland section of Right Fork of Bull Creek. Death was attributed to a heart attack. He was a minister.

The group, composed of eight persons, had arrived at the site of the hunt only a few minutes before Mr. Calhoun's death. One of the hunters had called to him and, getting no answer, went back to where Calhoun had been sitting and found him lying on a sleeping bag. Artificial respiration was administered to no effect.

He was a son of the late John C. Calhoun and Minnie Hignite Calhoun. His wife, Mollie Hughes Calhoun, survives. Surviving sons and daughters are Ray Calhoun, Great Lakes, Ill., Kenneth Calhoun, Prestonsburg, Troy D. Calhoun, James Calhoun, and Mrs. Minnie Smith, all of Indianapolis, Ind., Miss Phyllis Calhoun, Mrs. Patty Burnette and Mrs. Bonnie Avila, all of California, Gene Carroll Calhoun and Henrietta Calhoun, both at home, and J. D. Calhoun, also of Indianapolis. Brothers and sisters surviving are Tom Calhoun, Prestonsburg, J. D. Calhoun, Detroit, Mich., Mrs. Bess Porter, West Prestonsburg, Mrs. Janie Collins, Mansfield, O., Mrs. Rennie Burnette, of Martin, and Mrs. Roxie McGuire, of Allen.

Funeral rites were conducted Tuesday at 11 a.m. from the home, the Rev. Bob Martin officiating. Burial was made in the May cemetery at Cliff under the direction of Carter & Callihan Funeral Home.

Barnett Jailed Here On Stabbing Charge; Wright Recovery Seen

Raleigh Barnett, of Martin, was jailed here Saturday night by Sheriff Henry C. Hale, shortly after Barnett had allegedly stabbed Edgar Eugene Wright at the Wright home at Printer.

Wright is given a good chance of recovery. It was said he was stabbed three times in his side.

Barnett was released under \$500 bond by Magistrate Bryant DeRossett, but a warrant for his arrest, issued later by County Judge Henry Stumbo, was placed in the hands of state police.

Willard McKinney, in a statement made upon questioning by Commonwealth's Attorney Harold J. Stumbo, said he went with Barnett to the Wright home and that when Wright came home at about 11:30 p.m. he struck Barnett with his hand. The two men walked into the yard, and there McKinney succeeded in getting them to stop fighting. About a minute later, he said, Barnett began stabbing Wright.

Driving Wright toward the McDowell hospital, McKinney wrecked his car. The car was "totalled" and a doctor indicated Wright's injuries from the wreck may be more serious than his knife wounds.

A statement made by Wright's 13-year-old son corroborated that of McKinney, officials said.

Others booked at the jail within the week:

Paul Slone, taking a car out of the state without permission of the owner, booked by Deputy Sheriff Lonnie Herald; Mabry Jacobs, Frank Wright and Paul Allen, charged with transporting alcoholic beverages in dry territory, arrested by Sheriff Henry Hale, Deputy Sheriffs Sam Hale and Lonnie Herald, released under bond by Magistrate Bryant DeRossett; Joe H. Gayheart, drunk driving, jailed by State Trooper E. B. Allen; Johnnie Edward Moore, child desertion, arrested by A. J. Reed, Martin policeman.

Hunter Receives Award For Customer Service From Ashland Oil Firm

William J. Hunter is \$50 richer this week as a result of good customer service.

Mr. Hunter, who operates the Ashland Oil Service Station at South Lake Drive in Prestonsburg, was visited recently by one of Ashland Oil's "Friendly Man Service Award" evaluators, and as a result was awarded a cash prize this week for his good customer service and the appearance of his station by El-his Whitt, district manager for Ashland Oil.

Awards under this sales-promotion program are based on salesmanship, driveway service, station cleanliness and appearance, and other key points in service station operation.

The Prestonsburg grade school became one of the best-equipped schools in the area recently when its principal, Lloyd Stumbo, placed 13 sets of the 1964 edition of the World Book encyclopedia for the use of pupils—a set for each room of grades 5 through 8. These are supplemented by three sets in the school library for use by other grades.

At the presentation of the books were, from left, Marshall Davidson, P.T.A. president, teachers Aileen Fitch, Grace Conley, Jean Hatfield, Martha Jane Fitzpatrick, Fanny Jarrell, Sarah Clay Stephens, Dorothy Dotson, Ethel Ratliff, Mr. Stumbo, Lillian Watson, Mary A. Bennett, Kitty Sandige, Nancy Webb, Margaret Collins, Mary Ann Picklesimer and Mrs. George Lee Shannon, past P.T.A. president.

SON BORN

Born to Mr. and Mrs. Ray Whitt Wednesday of last week at the Prestonsburg General hospital a baby boy, weighing eight pounds. The child has been named Billy Eugene Whitt. Grandparents are Mrs. Birdie Holbrook, West Prestonsburg, and Mr. and Mrs. Troy Whitt, of the Sugar Loaf section.

HONORED ON BIRTHDAY

Martin, Ky.—William A. Salisbury, of Hunter, was honored with a surprise birthday party, April 23. Friends gathered to wish him well. Games were played and refreshments were served.

CARD OF THANKS

The family of Tazewell Foley wishes to express heartfelt thanks to all the friends and relatives who extended love and understanding. We thank the choir, the pianist, the donors of food and the beautiful flowers. We especially want to thank those who spoke consoling words and the Floyd Funeral Home for its kindness when so needed in the loss of a loved one.

Lexington, Ky.—Program plans for Kentucky's annual 4-H Leadership Conference at the University of Kentucky were announced this week by the UK Extension 4-H Club Department.

It's an important gasoline discovery! Methyl* steps up octane performance so effectively that it stops power-wasting knock better than any other antiknock compound. Methyl spreads more evenly throughout all cylinders of your engine, stands up under extreme temperatures. And it's in Standard gasolines (Crown and Crown Extra) ... at no increase in price! Another important way that we take better care of your car.

STANDARD OIL

Methyl
... now in Standard gasolines—at no increase in price!

leader in forestry, was selected to study land and its use.
Two committeemen, Ray R. Allen, of Martin, chairman of the community services committee, and Ogden Stewart, head of the agricultural committee, were not able to attend.
Others attending were Fred Bingham, administrator of the McDowell Appalachian Regional hospital, Cecil Sturgill, of Har-old, Jack Friar, assistant Floyd county agent, and Mrs. Frances H. Pitts, Floyd county demon-stration agent.
Fred M. Hefner, Paintsville, spoke on "Johnson County Looks To The Future," pointing out the changes that had been made for the better in Paintsville and John-son county.
Sam Kent, Butler county exten-sion agent, was a guest.

(Continued from Page 1)
and unreasonable action taken by Homer A. Taff, State Conserva-tionist, demoting and penalizing L. R. Johnson, our Work Unit Conservationist, on a complaint that he neglected his duty. We think this charge is without merit. The charge is made that Mr. Johnson neglected his duty in doing some 83 emergency flood repairs, that he should have called for a State Engineer to do one piece of work at Drift, Ken-tucky. He outlined the plan for correcting some eighty-odd emer-gency jobs, and on the one com-plainted of he had the farmer start the work and before he had it finished another flood came and cut the channel near the high-way. Mr. Johnson had worked almost day and night trying to correct these emergency jobs, and few men would have made the effort he did to take care of so much emergency work. In-stead of commending him for his untiring effort in trying to keep down the flood damage in our county, he is drawn on the car-pet on a flimsy excuse, and had his 23 years' record of faithful service dampened by one little error of judgment of a directive, which we think does not, or should not have been expected to be complied with in such emergency.

— 7 —
(Continued from Page 1)
at Amba, the afternoon of April 26. The girl said she fired when her father threw objects at her mother and threatened Mrs. Rey-nolds' life.
Her brother, Ronald Gene, 13, and sister, Glenda, 11, were ques-tioned Monday by County Judge Henry Stumbo and County At-torney Barkley J. Sturgill, and both told substantially the same story as that related by Lynda Sue. The two officials later Mon-day visited the store where the shooting took place and viewed the physical aspects of the scene.
The girl's mother is very ill in a Pikeville hospital, and her grandfather, the Rev. Johnny King, in whose custody she was placed after the shooting, was stricken ill last week and is in a Paintsville hospital.

McGinnis-Barkley Wedding Has International Flavor

Miss Mary Elizabeth McGinnis, daughter of the Rev. and Mrs. Fred McGinnis, of Banner, and Mr. William Wallace Barkley, of "Happy Valley," Randals-town, Northern Ireland, were united in marriage March 17, at 3 p.m., in the Presbyterian Church at Manaus, Amazonas, Brazil.
The nuptials had an interna-tional flavor, with approximately 200 guests of six nationalities at-tending. The bride and groom be-ing, respectively, of Irish de-scent and native Irish, and the wedding date being St. Patrick's

Day, the bride wore a full-length, ice-green, crystal-satin gown with elbow-length veil. She carried two pale purple, native orchids centered in a cluster of tiny, white roses.
Miss McGinnis was given in marriage by W. A. Ross, veteran missionary to Brazil, and a former schoolmate and a personal friend of the bride's father, Mrs. Alan Bachman, of Brooksville, New Jersey, attended the bride as matron of honor. Best man was Mr. Jack Walkey, of London, England. Both attendants are missionaries in Amazonas.
The ceremony was conducted by two Brazilian pastors. A reception was held, following the ceremony, in the church pavilion where the guests were served Brazilian dainties and wedding cake with guarana, the unique Brazilian drink.
The newlyweds flew to Fort-Aleza, Gearsa, on the east coast, for two weeks before returning to continue their missionary work in Amazonas.
The bride, a graduate of Pres-tonsburg high school with the class of 1952, attended Prairie Bible Institute, Three Hills, Al-berta, Canada, serving as editor of the children's magazine pub-lished by the institute after her graduation in 1956 till 1960. She left the United States in 1961 to study the Portuguese language at Fortaleza, Brazil, in preparation for mission work. She was later stationed at Manicore on the Madeira River, a tributary of the Amazon, and taught one term of school farther in the interior, at Lake Matopiri. There she was stationed alone, living under primitive conditions.

(Continued from Page 1)
THE PRIEST AND THE LEVITE, AMONG OTHERS
Our people are always sensitive to the possibility of criticism for the things which take place in our section. Perhaps we should be. But I wonder how we would feel if we lived in New York City. Did you read in the newspapers this week of the girl who was raped, screaming for help, with 40 persons standing by, so to speak, and not one lifting a hand? And about the young woman who, returning to her room from work late at night, was stabbed? Screaming for help, she ran, only to be overtaken and stabbed again. Then, crawling on hands and knees, crying for help, was again stabbed repeatedly, and died. And, press reports say, at least 38 persons admitted they were witnesses to this tragedy—and did nothing to save her life, because, they said, they "did not want to become involved."
"And a priest ... and a Levite passed by on the other side."

NOTICE

I must make some changes in my schedule of OFFICE HOURS, since I apparently do not have enough time to keep these hours I formerly tried to keep. Therefore, in order to offer medical care to as many patients as I possibly can, the following schedule of hours seems to me to be best for the most care. I hope that this schedule will meet with your approval:

BEGINNING FRIDAY, MAY 1, 1964, IN PRESTONSBURG, KENTUCKY—

Saturday: 9 a.m. to 3 p.m.
Monday: 9 a.m. to 3 p.m.
Wednesday: 9 a.m. to 12 noon.
Thursday: 9 a.m. to 3 p.m.

AT THE DANIEL BOONE CLINIC, McDOWELL, KENTUCKY—

Tuesdays, 8 a.m. to 6 p.m., by appointment only.

Fridays, 8 a.m. to 6 p.m.

Sundays and holidays will be by appointment only. Night-time—from 8 p.m. to 10 p.m.

Telephone number in Prestonsburg office, 886-6511, day or night.

You may receive appointments for me to see you at McDowell, Kentucky, by calling 377-2417 or 377-2418 (ask for Extension 21).

Dr. Byron C. Beard will see women patients in my office on each Wednesday morning.

Notice of all UMWA HOLDERS OF HS-85 Card: These cards will be honored at my office at any time and also will be honored by Dr. Beard. Such honoring of card will be on the same basis as at any Daniel Boone Clinic.

JOHN G. ARCHER, M.D.

Why dip into savings
when a low cost
HOME LOAN
may be the answer

First, borrowing keeps your emergency savings intact and growing. Second, borrowing at our Full Service Bank is the best way to build a credit reputation. When you're ready for that major expenditure, your savings account and your credit reputation help you borrow what you need. With ease.

□ A Home Improvement Loan can add to the value and beauty of your home now when your family can enjoy it most and you can repay in convenient budget amounts. Renovations can save costly repairs later. It would make good sense to save money on loans. Ask about a low-cost Home Loan. □ One of the many services at our Full Service Bank.

WINTER DAMAGE TO ROADS DEPLETES NEEDED FUNDS

Frankfort, Ky., May 4 (Spl.)—Much-needed highway funds are being used to repair roads damaged by winter snow and spring floods, Highway Commissioner Henry Ward said last week.

"There's never enough money to take care of all the roads in Kentucky, especially the rural roads," Ward said. "And to have this annual recurring damage to our roads by snow and floods only disrupts our highway program further."

Road estimates are not complete for this year, but the average for the last four years has been approximately \$8 million.

Although this year's damages are not expected to exceed this amount, repairs are being made throughout the twelve districts as fast as possible with the money available, Ward added.

Highway Maintenance Director T. J. Hopgood reports that about 60 percent of repairs are now completed and that all damaged roads are expected to be back to normal within the next two to three weeks.

"Winter damages should be about average this year," Ward continued. "The heaviest damage to Kentucky's roads will come from the severe floods we had this spring."

In a conversation with the district engineer in Ward's home town of Paducah, it was estimated that flood damages alone to roads could approach \$250,000 in that district.

"We do not know the full extent of the damage that was done to Kentucky's roads by the devastating floods of a few weeks ago," Ward said. "The important thing to all of us in the Highway Department is for the people of Kentucky to know our problems and to bear with us until we can repair the heavy damages."

Woman's Med Auxiliary Holds Meet At Lodge; Mrs. Kinsman Presides

The Woman's Auxiliary of the Kentucky State Medical Association held its spring board meeting at May Lodge, Jenny Wiley State Park, April 22. Approximately 45 members from over the state were present.

Mrs. J. Murray Kinsman, of Louisville, president, presided. Reports were given by the various committee chairmen, county presidents, and the district councilors and vice-presidents. Officers present from the Fourteenth district were: Mrs. George P. Archer, Prestonsburg, state program chairman; Mrs. Lloyd M. Hall, Salyersville, counselor for the district; and Mrs. Ballard Cassidy, Pikeville, vice-president of the Eastern region.

Mrs. Kinsman announced that the State Auxiliary membership is 1,491. It was reported that the Kentucky State Medical Association and Auxiliary had donated approximately \$10,000 to the University of Louisville School of Medicine and \$5,000 to the University of Kentucky Medical School. The meeting was adjourned at 6 p.m.

Available for the entertainment of attending doctors, wives and their families was golf at the Jenny Wiley and Paintsville courses. "Duck" rides on the lake, sightseeing tours and bridge games. Fourteenth district members were hostesses for the entertainment, headed by Mrs. George P. Archer and Mrs. J. D. Adams, of Prestonsburg, on Wednesday, and assisted by Mrs. Charles C. Rutledge, Hazard, and Mrs. Gene Combs, Pikeville, on Thursday.

The Auxiliary banquet was held at 7 p.m. Wednesday, in the private dining room at May Lodge. The highlight of the evening was the installation of officers of the newly reactivated Johnson-Floyd-Magoffin County Auxiliary. Mrs. Kinsman installed these officers: Mrs. A. B. Carter, Paintsville, president; Mrs. M. M. Hall, Paintsville, vice-president; Mrs. J. D. Adams, Prestonsburg, recording secretary; Mrs. Lloyd M. Hall, Salyersville, treasurer; Mrs. Jerry Fraim, Paintsville, corresponding secretary.

Mrs. Kinsman paid special tribute to Mrs. P. B. Hall, Paintsville, who was instrumental in getting the Johnson-Floyd-Magoffin Auxiliary organized in 1956 and did much to help reactivate it this year.

She announced that members of the Auxiliary were invited to attend any of the sessions of the day-long meeting of the Kentucky State Medical Association which held its Interim Meeting on Thursday at May Lodge. She also thanked Mrs. George P. Archer for her efforts in making the meeting a success. Mrs. Archer announced that all doctors, wives and guests were invited to the TV Lounge for a program of modern, spiritual and folk songs by the Patsy Teenagers.

LODGE MEET SET MAY 9

East Point Lodge No. 657, F. & A.M., will meet May 16 at 7 p.m. instead of May 9.

On May 9 at 6:00 p.m., Warfield lodge will host all lodges in Johnson and Martin counties at the district meeting. A dinner will be served. All Master Masons and their wives are invited to attend.

Lexington, Ky. — Piper sudangrass, a summer annual much used for Kentucky pasture, still is the recommended variety. Tested in 1963, Piper averaged 5.14 tons of dry matter (85 percent of live hay weight) in a UK Ag Experiment Station agronomy department test in Woodford county, says William Stroube, agronomist.

Lexington, Ky.—Many Kentuckians die without leaving a will. Too often, their families suffer needless worry, delay and expense in settling their estates because no will was made, points out Frances Stellard, UK Extension specialist in home management.

Lexington, Ky. — When laying hens were mixed in one house, with half in cages and the other half allowed to be "floor" layers, results were somewhat a standoff. That's the report this week of the UK Ag Experiment Station poultry science department.

Ordinance No. 8-64

An Ordinance of the City of Prestonsburg, Floyd County, Kentucky, Proposing and Initiating a Public Project for the Improvement of Designated Streets, Avenues and Other Public Ways, and for the Construction or Reconstruction of Sidewalks on One or Both Sides of Certain Streets in Said City; Setting Forth the Nature and Scope of Said Public Project; Providing That There Shall Be Applied to the Costs Thereof the Proceeds of a United States Government Grant in the Sum of \$486,000; Proposing That Said Project Be Undertaken Under Authority of KRS Chapter 107, and That the Remaining \$265,000 of the Costs Thereof Be Provided Through the City's Issuance of Its "Improvement Assessment Bonds—Street and Sidewalk Project of 1964," Payable As to Principal and Interest Solely from Annual Improvement Benefit Assessments To Be Made Upon the Properties Improved and Benefited by Said Project According to the "Assessed Value Basis" As in Said Chapter 107 Provided; Establishing Rules, Orders and Classifications To Effect Equality and Equity Among Property Owners; Identifying Certain Items Or Alternates and the Order in Which Same Will Be Omitted in the Event Construction Costs Shall Be Determined To Exceed Available Funds; And Providing for a Public Hearing with Respect to All of the Foregoing.

WHEREAS, the City of Prestonsburg, a municipality of the fourth class situated in Floyd County, Kentucky, has long been in need of a substantial program of improvement of the greater portion of its streets, alleys and other public ways, in that many have never been hard-surfaced, many are too narrow, and many which were improved in the past have fallen into a dangerous state of disrepair, especially by reason of recent unusually destructive floods, all with the results that traffic is impeded and made hazardous, lives and automobiles are endangered, property values are diminished, and there is a continuing threat to the public safety and general welfare, which will increase rapidly unless curative measures are taken immediately; and

WHEREAS, there are no sidewalks on many of the public ways, and certain of the sidewalks installed in the past have deteriorated, all contributing to conditions hazardous to both motorists and pedestrians; and

WHEREAS, the City has heretofore employed Prestonsburg Engineering Company, Prestonsburg, Kentucky, as its Consulting Engineers, and has caused said Engineers to make field surveys, recommendations, plans and specifications for a comprehensive program of improvement of the public ways, and installation or reconstruction of sidewalks, the same being hereby designated as the "Street and Sidewalk Project of 1964" hereinafter sometimes referred to as the "Project"; and the estimate of the aggregate of all costs of said Project is \$751,000; and on the basis thereof the City has applied for and obtained a Federal grant in the sum of \$486,000 as a contribution to the costs thereof, provided the City supplies additional funds from other sources to assure completion of the program and payment of all costs thereof; and

WHEREAS, it is the opinion and judgment of the Mayor and City Council that the Project will enhance the values of abutting properties, and that the City's portion of the aggregate costs should be financed by the issuance of public sale of the City's \$265,000 "Improvement Assessment Bonds—Street and Sidewalk Project of 1964" payable as to principal and interest over a period of two (2) to twenty (20) years solely from annual improvement benefit assessments made against the benefited properties according to the "assessed value basis" for which provision is made in Chapter 107 of the Kentucky Revised Statutes; and the City has obtained from Housing and Home Finance Agency of the United States (HHFA) a Loan Agreement under the terms and provisions of which said HHFA has agreed that if the City will authorize such Bonds and offer the same at public sale, HHFA will submit a bid for the purchase thereof at face amount (and accrued interest to delivery) at a highly advantageous interest rate of 3-3/4% per annum, but subject to the City's acceptance of bids submitted by others under specified terms and conditions; and it is the opinion and judgment of the Mayor and City Council that the said Project should be proposed, undertaken and financed in accordance with said Loan Agreement; and

WHEREAS, properties where sidewalks are constructed or reconstructed will be benefited equally, but properties abutting upon streets, alleys and public ways which are to be improved will be benefited unequally according to the nature of the improvement to be made, and the City Council is empowered by law to make rules and orders to effect apportionment of the annual improvement benefit assessments in an equitable and just manner, and in that connection

has received and considered recommendations of the Consulting Engineers and is prepared to act:

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PRESTONSBURG, FLOYD COUNTY, KENTUCKY, DOES HEREBY ORDAIN, AS FOLLOWS:

SECTION 1. It is hereby proposed that the City of Prestonsburg, Kentucky, authorize and undertake the aforesaid Project, as hereinafter more particularly identified and described, all as planned and recommended by Prestonsburg Engineering Company, Prestonsburg, Kentucky, Consulting Engineers heretofore employed by the City in that connection, and as hereinafter set forth.

SECTION 2. It is the estimate of said Consulting Engineers that the total cost of the proposed Project, including the contractual fees of the Engineers and Bond Counsel, and the costs and expenses incident to the issuance and sale of Bonds, will be \$751,000. It is proposed that the City apply against the same, in the manner hereinafter set forth, the aforesaid Grant from the United States Government in the sum of \$486,000, and that the balance, in the sum of \$265,000, be raised through issuance and sale of the City's "Improvement Assessment Bonds—Street and Sidewalk Project of 1964," according to the Assessed Value Basis" set forth in KRS Chapter 107, and in conformity with the HHFA Loan Agreement (identified by HHFA as Project No. PFL-Ky-648-APW-Ky-251GL).

SECTION 3. The City has caused to be filed in the office of the Clerk of the County Court of Floyd County, Kentucky, a certain map which has been assigned File No. 319 by said Clerk, and so indexed in his office, the same being designated "Map of City of Prestonsburg, Floyd County, Kentucky." There are listed on said map fifty-five (55) streets, lanes, avenues, drives and roads, numbered and identified 1 to 55, inclusive, and which are the public ways which are to be improved according to one or more of the classifications set forth in SECTION 6 hereof.

The numbers of said respective public ways are shown on said map, and by reference to said numbers any party in interest may identify the public ways to be improved as set forth in this Ordinance.

There are also listed under key number 56, North Lake Drive, South Lake Drive, Auxier Street and Duncan Street, which said map indicates are to be included in the Street and Sidewalk Project of 1964. It appears from the official records that North Lake Drive, South Lake Drive and a portion of Auxier Street are parts of the Federal and/or State Highway Systems and maintained otherwise than as the City's legal responsibility; and to such extent the same are hereby declared to be excluded from the Project. A described and identified portion of Auxier Street, however, remains as a public way for the maintenance of which the City is responsible, and such portion, as hereinafter described and identified, shall constitute a portion of said Project; and the properties abutting thereon are declared to be benefited properties and subject to the annual improvement benefit assessments for which provision is hereinafter made.

(Note: On said map there are shown certain "Zones" which are shaded in various colors and are numbered respectively 1, 2A, 2B, 3, 4 and 5. The said Zone Outlines and colors have no relationship whatever to the classifications of the various public ways identified therein; but nevertheless are referred to at the beginning of each classification except in the case of "Classification V" relating to sidewalks), purely for convenience of property owners in locating same.)

The streets numbered 1 to 55, inclusive, and which are included in said Street and Sidewalk Project of 1964 are listed by number and name as follows:

1. Porter Lane
2. Neoley St.
3. Burke Ave.
4. Dickerson St.
5. Clifton St.
6. Jackson St.
7. Harris Lane
8. Margaret St.
9. Music St.
10. Francis Lane
11. N. Arnold Ave.
12. Patton St.
13. N. Central Ave.
14. Branham St.
15. Dings St.
16. Hager St.
17. N. Highland Ave.
18. Friend St.
19. Trimble Road
20. Harkins St.
21. Cemetery St. (now Highland Court)
22. S. Arnold Ave.
23. S. Central Ave.
24. S. Highland Ave.
25. Front St.
26. Goble St.
27. Ford St.
28. Court St.
29. Westminster St.
30. Graham St.
31. Richmond St.
32. Maple Ave.
33. Davis St.
34. Earl St.
35. Harkins Ave.

36. Stanley Ave.
37. Main St.
38. Harris St.
39. Riverside Dr.
40. Burchett St.
41. Hughes St.
42. Horn St.
43. Clay St.
44. Marshall St.
45. Willow Lane
46. Cardinal Dr. (continuing as Ford Lane)
47. Riverview Lane
48. Poplar St.
49. Elm St.
50. Hillside St.
51. River St.
52. First St.
53. Second St.
54. Third St.
55. Fourth St.

Although not correctly designated on said Map No. 319, officially on file in the Floyd County Court Clerk's office, attention is directed to the fact, hereby specifically noted, that the public way identified on said Map by Key No. 46 as "Cardinal Drive" actually bears that name and designation only from its westward extremity, in a southeasterly direction as far as its intersection with Hillside Street; and is actually Ford Lane from Hillside Street southwardly to First Street, and is so referred to in this Ordinance.

Reference to said Map is hereby made and said numbers and names of said public ways (with the correction noted above) and the key numbers identifying the same upon said Map, are hereby incorporated herein in full for purposes of identification.

SECTION 4. All of said public ways numbered 1 to 55, inclusive, listed by number and name in the foregoing Section 3 hereof, are to be included in the aforesaid Street and Sidewalk Project of 1964, in the manner hereinafter set forth. All of the same have heretofore been dedicated to public use; but a diligent search of the public records of said City has failed to disclose that some of them have been officially accepted by the said City of Prestonsburg, Kentucky, in such manner as to cause said City to have assumed responsibility for the construction, reconstruction, maintenance or repair thereof. Without, in any way, serving to question the regularity or validity of any previous official acceptance of any one or more of said identified public ways, but only for the purpose of confirming that each and every one thereof constitute officially accepted public ways of said City for such purposes, said City hereby officially declares that each and every one of said public ways which are on said map identified by the numbers 1 to 55, inclusive, are now so officially accepted and shall hereafter continue to constitute public ways of said City for such purposes; provided, however, that neither this acceptance nor any previous acceptance shall relate to any portion of any of said public ways now or hereafter lying outside the corporate limits of said City.

SECTION 5. Inasmuch as the hereinafter identified properties are not to be benefited and improved in a uniform manner; it is necessary that the same be placed in classifications, and that rules be established, for the purpose of making just and equitable apportionment of the necessary annual improvement benefit assessments as authorized and permitted by KRS 107.160. Accordingly, the following proposed rules, orders and classifications are announced:

(1) The nature and scope of said Project, the classifications of properties according to the costs of the benefits to be received thereby, and the identifications of properties to be benefited in each of such classifications, shall be as set forth in Section 6 hereof.

(2) The Federal Grant in the sum of \$486,000 shall be applied proportionately to all costs of the Project, thus reducing the annual improvement benefit assessment against the benefited properties to approximately one-third (1/3) of the total costs thereof.

(3) No property abutting upon any street, alley or other public way to be improved, and no property where a sidewalk is to be constructed or reconstructed, shall be exempt from annual improvement benefit assessments, including any property belonging to the City of Prestonsburg, Kentucky. According to KRS 107.140 (2) properties owned by the Commonwealth of Kentucky (including properties of the Board of Education), not assessed for general tax purposes, shall be assessed for the purposes of levying annual improvement benefit assessments, the assessed value of each such property to be the same as in the cases of comparable adjacent properties which are assessed for general tax purposes. Notice of such proposed assessments shall be given to the Department of Finance of the Commonwealth of Kentucky.

(4) For purposes of the annual improvement benefit assessments, land only shall be taken into consideration; and the value of improvements thereon shall be disregarded.

(5) Each year it will be necessary to raise through the levy of the annual improvement benefit assessments a sum at least equal to the maturing principal of and interest on the aforesaid "Improvement Assessment Bonds—Street and Sidewalk Project of 1964," and additionally, the City will be required to levy in the first year, improvement benefit

assessments sufficient to produce a "Debt Service Reserve" equal to at least 20% of the average annual principal and interest requirements in order to prevent default in the payment of the Bonds and the interest thereon in the event all improvement benefit assessments are not collected promptly when due.

At the end of the description of the improvements to be included within each of the classifications designated as Classification I, Classification II, Classification III, Classification IV, and Classification V as shown in SECTION 6 hereof, there is set forth the percentage of the total costs of the total Project shown by the computations of the Consulting Engineers to be properly allocated to the described improvements in each such Classification.

In determining improvement benefit assessments in each year, the City will first determine the amount required to be raised for the payment of the Bonds and interest thereon (and in the first year for said "Debt Service Reserve"), and will then allot to the properties in each Classification, as a whole, that Classification's allocated percentage of such amount. In the case of each Classification, the City will then apportion that amount among all of the properties identified as being within such Classification, according to the ratio which the assessed value of each property bears to the total assessed values of all properties in the same Classification.

(6) The City calls attention to the fact that many properties are in more than one Classification, in that the Project will provide to them more than one class of benefit. Thus, if a particular property is benefited only by the construction or reconstruction thereof of a sidewalk, such property will be found listed in Classification V only; whereas, if the same property abuts upon a street, alley or other public way which is to be improved, such property will also be found listed in another Classification wherein such benefits are described.

(7) For the purpose of apportioning the annual benefit assessments, the City will use the value of each property (land only) as assessed for City tax purposes; and if the owner of any property shall feel aggrieved, relief may be sought in the manner permitted by law for equalization of assessments for City tax purposes, and not through the seeking of a special assessment valuation for Bond purposes alone.

(8) The City announces that it is without funds to defray any part of the aggregate costs of such Project, except the proceeds of the Federal Grant in the sum of \$486,000 and the proceeds of the City's \$265,000 "Improvement Assessment Bonds" proposed to be issued under authority of KRS Chapter 107. Accordingly, in the event the construction costs, as determined upon the basis of competitive bidding pursuant to advertised solicitation thereof as provided by law shall exceed the amount allowed for such construction costs in arriving at the aggregate cost figure of \$751,000, the scope of the Project shall be reduced to the extent necessary, as set forth in SECTION 7.

SECTION 6. The nature and scope of the Project, the classification of properties according to benefits to be received, and identification of properties to be assessed are as follows:

CLASSIFICATIONS

CLASSIFICATION I — These will be constructed as new streets 20 feet wide or as near to that width as the particular situation may permit, including rock base and bituminous concrete surface, with curbs, gutters and drains for the drainage of surface waters. (These improvements are estimated by the Consulting Engineers to represent 32% of the aggregate of all costs of said Street and Sidewalk Improvement Project of 1964.)

CLASSIFICATION II — These will be constructed as new streets 20 feet wide or as near to that width as the particular situation may permit, without curbs, gutters and drains for the purpose of draining away surface waters. (These improvements are estimated by the Consulting Engineers to represent 5% of the aggregate of all costs of said Street and Sidewalk Improvement Project of 1964.)

CLASSIFICATION III — These streets will be resurfaced with bituminous concrete, and existing curbs and gutters will be repaired where necessary. (These improvements are estimated by the Consulting Engineers to represent 14% of the aggregate of all costs of said Street and Sidewalk Improvement Project of 1964.)

CLASSIFICATION IV — These streets will be resurfaced with bituminous concrete, and curbs, gutters and drains will be installed where necessary in order to effect proper drainage of surface waters. (These improvements are estimated by the Consulting Engineers to represent 19% of the aggregate of all costs of said Street and Sidewalk Improvement Project of 1964.)

CLASSIFICATION V — The construction of sidewalks, and the reconstruction of existing sidewalks where necessary, on one or both sides of the streets, as indicated; with the abutting properties being subject to assessment for this classification only if a sidewalk is constructed or

reconstructed on the property owner's side of the street. (These improvements are estimated by the Consulting Engineers to represent 12% of the aggregate of all costs of said Street and Sidewalk Improvement Project of 1964.)

ZONE 1

(Colored gray on the Engineer's map)

The geographical area of this Zone, generally speaking, begins with the northern City limits, between Auxier Road (New U. S. 23) and Levisa Fork, and continues southwardly to a line parallel to and approximately 200 feet south of Margaret Street.

In this Zone, the following streets, or portions thereof, are to be improved in the following manners:

AUXIER STREET, from its intersection with Auxier Road (New U. S. 23), and proceeding along its course in a generally southwardly direction a distance of 1,400 feet, more or less, to the point where Auxier Street makes a sharp turn to the northwest and including the property of Prestonsburg Municipal Housing Commission on the east side of Auxier Street and the property of Cynthia M. Porter on the west side thereof (the remainder of said Auxier Street, from said point northwardly to its intersection with North Lake Drive being excluded from said Project as set forth above), to be improved by resurfacing the existing street, with provision for surface drainage where necessary (Classification III).

PORTER LANE — From North Lake Drive, continuing northwardly a distance of 300 feet, more or less, to and including the property of B. L. and Ella Sturgill on the north side and the property of Graham Porter on the south side, improved by constructing a new street, without provision for surface drainage (Classification II).

JACKSON STREET:

(a) Beginning at its intersection with Auxier Road (New U. S. 23), and continuing generally in a westerly direction to its intersection with Harris Lane, to and including the west property line of Graham Porter on the north side and of Billie L. Harris on the south side, improved by constructing a new street, with provision for surface drainage (Classification II); and

(b) Commencing at the property lines identified in the preceding subparagraph (a), and continuing to the intersection of Jackson Street with North Lake Drive, by constructing a new street, without provision for surface drainage (Classification II).

HARRIS LANE, from its intersection with Jackson Street, in a general southwardly or southwardly direction, a distance of 425 feet, more or less, to and including the south or southwestward property line of Church of God on the west or northwestward side, and of Ruby Blackburn on the east or southeastward side thereof, by constructing a new street, without provision for surface drainage (Classification II).

NEELEY STREET, from its intersection with North Lake Drive, generally in its westwardly or southwardly direction, a distance of 600 feet, more or less, to and including the westwardly or southwestwardly property line of Community Methodist Church on the north side of said street and of Z. S. Dickerson on the south side thereof, by constructing a new street, with provision for surface drainage (Classification II).

BURKE AVENUE, from its intersection with Clifton Street in its generally northwardly direction a distance of 1,100 feet, more or less, passing Neeley Street and to the alley north thereof, by constructing a new street, with provision for surface drainage where necessary (Classification I).

DICKERSON STREET, from its intersection with Clifton Street, following its generally westwardly direction to and including the property of Emma W. Alley on the north side of said street and the property of Leatha L. Joy on the south side thereof, by constructing a new street, without provision for surface drainage (Classification II).

CLIFTON STREET, from its intersection with Burke Avenue to its intersection with North Lake Drive, by constructing a new street, without provision for surface drainage (Classification II).

MARGARET STREET, from its intersection with North Lake Drive southwardly a distance of 400 feet, more or less, to and including the property of Mary and Walter Manns on the north side and the property of Mary and Walter Manns on the south side thereof, by constructing a new street, without provision for surface drainage (Classification II).

ZONE 2A AND 2B

(Colored red on the Engineer's map)

The geographical area of this Zone, generally speaking, begins at the southern border of Zone 1 (colored gray on the Engineer's map) and extends southwardly between Levisa Fork and the City Limits to an irregular line which at one point is approximately 200 feet east of Earl Street, excepting therefrom Zone 4 (colored green on the Engineer's map) which extends, generally speaking, northwardly from Hager Street and Cemetery Street to the City Limits.

NORTH ARNOLD AVENUE, from its intersection with Music Street to its intersection with Patton Street, by resurfacing, without provision for surface drainage (Classification I).

MUSIC STREET, from its intersection with North Arnold Avenue to its intersection with North Central Avenue, by constructing a new street, with provision for surface drainage (Classification I).

FRANCIS LANE, from its intersection with Music Street to its intersection with Patton Street, by constructing a new street with provision for surface drainage where necessary (Classification I).

its intersection with South Highland Avenue, by resurfacing, without provision for surface drainage (Classification III).

WESTMINSTER STREET, from its intersection with South Central Avenue northwardly a distance of 800 feet, more or less, to and including the property of Henry Messer on the northwest side of Westminster Street and the property of George and Betty Stephens on the southeast side thereof, to be resurfaced without provision for surface drainage (Classification III).

SOUTH CENTRAL AVENUE, from its intersection with Court Street, southeastwardly along its entire length to and including the property of Ollie Davis on the northeast side thereof and the property of N. M. White, Jr. on the southwest side thereof, to be resurfaced without provision for surface drainage (Classification III).

MAPLE STREET, from its intersection with Graham Street southeastwardly passing Richmond Street to and including the property of Don and Phyllis Moore on the northeast side of Maple Street and the property of Geneva James on the southwest side thereof, by resurfacing, without provision for surface drainage (Classification III).

RICHMOND STREET, from its intersection with Arnold Avenue northwardly to its intersection with South Lake Drive and continuing around the turn where in a southeastwardly direction it becomes RIVERSIDE DRIVE to and including the property of Fraternal Order of Eagles on the north side of Riverside Drive and the property of Floyd C. and Nancy Tackett on the south side thereof, by resurfacing without provision for surface drainage (Classification III).

EARL STREET, from its entire length, by resurfacing with provision for surface drainage where necessary (Classification IV).

SOUTH HIGHLAND AVENUE, from its intersection with Court Street to its intersection with Earl Street, to be resurfaced without provision for surface drainage (Classification III); and

(b) Continuing (into Zone 5) to its intersection with Burchett Street, to be constructed as a new street without provision for surface drainage (Classification II).

DINGUS STREET, from its intersection with North Central Avenue to its intersection with North Highland Avenue, by resurfacing with provision for surface drainage where necessary (Classification IV); and

(b) From its intersection with North Highland Avenue northwardly to and including the property of G. L. Goodman on the northwest and the property of Maggie Hall on the southeast, to be constructed as a new street with provision for surface drainage (Classification I).

HAGER STREET, from its intersection with North Highland Avenue, northwardly and around its curve in a northwestwardly direction to its intersection with Dings Street, by constructing a new street with provision for surface drainage where necessary (Classification I).

NORTH HIGHLAND AVENUE, from its intersection with Dings Street to its intersection with Court Street, by resurfacing with provision for surface drainage where necessary (Classification IV).

FRIEND STREET, from its intersection with North Arnold Avenue following its entire northeastwardly course, passing its intersection with North Highland Avenue, a total distance of 1,500 feet, more or less, to and including the property of Ella Blackburn on the northwest side of said Friend Street and the property of William D. Herald on the southeast side thereof, to be resurfaced without provision for surface drainage (Classification III).

HARKINS AVENUE, from its intersection with Duncan Street, southeastwardly and passing Harris Street to and including the property of Irvin Marslett on the northeast side of Stanley Avenue and the property of Royce W. Mayo on the southwest side thereof, will be resurfaced with provision for surface drainage where necessary (Classification IV).

STANLEY AVENUE, from its intersection with Duncan Street southeastwardly and passing Harris Street to and including the property of R. E. Pitts on the northeast side of Harkins Avenue and the property of Kentucky Department of Highways on the southwest side thereof, will be resurfaced with provision for surface drainage where necessary (Classification IV).

GOBLE STREET, from its intersection with Arnold Avenue to its intersection with Front Street, to be resurfaced without provision for surface drainage (Classification III).

FRONT STREET, from its intersection with Goble Street, following its entire southeastwardly course to and including the property of W. R. Callahan on the east side of Front Street and the property of Bill and Carrie Hubbard on the west side thereof, by resurfacing, without provision for surface drainage (Classification III).

COURT STREET, from its intersection with Front Street to its intersection with Cemetery Street (now Highland Court), by resurfacing without provision for surface drainage (Classification III).

FORD STREET, from its intersection with Front Street to its intersection with South Arnold Avenue, by resurfacing, without provision for surface drainage (Classification III).

GRAHAM STREET, from its intersection with Front Street to its intersection with North Highland Avenue northwardly and then passing the curve where it turns northwestwardly to its intersection with Trimble Road, will be constructed as a new street without provision for surface drainage (Classification II).

HARKINS STREET, from its intersection with North Highland Avenue northwardly and then passing the curve where it turns northwestwardly to its intersection with Trimble Road, will be constructed as a new street without provision for surface drainage (Classification II).

CEMETERY STREET (now HIGHLAND COURT), from its intersection with Front Street to its intersection with North Highland Avenue northwardly and then passing the curve where it turns northwestwardly to its intersection with Trimble Road, will be constructed as a new street without provision for surface drainage (Classification II).

RIVERSIDE DRIVE, from its intersection with North Highland Avenue northwardly and then passing the curve where it turns northwestwardly to its intersection with Trimble Road, will be constructed as a new street without provision for surface drainage (Classification II).

its intersection with South Highland Avenue, by resurfacing, without provision for surface drainage (Classification III).

WESTMINSTER STREET, from its intersection with South Central Avenue northwardly a distance of 800 feet, more or less, to and including the property of Henry Messer on the northwest side of Westminster Street and the property of George and Betty Stephens on the southeast side thereof, to be resurfaced without provision for surface drainage (Classification III).

SOUTH CENTRAL AVENUE, from its intersection with Court Street, southeastwardly along its entire length to and including the property of Ollie Davis on the northeast side thereof and the property of N. M. White, Jr. on the southwest side thereof, to be resurfaced without provision for surface drainage (Classification III).

MAPLE STREET, from its intersection with Graham Street southeastwardly passing Richmond Street to and including the property of Don and Phyllis Moore on the northeast side of Maple Street and the property of Geneva James on the southwest side thereof, by resurfacing, without provision for surface drainage (Classification III).

RICHMOND STREET, from its intersection with Arnold Avenue northwardly to its intersection with South Lake Drive and continuing around the turn where in a southeastwardly direction it becomes RIVERSIDE DRIVE to and including the property of Fraternal Order of Eagles on the north side of Riverside Drive and the property of Floyd C. and Nancy Tackett on the south side thereof, by resurfacing without provision for surface drainage (Classification III).

EARL STREET, from its entire length, by resurfacing with provision for surface drainage where necessary (Classification IV).

SOUTH HIGHLAND AVENUE, from its intersection with Court Street to its intersection with Earl Street, to be resurfaced without provision for surface drainage (Classification III); and

(b) Continuing (into Zone 5) to its intersection with Burchett Street, to be constructed as a new street without provision for surface drainage (Classification II).

DINGUS STREET, from its intersection with North Central Avenue to its intersection with North Highland Avenue, by resurfacing with provision for surface drainage where necessary (Classification IV); and

(b) From its intersection with North Highland Avenue northwardly to and including the property of G. L. Goodman on the northwest and the property of Maggie Hall on the southeast, to be constructed as a new street with provision for surface drainage (Classification I).

HAGER STREET, from its intersection with North Highland Avenue, northwardly and around its curve in a northwestwardly direction to its intersection with Dings Street, by constructing a new street with provision for surface drainage where necessary (Classification I).

NORTH HIGHLAND AVENUE, from its intersection with Dings Street to its intersection with Court Street, by resurfacing with provision for surface drainage where necessary (Classification IV).

FRIEND STREET, from its intersection with North Arnold Avenue following its entire northeastwardly course, passing its intersection with North Highland Avenue, a total distance of 1,500 feet, more or less, to and including the property of Ella Blackburn on the northwest side of said Friend Street and the property of William D. Herald on the southeast side thereof, to be resurfaced without provision for surface drainage (Classification III).

HARKINS AVENUE, from its intersection with Duncan Street, southeastwardly and passing Harris Street to and including the property of Irvin Marslett on the northeast side of Stanley Avenue and the property of Royce W. Mayo on the southwest side thereof, will be resurfaced with provision for surface drainage where necessary (Classification IV).

STANLEY AVENUE, from its intersection with Duncan Street southeastwardly and passing Harris Street to and including the property of R. E. Pitts on the northeast side of Harkins Avenue and the property of Kentucky Department of Highways on the southwest side thereof, will be resurfaced with provision for surface drainage where necessary (Classification IV).

GOBLE STREET, from its intersection with Arnold Avenue to its intersection with Front Street, to be resurfaced without provision for surface drainage (Classification III).

FRONT STREET, from its intersection with Goble Street, following its entire southeastwardly course to and including the property of W. R. Callahan on the east side of Front Street and the property of Bill and Carrie Hubbard on the west side thereof, by resurfacing, without provision for surface drainage (Classification III).

COURT STREET, from its intersection with Front Street to its intersection with Cemetery Street (now Highland Court), by resurfacing without provision for surface drainage (Classification III).

FORD STREET, from its intersection with Front Street to its intersection with South Arnold Avenue, by resurfacing, without provision for surface drainage (Classification III).

GRAHAM STREET, from its intersection with Front Street to its intersection with North Highland Avenue northwardly and then passing the curve where it turns northwestwardly to its intersection with Trimble Road, will be constructed as a new street without provision for surface drainage (Classification II).

HARKINS STREET, from its intersection with North Highland Avenue northwardly and then passing the curve where it turns northwestwardly to its intersection with Trimble Road, will be constructed as a new street without provision for surface drainage (Classification II).

CEMETERY STREET (now HIGHLAND COURT), from its intersection with Front Street to its intersection with North Highland Avenue northwardly and then passing the curve where it turns northwestwardly to its intersection with Trimble Road, will be constructed as a new street without provision for surface drainage (Classification II).

RIVERSIDE DRIVE, from its intersection with North Highland Avenue northwardly and then passing the curve where it turns northwestwardly to its intersection with Trimble Road, will be constructed as a new street without provision for surface drainage (Classification II).

its intersection with South Highland Avenue, by resurfacing, without provision for surface drainage (Classification III).

WESTMINSTER STREET, from its intersection with South Central Avenue northwardly a distance of 800 feet, more or less, to and including the property of Henry Messer on the northwest side of Westminster Street and the property of George and Betty Stephens on the southeast side thereof, to be resurfaced without provision for surface drainage (Classification III).

SOUTH CENTRAL AVENUE, from its intersection with Court Street, southeastwardly along its entire length to and including the property of Ollie Davis on the northeast side thereof and the property of N. M. White, Jr. on the southwest side thereof, to be resurfaced without provision for surface drainage (Classification III).

MAPLE STREET, from its intersection with Graham Street southeastwardly passing Richmond Street to and including the property of Don and Phyllis Moore on the northeast side of Maple Street and the property of Geneva James on the southwest side thereof, by resurfacing, without provision for surface drainage (Classification III).

RICHMOND STREET, from its intersection with Arnold Avenue northwardly to its intersection with South Lake Drive and continuing around the turn where in a southeastwardly direction it becomes RIVERSIDE DRIVE to and including the property of Fraternal Order of Eagles on the north side of Riverside Drive and the property of Floyd C. and Nancy Tackett on the south side thereof, by resurfacing without provision for surface drainage (Classification III).

EARL STREET, from its entire length, by resurfacing with provision for surface drainage where necessary (Classification IV).

SOUTH HIGHLAND AVENUE, from its intersection with Court Street to its intersection with Earl Street, to be resurfaced without provision for surface drainage (Classification III); and

(b) Continuing (into Zone 5) to its intersection with Burchett Street, to be constructed as a new street without provision for surface drainage (Classification II).

DINGUS STREET, from its intersection with North Central Avenue to its intersection with North Highland Avenue, by resurfacing with provision for surface drainage where necessary (Classification IV); and

(b) From its intersection with North Highland Avenue northwardly to and including the property of G. L. Goodman on the northwest and the property of Maggie Hall on the southeast, to be constructed as a new street with provision for surface drainage (Classification I).

HAGER STREET, from its intersection with North Highland Avenue, northwardly and around its curve in a northwestwardly direction to its intersection with Dings Street, by constructing a new street with provision for surface drainage where necessary (Classification I).

NORTH HIGHLAND AVENUE, from its intersection with Dings Street to its intersection with Court Street, by resurfacing with provision for surface drainage where necessary (Classification IV).

FRIEND STREET, from its intersection with North Arnold Avenue following its entire northeastwardly course, passing its intersection with North Highland Avenue, a total distance of 1,500 feet, more or less, to and including the property of Ella Blackburn on the northwest side of said Friend Street and the property of William D. Herald on the southeast side thereof, to be resurfaced without provision for surface drainage (Classification III).

Engagement Announced

The engagement and approaching marriage of Carol Gibson, daughter of Mr. and Mrs. Ishmael Gibson, of Wayland, has been announced to Jack Lovely, son of Mr. and Mrs. Alto Lovely, of Huysville.

Miss Gibson attended Eastern Kentucky State College, Richmond. Her fiancé is a graduate of Eastern Kentucky State College. He is now employed in Dayton, Ohio.

A June wedding is planned.

MAYTOWN

ATTENDS CONVENTION

Postmaster Edward F. Robinson attended the state convention of the National Association of Postmasters at May Lodge, Sunday, Monday and Tuesday, Mrs. Robinson attended the banquet on Tuesday.

Bill Post left Saturday for a month's visit with relatives in Jane Lew, West Virginia.

Rodney Click and his bride-elect, Miss Barbara Lumpkin, of Wilmington, Ohio, were visiting his mother, Mrs. James Click, this week-end.

Mrs. Tommy Jones and daughter, Belinda, and Lynn Halbert were shopping in Huntington, Saturday.

Mr. and Mrs. Herschel Flannery and Mrs. Frank Stewart accompanied the senior class on its tour of Washington, D. C., New York City, and the New York World's Fair.

Mr. and Mrs. T. J. Compton and children were business visitors in Huntington, Saturday.

Mr. and Mrs. Sam Jones and Jim, of Grundy, Virginia, were visiting relatives and friends here Sunday.

Theresa Dermont, daughter of Mr. and Mrs. Bob Dermont, of Martin, and David Webb, son of Mr. and Mrs. Tom Webb, were married Friday evening. The young couple spent their honeymoon in Lexington and entertained their parents and Earl Edward Webb to dinner Sunday at Lexington.

(Last week's correspondence)

A birthday dinner was given Sunday, April 26, at the home of Mr. and Mrs. Howard Ramey, honoring James B. Click who celebrated his 82nd birthday, April 22, and Mrs. Lula Click, whose birth anniversary was on April 30. Mrs. Ramey was assisted by Mrs. U. S. Allen, Mrs. Thurnal Click and Miss Sharon Webb. Those attending were Mr. and Mrs. Wallace Burchett, of Manton, Mr. and Mrs. Jake Click, Mr. and Mrs. Arnold Click, son and daughter, also of Manton, Mrs. Louisa Ison, Mrs. Raymond Hicks, Monroe Ousley, Mrs. Whitel Click, Mrs. Cody Gibson and granddaughter, Maynard Gibson, of Wayland, Mrs. Lucretia Wick, Mrs. John W. Prater, Mr. and Mrs. Dorlan Cooley and Harold, Ellen Crisp, Myrtle Hicks, Mrs. Helen Prater and Dianne, Lula Allen, Mrs. Trilby May, Mrs. Selton Gibson, Mrs. Dewey Hicks, Mr. and Mrs. Sanford Reffett, Mr. and Mrs. Thurnal Click, Stanley Ramey, Sonja Martin, Sharon Webb, Mr. and Mrs. U. S. Allen.

Mr. and Mrs. Clifton Ward, of Chattanooga, Tennessee, and Buddy Thompson and son, of Owensboro, spent the week-end with their parents, Mr. and Mrs. Jake Thompson.

Mr. and Mrs. Gene Dillman and son, of Columbus, Ohio, visited Mr. and Mrs. G. W. Allen last week.

Mr. and Mrs. Jack Crowe, of Covington, spent the week-end with Mrs. Amanda Sutton.

Mr. and Mrs. Wiley Jones were business visitors in Lexington last week. While there they visited their son Wendell and family.

We were proud of our young people who participated in the regional music festival, at Pikeville last week, under the direction of Doug Smith.

Danny Gibson, who is a teacher at Williamport, Ohio, spent the week-end with his parents, Mr. and Mrs. Selton Gibson.

Mr. and Mrs. Tim Perkins, Sr., of Lexington, spent the week-end with Mr. and Mrs. Rowland Burchett and Mrs. Tim Perkins, Jr. and son.

Our Historic Heritage

A Pictorial Review of East Kentucky

(No. 281 in a Series)

West Liberty 40 Years Ago

This is a scene on South Main street, West Liberty, Kentucky, photographed about 1920, before the street was paved. The view is from the old Cox hotel building, now the West Liberty hospital, looking west toward the bridge over Licking River. The old Model T Ford is parked in front of the Homer Elam store opposite the Masonic building which was erected in 1907.

Morgan county was created in 1823 from parts of Floyd and other counties and Wells Mill, later called West Liberty, was selected as the county seat.

The First National Bank presents these pictures of our region in recognition of our historic heritage.

"EVERYTHING FOR THE BUILDER"

STATE WATER RECREATION OUTSTANDING IN NATION

Frankfort, Ky., May 4 (Spl.)—The Bluegrass State—long known for its thoroughbreds, tobacco, bourbon, and scenic and historical sites—is earning itself the title of "New Land of Lakes" with its ever-increasing waterlands.

A total of more than 100 public lakes already in use, under construction or planned, will offer more than 300,000 acres for swimming, fishing, boating, and other water recreation.

Add to these the municipal and private-owned aquatic facilities, and the Commonwealth's total would be more than trebled, and then some.

Kentucky has more miles of running water (more than 11,000 miles of waterways) than any other state with the possible exception of Alaska. And Kentucky has more navigable streams than any state except Alabama.

These water facilities are among the biggest lures in the state, and will become even more of an attraction since water sports are one of the nation's fastest-growing outdoor recreations.

The significance of "water power" in tourism is reflected in 1963 statistics on tourism. Visitor totals last year of 2,215,605 at Kentucky Dam Village and 881,836 at Kentucky Lake state parks, both on Kentucky Lake, gave a combined total of 3,097,441 persons.

This was more than a fourth of the record state park patronage in 1963 of 11,077,477 visitors.

They were part of the visitation from out-of-state that left \$220 million in Kentucky during 1963, an increase of \$15 million over 1962. Kentuckians and others spent an additional \$100 million in travel within the state borders.

Lake Cumberland, covering 50,250 acres in six Eastern Kentucky counties, and Kentucky Lake, totaling 43,100 acres in five Western Kentucky counties, are the two largest in the state. When Barkley Lake, with 45,800 acres in Western Kentucky is impounded this fall, the Commonwealth will have three of the 10 largest man-made lakes in the nation.

Barkley and Kentucky lakes form the boundaries of the 38-mile long peninsula being developed into the "Land Between the Lakes" National Recreation Area by the Tennessee Valley Authority. This \$35 million project—within a day's drive of 80 million Americans—is expected to become the playground of Mid-America.

SKIN ITCH DON'T SCRATCH IT!

Scratching spreads infection, causing MORE pain. Apply quick-drying ITCH-ME-NOT instead. Itching quiets down in minutes and antiseptic action helps speed healing. Fine for eczema, insect bites, foot itch, other surface rashes. If not pleased, your 48¢ back at any drug store. TODAY at ROSE DRUG.

It will lure 10 million visitors a year, a T.V.A. study estimates. But there are nine other major lakes already during many thousands of visitors annually. These include the 10,950-acre Barren Reservoir in Barren and Allen counties; the 5,795-acre Nolin Reservoir in Edmonson, Hart and Grayson counties; the 4,830-acre Rough River Reservoir in Grayson and Breckinridge counties; and Dale Hollow, with 4,300 of its total acreage in South Central Kentucky.

Smaller but still in the major lake class are Dewey in Floyd county; Lake Buckhorn in Leslie and Perry counties; Malone in Muhlenberg, Todd and Logan counties; Lake Beshear in Christian and Caldwell counties, and privately-owned Herrington in Boyle, Mercer and Garrard counties.

The U. S. Corps of Engineers now is building four major lakes, including Barkley, that will total 56,600 acres. The others are Green River, 8,360 acres in Maylor and Adair counties; Grayson, 1,500 acres in Carter and Elliott counties; and Fishtrap, 1,200 acres in Pike county.

Twenty other major lakes—either budgeted, authorized for construction, or in survey by the Engineer Corps, are listed below (with the counties in parentheses):

Budgeted—Cave Run (Morgan, Menifee, Rowan and Bath), 8,270 acres.

Authorized—Red River (Powell, Menifee and Wolfe); Laurel (Cumberland); Eagle Creek (Grant and Owen); Martin Fork (Harlan); Booneville (Owsley and Clay); Carr Fork (Knox); Falmouth (Pendleton); and Celina (Monroe).

In survey—Taylorsville (Shelby, Spencer and Anderson); Yatesville (Lawrence); Paintsville (Johnson); Kehoe (Carter); Kinnicknick (Lewis); Devil's Jump (McCreary); Cumberland Falls (Whitley and McCreary); Jellico (Whitley); Rockcastle No. 1 (Laurel, Rockcastle and Pulaski); Rockcastle No. 2 (Rockcastle and Jackson); and Ross View (Logan).

Fishing, swimming and boating are permitted at all Corps of Engineers lakes.

Thirty small reservoirs in the state-owned lake program range from three to 325 acres. These are stocked with game fish by the Kentucky Department of Fish and Wildlife Resources.

The small lakes, totaling 2,605 acres (with their county location in parentheses) are:

Guist Creek (Shelby); Williams-town, Corinth, Boltz (Grant); Greenbo (Greenup); Palomouth (Pendleton); Crank's Creek (Harlan); Beaver Creek (Anderson); Bullock Pen (Boone and Grant); Elmer Davis (Owen); Shanty Hollow (Warren); Old Kingfisher, New Kingfisher, and Carpenter (Davies); Beech Creek (Clay); McNeely (Jefferson); Shelby and Turner (Ballard); Smoke Hollow (Carter); Taylor County Sportsmen's Club (Taylor); Marion County Sportsmen's Club (Marion); Chenoa (Bell); Washburn (Ohio); Boyle County Sportsmen's Club (Boyle); Henry County Road and Gun Club (Henry); Pikeville (Pike); Elliott County Sportsmen's Club (Elliott); Game Farm (2, Franklin); Pulaski County (Pulaski); and Martin County (Martin).

Fifteen other new lakes—ranging from five to 800 acres—are now ready or will be ready for water enthusiasts by the end of 1964. This State Small Lakes Program utilizes highway fills as dams, a method unique in the nation in the extent of its use in Kentucky.

Impoundments in this program include Campbell, Wolfe, Nelson, Breathitt, Clay, Letcher, Madison and Martin county dams and lakes. Still others completed or planned list Feltner 4-H Camp Lake, near London; Hardinsburg F.F.A. Camp Lake, near Hardinsburg; and Kingdom Come Lake, near Cumberland.

The State Highway Department, which cooperates in this program with the Department of Conservation, is investigating five sites for future lakes in Laurel, Rockcastle, McCreary, Oldham and Rowan counties.

When completed, all units in this system are stocked with fish by the Department of Fish and Wildlife Resources.

The Fish and Wildlife agency owns most of the lakes, which are locally operated and maintained.

Nineteen lakes definitely scheduled in the program, including four larger ones, are creating 2,485 acres of water for fishermen and other water enthusiasts. These nearly double the present acreage of state-owned lakes.

In the state parks, only the lakes at Audubon, Carter Caves, General Butler, and two each at Natural Bridge and Pine Mountain are owned by the Department of Parks.

All of the public lakes in Kentucky have flood-control benefits. Additional flood-control features are built into many.

What's Going On FISH & WILDLIFE

by MINOR CLARK, Commissioner

Department of Fish and Wildlife Resources

Frankfort, Ky., May 4 (Spl.)—Slightly more than half a million bass will be distributed throughout the state during the month of May, the Department of Fish and Wildlife Resources reported today.

Initial stockings will begin on May 11 in the Fifth and Sixth Wildlife Regions and will continue until all applications have been served. More than 4,000 farm ponds will be stocked in addition to five large lakes.

The bass fry are hauled from the two state-owned hatcheries and from the federal hatchery in Frankfort in plastic, oxygenized bags to designated points where the applicant will pick up his quota of fish. Applicants have been notified by postal card as to the time and place of delivery. Bluegill, a part of the balanced stocking program, have been placed in most of the ponds.

LET 'EM ALONE!

In spite of the fact that it's illegal, each spring a number of people take home young squirrels, fawns, raccoons or other wildlife offspring they find in the woods or along highways, says the Department of Fish and Wildlife Resources. After the animals have been in their possession a while, they come to the conclusion that the "critter" is a nuisance and call the Conservation Officer to take it off their hands. That is, if the critter lives and more often than not, it doesn't, it is pointed out.

Most wildlife pets are nuisances and are dangerous. Deer just can't be trusted. Raccoon and squirrels may inflict nasty bites or infected scratches and frequently do.

It is smarter to take advice from the Game Division of the Department and leave young wildlife where it is found, untouched.

It is also suggested that dogs and cats be restricted during the spring season when doe deer are heavy with fawns and when ground nesting birds are vulnerable to domestic predators.

YOUNG DEMOCRATS!

There will be a meeting of the Floyd County Young Democrats at the Martin High School at 7:30 p.m., Friday, May 8.

Every Young Democrat is invited and welcome.

Kentucky's four delegates to the National 4-H Club Conference left Lexington Saturday by plane for Washington, D. C. for the April 18-24 annual 4-H event. They are: (front, left to right) Joe Dee Wilcoxson, Barren county; Billy Harper, McCracken county; Charlotte Sheeley, Jefferson county; and (standing, rear) Melanie Ann Conley, Floyd county. The Conference trip is one of the top honors awarded to 4-H members.

Bert Combs Is Chosen Outstanding Kentuckian

Frankfort, Ky., May 4 (Spl.)—Former Governor Bert T. Combs was chosen "Outstanding Kentuckian of the Year" by the Kentucky Young Historians' Association at the group's recent second annual convention.

Meeting at Owensboro, with more than 700 delegates attending, the student group selected Combs for the honor because of his interest in the history of the state and his promotion of the Young Historians' group.

Charles Atcher, field representative of the Kentucky Historical Society, said Combs "revitalized" the Young Historian movement by providing the parent Historical Society with additional funds to "greatly enlarge and improve" the youth group.

To mark his selection, the former governor has been presented with a copy of the historic portrait of Daniel Boone on display at the Historical Society.

For Athlete's Foot Use Keratolytic Action

Because it sloughs off the infected skin. You see healthy skin replace it. Get quick-drying T-4-L liquid, a keratolytic, at any drug store. If not pleased in 3 DAYS, your 49¢ back. Use antiseptic, soothing T-4-L FOOT POWDER too—fine for sweaty feet, foot odor; stays active in the skin for hours. TODAY at W. A. ROSE DRUG CO.

100 YEARS AGO THIS WEEK

The Civil War in Kentucky
By JOE JORDAN
(Kentucky Civil War Commission)

One hundred years ago this week, a call went out for Fayette county supporters of the Union Democratic Party to assemble at the courthouse at Lexington on May 2 to select delegates to the party's state convention at Louisville, which was to convene May 25. That meeting in turn was to select delegates to the Democratic national convention in Chicago, which was to nominate someone to run against President Lincoln at the November election.

Similar calls were issued about the same time in most other counties of Kentucky; the one at Lexington is mentioned because rival factions held separate conventions in Fayette county and that gave the pro-Union but anti-Lincoln newspaper, the Lexington Observer and Reporter, occasion to explain the difference between the two kinds of Democrats and to state its own preference. The issue which separated the two factions was approval of the Lincoln Administration.

"Fayette is overwhelmingly opposed to the Administration and its policy, and this will be made manifest upon all occasions when the popular voice is fully expressed," said an Observer and Reporter editorial. It was the anti-Lincoln group favored by the newspaper which had called the May 2 county convention. A meeting had already been held at Odd Fellows Hall by "those who sanction the policy of the Administration" and it had selected its own set of delegates to the same May 25 state convention at Louisville.

Lt. Gov. Richard T. Jacob and Frank Wolford, both former Union Army cavalry colonels, who were already campaigning

The Truth Is Not Always Told But Here Is the Truth

J. D. Payne, of Martin, Kentucky, is representing one of the greatest monument companies in the United States. This company represents the consolidation of three large monument firms, and by this merger a cut of 30% in prices to the customer resulted.

I'll save you money. All monuments shipped, freight prepaid, and installed in concrete footer, free of charge. I offer the people the finest monuments and markers for the graves of their loved ones—blue or pink granite or snow-white marble which will last until the Resurrection.

I refer all to the First Guaranty Bank, Martin, Kentucky, as to my reliability. Get that monument in place at your loved one's grave before Memorial Day, May 30.

See me at Payne's Studio,
J. D. Payne

James C. Cyphers, 65, Of Betsy Layne, Dies; West Virginia Native

James Clarence Cyphers, 65, of Betsy Layne, died Tuesday, last week, at home. Death was sudden and unexpected. He was a painter.

Mr. Cyphers was a son of William A. and Nora Barrett Cyphers and a native of West Virginia. He had resided at Betsy Layne for 40 years. He was a member of the Methodist Church.

Surviving are his wife, Madge Layne Cyphers, and one daughter, Mrs. Denver Matney, Pikeville. Surviving brothers are Howard Cyphers, Richlands, Virginia, and Orville Cyphers, Kingsport, Tennessee.

Funeral rites were conducted Thursday of last week at 10 a.m. from the Methodist Church, at Betsy Layne, the Rev. James C. Stratton officiating. Burial was made in the Layne cemetery under the direction of J. W. Call & Son Funeral Home.

Lexington, Ky. — McCracken county 4-H Club members soon will be "movie stars"—at least, they have starring roles in a 12-minute color movie being made by the Firestone Tire and Rubber Company.

Lexington, Ky. — Handle your soybean crop carefully, says S. H. Phillips, U. K. Ag Extension Service agronomist. Proper planting will bring dividends from this good market crop, one of the few for which there is no surplus problem.

Jet-smooth Luxury Chevrolet makes crooked roads feel like going straight

Chevrolet's Full Coil suspension makes the crookedest S-curve seem on the level. With a double-acting shock absorber in each corner, it takes the jumps out of bumps. With 4-link leveling control, you get away with Jet-smooth acceleration.

With built-in anti-dive control, you come to Jet-smooth stops. And with low-friction Ball-Race steering, you waltz over twisting roads as gracefully as a ballerina.

FOR THE GREAT HIGHWAY PERFORMERS

All seven Chevrolet engines are precision balanced for smooth operation. And because your Chevrolet has over 700 insulators and sound deadeners, you don't have to shout to have yourself heard.

It's Trade 'N' Travel Time at your Chevrolet dealer's—the perfect time to try the Jet-smooth ride. Find the meanest stretch of road you can. Then see for yourself how straight a crooked road can feel.

FIRST STREET and THIRD STREET—New sidewalks to be constructed on the southwest side of each, commencing at the intersection with South Lake Drive to the intersection with River Street.

SECOND STREET—New sidewalks to be constructed on both sides, commencing at the intersection with South Lake Drive to the intersection with River Street.

FOURTH STREET—New sidewalk to be constructed on the west side, commencing at the intersection with South Lake Drive to the intersection with River Street.

RIVER STREET — New sidewalk to be constructed on the south side, commencing at the eastern property line of Donald DeRossett, northeasterly to within 50 feet, more or less, of the intersection with Fourth Street.

SECTION 7. Reference is made to the City's announcement, as set forth in paragraph (8) of SECTION 5 of this Ordinance, that said City has no funds available for application to the aggregate costs of the aforesaid Street and Sidewalk Project of 1964 other than the aforesaid Federal Grant in the sum of \$496,000 and the proceeds of the City's \$285,000 "Improvement Assessment Bonds—Street and Sidewalk Project of 1964" as herein proposed to be issued under authority of KRS Chapter 107 and in accordance with the HHFA Loan Agreement — making a total of \$781,000, which must include not only the aggregate of the contractors' bids for construction, but also the fees of the Consulting Engineers and Bond Counsel, the cost of publishing Ordinances and Public Notices and advertisements, the cost of printing the Bonds, financing costs and every other incidental expense. In arriving at said total cost of \$781,000 it has been estimated that the amount to be paid to contractors for actual construction will be \$617,000; and if upon receipt of competitive construction bids thereafter, after due advertisement according to law, such contractors' bids shall exceed said amount, the City will have no alternative except to reduce the scope of the Project. In anticipation of such possibility the Consulting Engineers, in the plans, specifications and contract documents which will be submitted to contractors, will list thirty-two (32) numbered "Alternates," as identified below, and in reducing the scope of the Project to come within the funds available, said "Alternates" shall be eliminated in numerical order until the construction costs have been brought within the amount above shown; provided, however, that in accordance with conservative practice it is necessary to make a reasonable allowance for unforeseen contingencies, and if during the progress of the construction work it shall be determined that such allowance for unforeseen contingencies is more than will be required for such purpose, the previously eliminated "Alternates" may be restored in their inverse order of numbering. Said "Alternates" are as follows:

16. GOBLE STREET Sidewalk Removal 8 sq. yds.

17. GOBLE STREET Sidewalk Construction 1.33 cu. yds.

18. FORD STREET Sidewalk Removal 8 sq. yds.

19. FORD STREET Sidewalk Construction 1.33 cu. yds.

20. FRONT STREET Sidewalk Removal 87 sq. yds.

21. FRONT STREET Sidewalk Construction 14.44 cu. yds.

22. FRONT STREET Curb Removal 269 lin. ft.

23. FRONT STREET Curb Construction 4.81 cu. yds.

24. MAPLE STREET Curb Removal 20 lin. ft.

25. MAPLE STREET Curb Construction 0.6 cu. yds.

26. MAPLE STREET Sidewalk Removal 12 sq. yds.

27. MAPLE STREET Sidewalk Construction 2.1 cu. yds.

28. DAVIS STREET Curb Removal 900 lin. ft.

29. DAVIS STREET Curb Construction 17.10 cu. yds.

30. DAVIS STREET Sidewalk Removal 67 sq. yds.

31. DAVIS STREET Sidewalk Construction 25 cu. yds.

32. HILLSIDE STREET Sidewalk Construction 39.00 cu. yds.

SECTION 8. For the purpose of identification this is the "First Ordinance" referred to in KRS 107.030, and it shall be published as provided by law.

SECTION 9. As required by KRS 107.030, the City Council hereby determines that a public hearing with regard to the proposals herein advanced shall be held on the 15th day of May, 1964, at the hour of 7:30 p.m., at the following place: Council Chambers, Municipal Building, Front Street, Prestonsburg, Kentucky. A notice shall be published as required by law and the owners of properties proposed to be benefited by the Project shall be advised therein that they may appear, in person or by authorized representative, and be heard as to (1) whether the proposed Project should be undertaken or abandoned, (2) whether the nature and scope of the Project should be altered, (3) whether the Project shall be financed through the issuance of Bonds through the "assessed value basis" authorized by KRS Chapter 107, or (4) whether the Project shall be financed through assessments made and apportioned on a front foot basis, as may otherwise be authorized by law. Owners of properties proposed to be benefited shall also be notified by mail.

In said public notice, however, property owners shall also be advised that the HHFA Loan Agreement is for the purchase of Bonds according to the "assessed value basis" and not otherwise; and that any abandonment of the Project, or proposal to finance the City's portion thereof according to any other method authorized by law, will jeopardize the Federal Grant of \$496,000, or cause the same to be altogether lost.

The procedure to be followed at the public hearing, and thereafter, shall be in accordance with KRS 107.030, 107.040, and 107.050, to which Statutes reference is hereby made for details.

The Mayor or, in his absence, any member of the City Council or any elected City official may preside at and conduct the public hearing. A written summary or account of the events and happenings at the public hearing shall be made by the person designated to act as Secretary on

such occasion; and such written report shall be submitted to the City Council at the next ensuing regularly scheduled meeting of the City Council, upon which occasion property owners may again appear and be heard if they so desire.

SECTION 10. This Ordinance shall be in full force and effect from and after its adoption, approval, attestation, enrollment and publication as provided by law.

Adopted by the City Council of the City of Prestonsburg, Kentucky, at an adjourned regular meeting held on the 30th day of April, 1964, upon the same occasion signed in open session by the Mayor as evidence of his approval, attested under seal by the City Clerk, ordered to be enrolled, and a copy directed to be delivered for newspaper publication in accordance with KRS Chapter 421.

APPROVED: GEORGE P. ARCHER Mayor City of Prestonsburg, Kentucky

SHERIFF'S SALE FLOYD CIRCUIT COURT No. 4555

Shirley Burke, et al., Plaintiffs, Vs. Jack Hamilton, et al., Defendants. CONSOLIDATED CASES

By virtue of a Judgment and Order of Sale rendered by the Floyd Circuit Court on April 16, 1964, in the above styled cause and an action consolidated therewith, I shall proceed to offer for sale at the Courthouse door, in Prestonsburg, Kentucky, to the highest and best bidder at public auction, on the 9 day of May, 1964, at 1:00 o'clock, P.M., or thereafter (E.S.T.) upon a credit of three (3) months, the properties hereinafter described, and the purchaser or purchasers, except when relieved by the terms of the judgment respecting purchases by judgment creditors must execute bond, with approved surety or sureties, bearing 6% interest from the date of sale until paid and having the force and effect of a Judgment. Bidders will be prepared to comply promptly with these terms. The properties may be sold separately or as a whole in such manner as to realize the greatest amount of money bid therefor, the purchasers to take free of all liens. Said Judgment is referred to and made a part hereof for a more complete description of the amounts adjudged and sought to be recovered.

The properties to be sold are described as follows: One Model 28 Compton Coal Auger with accessories consisting of a Cummings motor, a Cummings dependable power unit, an Onan TOW electric plant, a thirty-inch auger head, conveyor bearing Serial Number 9-158-116-F and ten sections of approximately thirty-inch auger, and One (1) thirty-six (36) inch Auger head for use on a Model 28 Compton Coal Auger, and One (1) Cummins Diesel Engine, Model C 175, Motor or Unit No. 3536635, presently attached to the auger above described.

HENRY C. HALE Sheriff Floyd Co., Kentucky (Cost of adv. \$27.00) 4-23-64

Notice of Sale

By order of the Floyd Circuit Court I am directed to sell to the highest and best bidder, at public outcry, at the courthouse in Prestonsburg, Kentucky, on Monday, May 18, 1964, at 12 noon, the following described weapons confiscated by the court: One .32-caliber automatic pistol of Belgian manufacture, formerly the property of Claude Edmonds.

One 12-gauge single-barrel shot gun, the former property of John Ed Osborne.

This, the 20th day of April, 1964.

such occasion; and such written report shall be submitted to the City Council at the next ensuing regularly scheduled meeting of the City Council, upon which occasion property owners may again appear and be heard if they so desire.

SECTION 10. This Ordinance shall be in full force and effect from and after its adoption, approval, attestation, enrollment and publication as provided by law.

Adopted by the City Council of the City of Prestonsburg, Kentucky, at an adjourned regular meeting held on the 30th day of April, 1964, upon the same occasion signed in open session by the Mayor as evidence of his approval, attested under seal by the City Clerk, ordered to be enrolled, and a copy directed to be delivered for newspaper publication in accordance with KRS Chapter 421.

APPROVED: GEORGE P. ARCHER Mayor City of Prestonsburg, Kentucky

ATTEST: JUDITH D. ARCHER City Clerk

SHERIFF'S SALE FLOYD CIRCUIT COURT No. 4555

Shirley Burke, et al., Plaintiffs, Vs. Jack Hamilton, et al., Defendants. CONSOLIDATED CASES

By virtue of a Judgment and Order of Sale rendered by the Floyd Circuit Court on April 16, 1964, in the above styled cause and an action consolidated therewith, I shall proceed to offer for sale at the Courthouse door, in Prestonsburg, Kentucky, to the highest and best bidder at public auction, on the 9 day of May, 1964, at 1:00 o'clock, P.M., or thereafter (E.S.T.) upon a credit of three (3) months, the properties hereinafter described, and the purchaser or purchasers, except when relieved by the terms of the judgment respecting purchases by judgment creditors must execute bond, with approved surety or sureties, bearing 6% interest from the date of sale until paid and having the force and effect of a Judgment. Bidders will be prepared to comply promptly with these terms. The properties may be sold separately or as a whole in such manner as to realize the greatest amount of money bid therefor, the purchasers to take free of all liens. Said Judgment is referred to and made a part hereof for a more complete description of the amounts adjudged and sought to be recovered.

The properties to be sold are described as follows: One Model 28 Compton Coal Auger with accessories consisting of a Cummings motor, a Cummings dependable power unit, an Onan TOW electric plant, a thirty-inch auger head, conveyor bearing Serial Number 9-158-116-F and ten sections of approximately thirty-inch auger, and One (1) thirty-six (36) inch Auger head for use on a Model 28 Compton Coal Auger, and One (1) Cummins Diesel Engine, Model C 175, Motor or Unit No. 3536635, presently attached to the auger above described.

Breathitt Says State
Headed for Top Place
In Tourist Promotion

Frankfort, Ky., May 4 (Spl.)—
"Kentucky may not be first in
everything but, by George, we
are going to be first in our de-
velopment of parks and in tourist
promotion," Governor Edward T.
Breathitt told state parks super-
intendents gathered in Frankfort
for briefing on the many travel
attractions Kentucky offers.

The Governor declared that
Kentucky now has "the finest
park system in the nation; we
intend to improve and develop
it during the next four years."

Paul Grubbs, executive direc-
tor of the Kentucky Travel Coun-
cil, an arm of the Kentucky
Chamber of Commerce, offered
the cooperation of his group in
parks and cited a survey which
shows that \$86.3 million, or 29
percent of state tax revenue last
year came from the travel busi-
ness.

Grubbs also said 66,000 Ken-
tuckians were gainfully employed
last year in travel service.

COMPANY'S COMIN' as the President of the United States, Lyndon B. Johnson, and the First Lady approach the hillside home of Tom Fletcher near Inez. Fletcher, his wife, and eight children received their callers on the front porch during Johnson's tour to Martin and Johnson counties. The Fletcher home is one of 1,603 Eastern Kentucky dwellings improved by non-repayable grants of \$1,000 or less since November, 1963. The program is administered by the Farmers Home Administration of the U. S. Department of Agriculture. Many of the recipients qualified for the grants and loan programs were referred to the Federal agency by the Kentucky Department of Economic Security's field staff.

Tom Fletcher's home, near Inez, headlined across the nation after it was visited by President Lyndon B. Johnson recently, is one of 1,603 Eastern Kentucky homes repaired or improved this year under an accelerated grant program of the U. S. Department of Agriculture's Farmers Home Administration.

For Fletcher, a sometimes-em-
ployed sawmill worker, and his
wife and eight children, the \$1-
000, non-repayable grant approved
in March, means new siding, tim-
ber supports, flooring, new win-
dows and doors, and roofing for
their home.

President Johnson, who spent
about 20 minutes with the Fletch-
ers and their neighbors, the Noah
Bowen family, took a seat on
some two-by-four's left on the
front porch after the improve-
ments were made. Overhead, new
electric wiring indicated to the
President that the Fletchers only
recently began enjoying the con-
venience of electricity. Decem-
ber 16, 1963, Fletcher recalled,
was the family's first day with
electric lights.

The Fletchers have spent \$578.31
of the \$1,000 home-improvement
grant. The balance lies in a joint
bank account held by Fletcher
and Gene Grider, Farmers Home
Administration supervisor who
covers six counties from his of-
fice in Paintsville, 24 miles away.
Grider explained that if other im-
provements are made on the
Fletcher home, the remaining
funds will be used to cover cost
of supplies and labor.

Since the late President John
F. Kennedy last November called
on federal, state and local agen-
cies in the Appalachian area to

speed efforts to reduce personal
hardships, especially during the
winter season, 1,603 home-owners
in 44 Eastern Kentucky counties
have received \$1,336,040 in non-
payable grants of \$1,000 or less.

Although the Administration's
home-improvement program
dates from 1947, its Kentucky
office, headed by Sam Harrison
in Lexington, did receive a sup-
plemental appropriation of \$2

Student Council Plans
Pikeville Hootenanny;
Bingham Trio To Attend

The Student Council of
Pikeville College will present a
Hootenanny Thursday, May
14, in Faith Chapel at 8 p.m.

The evening's entertainment
will be highlighted by the
Bingham Trio, a professional
group who began their careers
while students at Berea Col-
lege.

The trio does American,
English, African and Asian
numbers. With trio numbers it
does everything from "John
Hardy" to "Michael, Row Your
Boat Ashore." With duets it
handles songs such as "All
Night Long" and "Weaverly
Weave." Solo numbers range
from "Just a Little Rain" to
the free-singing "Talking
Blues."

NOTICE

John G. Archer, M.D., is
now presenting for the first
time, in Prestonsburg, Ken-
tucky, the services of a Con-
sulting and Practicing Specia-
list in diseases of women and
in Obstetrics.

Dr. Byron C. Beard, chief of
the Ob-Gyn Service at the Ap-
palachian Regional hospital at
McDowell, Ky., has consented
to visit my office in Prestons-
burg on one morning each
week to offer his expert ad-
vice and therapy to those
women who may desire such
Specialist service.

Dr. Beard is a former associ-
ate professor of Ob-Gyn at the
University of Augusta Medical
School in Augusta, Georgia
and was chief of the Ob-Gyn
Service at the University Hos-
pital where some 5,000 babies
were delivered each year. This
Medical School is one of the
three best schools in the en-
tire Southern portion of the
nation.

Dr. Beard is also chief of the
medical staff at the A. R. H. I.
at McDowell, and is vice-pres-
ident of the staff. He is also a
member of the board of di-
rectors of the Daniel Boone
Clinic. There are many other
specialists in that group who
may be persuaded that we
need their services in our
town at some future date.

The following are the hours
for the Special Clinic which
Dr. Beard will hold at my of-
fice in Prestonsburg each
week:

Wednesday mornings from 9
to 12 noon. The nature of his
work necessitates the need for
each patient to have a special
time to see Dr. Beard, and we
must request that you call for
an appointment during those
hours (9 a.m. to 12 noon) so
that each patient will have the
necessary time for consultation
and, if needed, an examination.

The telephone number is
886-6511, and we suggest that
you call as early as possible,
since Dr. Beard has told me
that he will be happy to see
all those persons possible dur-
ing those hours. We will do
our utmost to see that you are
in to see the doctor as near to
the hour you have chosen as
possible.

JOHN G. ARCHER, M. D.
4-30-64.

Mrs. Adron Doran, president
of the Kentucky Federation of
Women's Clubs, was the guest
of honor and speaker at an
inter-club meeting held in
Wheelwright, Monday even-
ing, April 27.

Approximately 60 women,
representing five Women's
clubs of the Seventh district,
attended the dinner. The
guests were from the David,
Drift, Pikeville and Wayland-
Lackey-Garrett clubs and in-
cluded Mrs. Oscar Sowards,
state chairman, Public Affairs
committee, and Miss Lena
Porter, governor of the Sev-
enth district.

Mrs. R. I. McKinney, presi-
dent of the hostess club, wel-
comed the women, and Mrs.
Donald Guth spoke the in-
vocation. Following the dinner,
Shirley Peraino, Wheelwright
high school student, and sec-
ond-place winner of the Sev-
enth district music contest, en-
tertained with a piano solo.
Mrs. Arthur Bradbury then
introduced Mrs. Doran, who
again inspired the women with
her colorful words, "Know-
Grow-Go-Glow." Her talk
gave new meaning to these
words as she applied them to
the life of each clubwoman.

At the conclusion of the
program, the Wheelwright
women remained for a busi-
ness meeting to elect officers
for the 1964-65 club year. Re-
sults of the election are as fol-
lows: President, Mrs. R. I.
McKinney; vice-president,
Mrs. G. W. Lockin; recording
secretary, Mrs. Ralph Banks;
treasurer, Mrs. Leon Porter;
corresponding secretary, Mrs.
Stephen Clark.

BUYING MEATS. Meats with
the lowest price tag per pound
may not be your best buy, says
USDA home economists. Some
meats have more bone, gristle
and fat than others and, thus,
yield fewer servings per pound.

THERE MUST BE A BETTER
WAY . . .

to help employees burdened
down with big medical expenses

There is—with a complete plan of medical cover-
age, one of the many attractive features of The
Travelers Insurance "4 or More" Plans.

Travelers Major Medical, for example, pays up to
\$10,000 for each person insured and for each
separate cause. It covers many medical expenses
not normally covered under typical group plans.

Travelers "4 or More" plans can be written on a
business with as few as four employees, yet pro-
vide insurance benefits similar to those available
to employees of huge corporations.

The cost of your "4 or More" plan can be designed
to your needs. The value to your company can be
immense.

For information call . . .

Now—Kelvinator has the answer for growing families

The new Trimwall gives them
twice the storage space in
the same floor space as their
present refrigerator—and the
Trimwall keeps their food truly
safe at the lowest "No-Frost"
operating cost. As your family
grows, your food needs grow. But
your kitchen doesn't. That's why
Kelvinator designed the Trimwall
to give you 17 cubic feet of storage
in the same floor space your old
8-cubic-foot refrigerator occupied
before. And that's just the start of
the advances in this remarkable
refrigerator. You never have to de-
frost the refrigerator or the freezer.

You get all this convenience for
operating costs that are far below
other similar-sized frostless refrig-
erators. And Kelvinator's exclusive
new Trimwall construction pro-
vides safer storage temperatures
and makes the cabinet stronger
and more dent-resistant. Come see
this remarkable new advance!

Subscribers to the Saturday Evening
Post and Ladies' Home Journal
may already have won in Kelvinator's
Trimwall Sweepstakes. 106,086 prizes!
Nothing to buy! Just bring in your cou-
pon from the March 28 Sat. Eve. Post or
April Ladies' Home Journal. First prize:
\$25,000 plus a Rambler
Ambassador and 10
Kelvinator Appliances.

TRIMWALL

First basic advance in refrigerator
cabinets in 50 years!

Trimwall bonds inside wall, miracle
foam insulation and outside wall into
a single, solid unit!

You get twice the space inside, in the
same floor space, as Kelvinators built
10 years ago!

Fresh-food compartment is chip-proof,
shockproof, acid-resistant—without a
single crack or crevice to clean!

Operating costs for Kelvinator "No-
Frost," which already were the lowest,
are now 20% lower, based on compar-
able capacities!

Temperatures in both refrigerator and
freezer are always just right, regardless
of room temperatures!

KENTUCKY ALL OVER

KENTUCKY'S PARKS—State and National—and numerous lakes are geared to accommodate every conceivable taste in vacations. Whether you're going camping or want a resort, you'll find it in Kentucky's top-ranked State Parks. Thirteen of the 34 are resort

parks offering complete vacations for the entire family. You'll find interesting history in museums and shrines. Before you go out-of-state, travel Kentucky in all its wonderful vacation areas. There are exciting things to do and see in Kentucky.

KENTUCKY ASSETS

Accommodations, Southern Cooking

With fare from old ham and red-eye gravy to filet mignon, Kentucky eating establishments watch their reputation for mouth-watering good food because owners are keenly aware that the vacationer travels on his stomach.

Increasing attention to good food at Kentucky's vacation resorts results in growing national acclaim for Kentucky and Southern cooking at its best.

In response to tourists' preferences, many restaurants throughout the state concentrate on menus which reflect Kentucky's eating traditions and regional foods.

From the Mississippi River east to the Appalachian highlands, travelers can find good food in home-owned and privately-operated restaurants, State Parks and in nationally-known chain restaurants.

MRS. KENTUCKY, Betty Pack Cox, Richmond, is one of thousands of Kentucky citizens who help promote Kentucky's travel attractions. The shopping bag she displays here was borrowed from the supply used by the Kentucky Department of Public Information at travel shows this spring in other states.

From All Over Nation Tourists Explore Kentucky

Kentucky is host to millions of out-of-state tourists each year in its State and National parks and at such outstanding attractions as the Kentucky Derby.

The Travel Division of the Kentucky Department of Public Information is currently receiving from 3,000 to 5,000 letters a day from people in other states asking about Kentucky's attractions. Local tourist promotion groups also receive thousands of inquiries.

Kentucky is being promoted by colorful movies, advertisements in newspapers and magazines, travel show exhibits, systematic release of feature stories to all media and a score of other methods.

Promotion by the State and local organizations is a quick-return investment to attract tourist dollars to Kentucky's public and private attractions.

Kentucky's tourists come from every state in the nation and many foreign countries, with two-thirds of the total from Illinois, Tennessee, Indiana, Ohio, Michigan, Missouri, Texas, Virginia and Florida.

NEW ROADS MAKE TRAVEL EASIER, SAFER

The new Western Kentucky Parkway stretches from Elizabethtown to Princeton and the Mountain Parkway from Winchester to Salyersville. These and other new and improved highways have set national road-building records for Kentucky.

Parks Head Is Lexington Man

Robert D. Bell, of Lexington, is commissioner of Kentucky's State Department of Parks.

The 34 parks, rated best in the nation, are a prime factor in Kentucky's growing tourist industry. Bell's task is to make the parks even better.

SUPPLEMENT TO

The Floyd County Times

VACATION IN KENTUCKY SUPPLEMENT

VACATION IN KENTUCKY 1964

Diamonds In Your Own Backyard

If you are planning a vacation, don't overlook the diamonds in your own backyard.

Kentucky has outstanding vacation attractions and communities that are more good tourist fares.

Well-developed tourist attractions are the backbone of a major Kentucky industry. Out-of-state visitors spent \$220 million in this state in 1963.

This state now has among its 34 State parks and shrines 13 vacation resort parks recognized as the finest resort park system in the nation. Among other major attractions are three National parks — Cumberland Gap at Middlesboro; Lincoln Historical Birthplace Site near Hodgenville; and Mammoth Cave; Breaks Interstate Park, near Pikeville; Cumberland National Forest, and seven State forests; 11 giant lakes and recreation areas including 170,000-acre Land Between the Lakes National Recreation area being developed between Kentucky Lake and Barkley Lake.

Besides these public facilities there are scores of attractive, interesting, privately-owned attractions and vacation accommodations in Kentucky.

JENNY WILEY STATE PARK

Consider Kentucky First

In recognition of the importance of the tourist industry to all Kentuckians, this eight-page "Vacation in Kentucky" supplement is presented as a special feature by the Floyd Co. Times as a public service in cooperation with the Kentucky Department of Public Information.

Kentucky has over 300 tourist attractions and this special section is designed to acquaint Kentuckians with the possibilities in selecting a place for a vacation.

If you plan a vacation this year and have not seen the scores of interesting attractions Kentucky offers, explore Kentucky first!

GOLF is one reason why thousands of persons are attracted to Jenny Wiley State Park each year. Many people plan their entire vacation around golf. Swimming, fishing, hiking, boating, camping, photography and something for almost everyone in outdoor recreation are available here.

Big Lakes, Beauty, Barbecue

WESTERN KENTUCKY

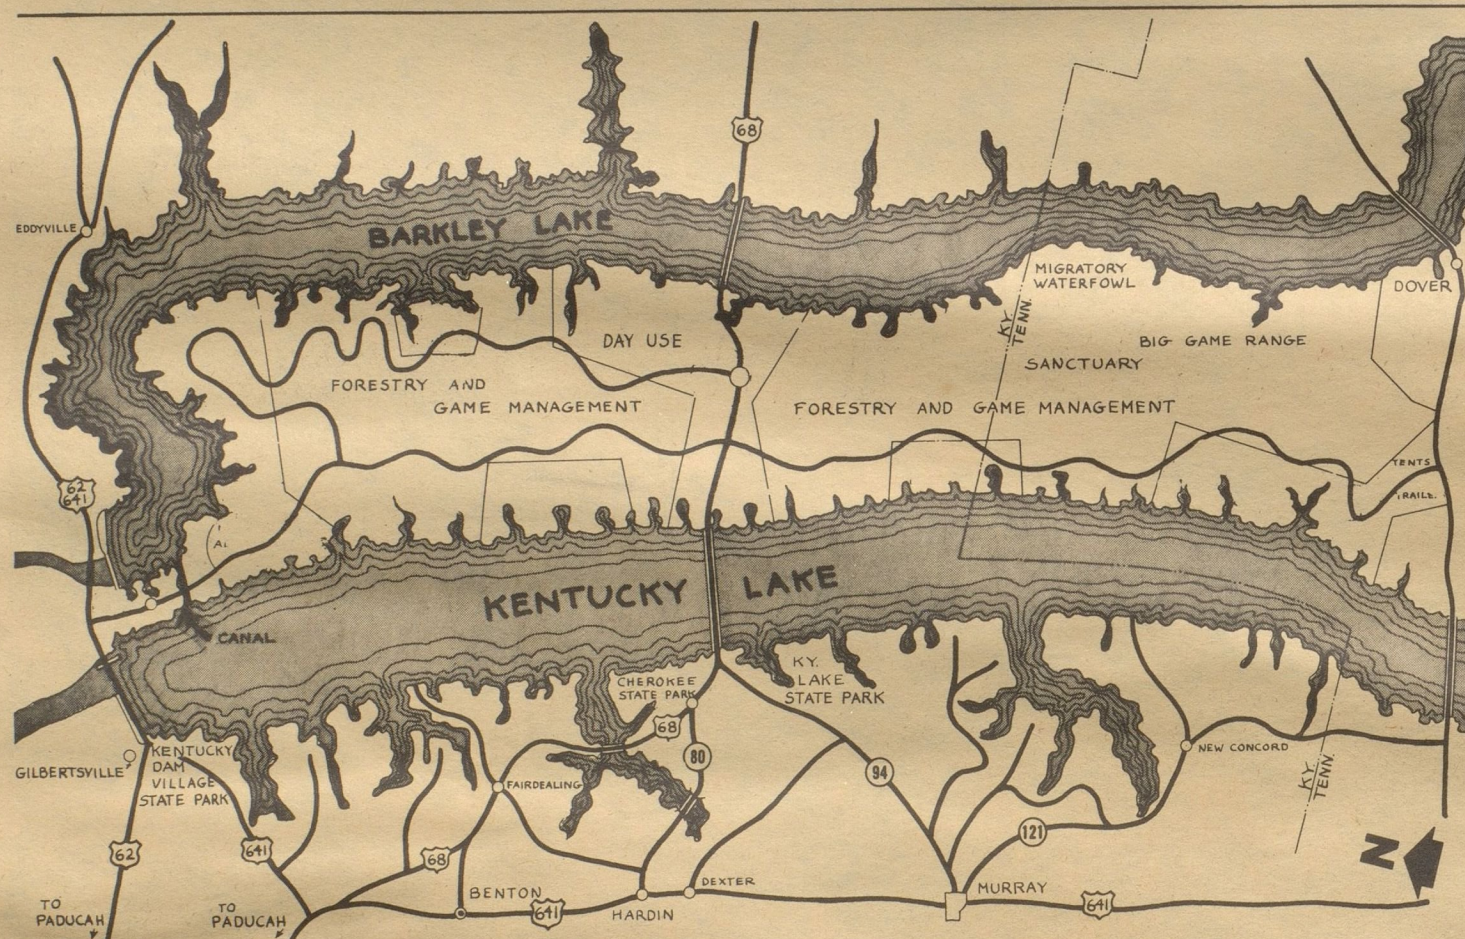

THREE COMPLETE vacation resort parks (Kentucky Dam Village, Kentucky Lake and Pennyriple State Parks), a giant new national recreation area, numerous other attractions and scores of private boat docks, restaurants, motels and barbecue pits make Western Kentucky a mecca for mid-America's vacation-bound. Fish-rich Kentucky Lake with 2,350 miles of shoreline yields ground-dragging

strings of fish. Crappie and bass, in particular, are abundant. Besides boating, camping, fishing, picnicking, swimming in pool or by the beach, there's golf, tennis, water skiing, horseback riding, shuffleboard at the big State park in this area. Travelers reach this vacationland by plane, boat, bus or auto. There are two airports and good, new roads into the region.

\$35 Million Project Under Development

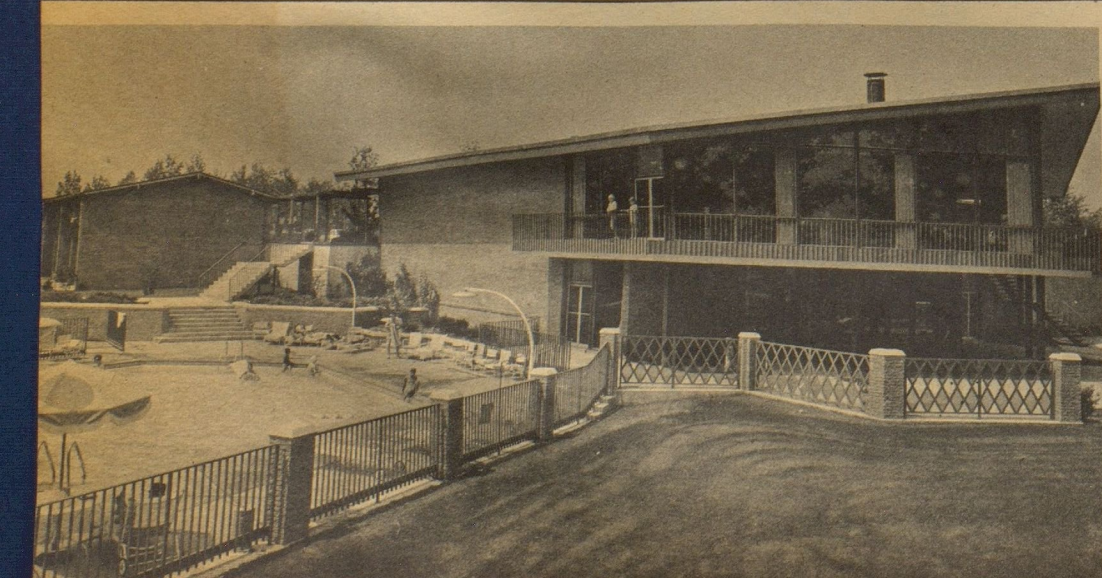

COMPLETION of Barkley and Kentucky Lakes in 1965 will give Kentucky one of the ten largest lakes in the world. The 170,000-acre peninsula of Barkley and Kentucky Lakes is being developed as a National Recreation Area by the Tennessee Valley Authority. T.V.A. officials plan to develop as many different types of outdoor recreation on the peninsula as possible, including 6,000 individual camp sites. The \$35-million project is expected to draw millions of visitors per year by 1966, when most of the facilities will be completed. Barkley and Kentucky Lakes combined will have over 3,200 miles of shoreline.

LAND BETWEEN THE LAKES NATIONAL RECREATION AREA

VARIETY IN WESTERN KENTUCKY

NINE OF KENTUCKY'S 34 State parks and shrines are in Western Kentucky, offering a variety package to vacationers. In 1963, Kentucky Dam Village attracted the largest single-park visitation, 2,215,605 persons; famous Kentucky Lake State Park drew 881,605 persons; and Pennyriple Forest State Park at Dawson Springs — the favorite of many Kentuckians — drew 365,949 visitors. "Stars in My Crown," a drama about Western Kentucky, is presented in the Kentucky Lake Park amphitheatre.

KENTUCKY DAM VILLAGE State Park is a complete holiday resort that pleases the entire family. The 56-room Village Inn and cottage accommodations are modern and first class, the food excellent. The park has a big sandy beach, unexcelled boating, horseback riding, and

OVER 1400 ACRES of beautiful woodland and grounds at Kentucky Lake State Park provide carefree days for the year-round fisherman. In the park visitors enjoy golf, tennis, swimming in pool and lake, sunbathing, boating, horseback riding, picnicking, hiking, shuffleboard and planned recreation. Kenlake Hotel has 60 attractive guest rooms. Completely equipped vacation cottages are located in wooded areas. There are excellent privately owned motel accommodations nearby.

Drama Under The Stars

OUTDOOR DRAMA is a summer treat for vacationers in Kentucky. There are outdoor plays at four State Parks, and again this summer Pioneer Playhouse, Danville, offers 10 new plays on a Wednesday-to-Monday schedule from June 25 to September 7. Shakespeare in Central Park is offered free by the City of Louisville Thursday, Friday and Saturday evenings from July 12 to August 22.

"The Stephen Foster Story," at Bardstown (June 20 - September 6) plays every night except Monday. The rollicking, toe-tapping show sparkles with 50 Foster songs.

"Home is the Hunter," at Harrodsburg, is a rip-roaring thriller about pioneer life. With colorful dances, it plays every night from June 27 to September 6.

"Stars in My Crown," at Kentucky Lake State Park, Hardin, is a rousing, colorful pageant of life in Western Kentucky. Each night except Mondays, June 19-August 30.

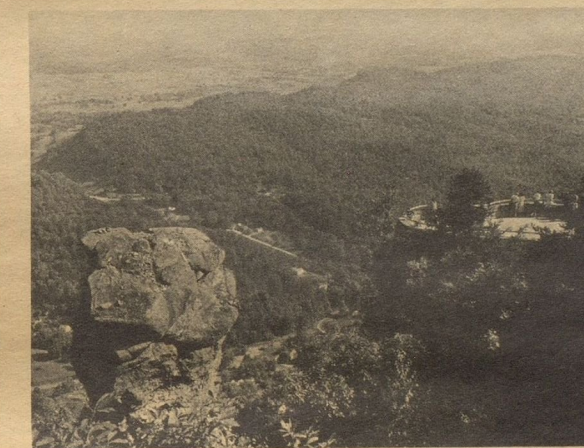

"The Book of Job," at Pine Mountain State Park, Pineville, plays nightly except Sunday; June 25-August 29. Based on Book of Job from the Bible, it is exceptional.

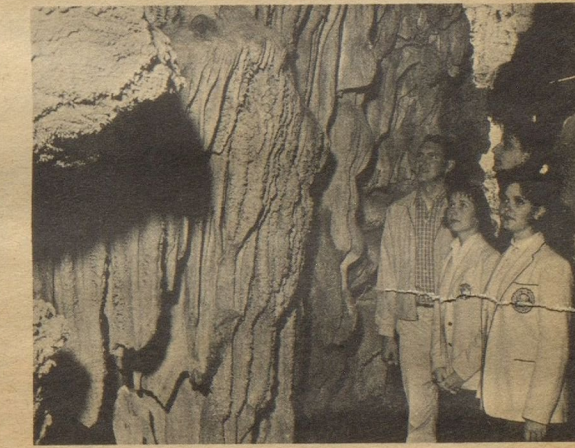

Three National Parks In Kentucky

ABRAHAM LINCOLN National Historical Birthplace Site, near Hodgenville, contains the birthplace cabin of America's beloved Emancipator. Favorites here include the museum and the ancient boundary oak, a landmark at the time of Lincoln's death.

THE PINNACLE OVERLOOK in Cumberland Gap National Historical Park, near Middlesboro, surveys mountain grandeur. Discovery of this pass through the Allegheny Mountains, resulted in the start of the conquest of the American West.

VISITORS TO MAMMOTH CAVE National Park gaze in awe at this underground world. The Frozen Niagara, a favorite sight, is 75 feet high and took over a hundred million years to form. Above ground, deer herds and hiking trails are tourist favorites.

Over 300 Kentucky Attractions

Kentucky has over 300 vacation attractions ranging from the Moonbow at Cumberland Falls to the depths of Mammoth Cave and from colorful festivals to historic homes of illustrious Kentuckians.

There are State, National and locally-owned parks; lakes, rivers and ports; State and National forests; mountain scenes; race tracks; wildlife refuges, amusement parks; boat rides; horses and horse museums; a buried city; superhighways; natural arches; covered bridges, and golf courses galore.

There are historical homes and villages; palisades and natural bridges above ground

ment buildings with a wealth of historical and interesting information; loom shops and guided tours through factories where famous Kentucky products are made.

There are also water sports; abundant birds; beautiful Kentucky dogwood, and flowers like rhododendron and Mountain Laurel; works of art in fine museums, square dancing; horse graveyards and horse statues; nature tours; mule days; hiking trails and scores of good picnicking sites.

In addition, there are plush hotels, motels and pleasing vacation cottages; country lanes and big city stores; big mountains

battlefields; Indian mounds; and schools and universities of distinction.

Besides that, there are waterfalls, big and small; outdoor dramas and plays.

Count, too, barbecues and country fairs or, bigger still, the State Fair; big bone digs in Northern Kentucky and tugboats on the Ohio and Mississippi; oil and gas fields; renowned architecture; palisades of Kentucky river; high bridges; fox hunts; pecan groves and cotton fields.

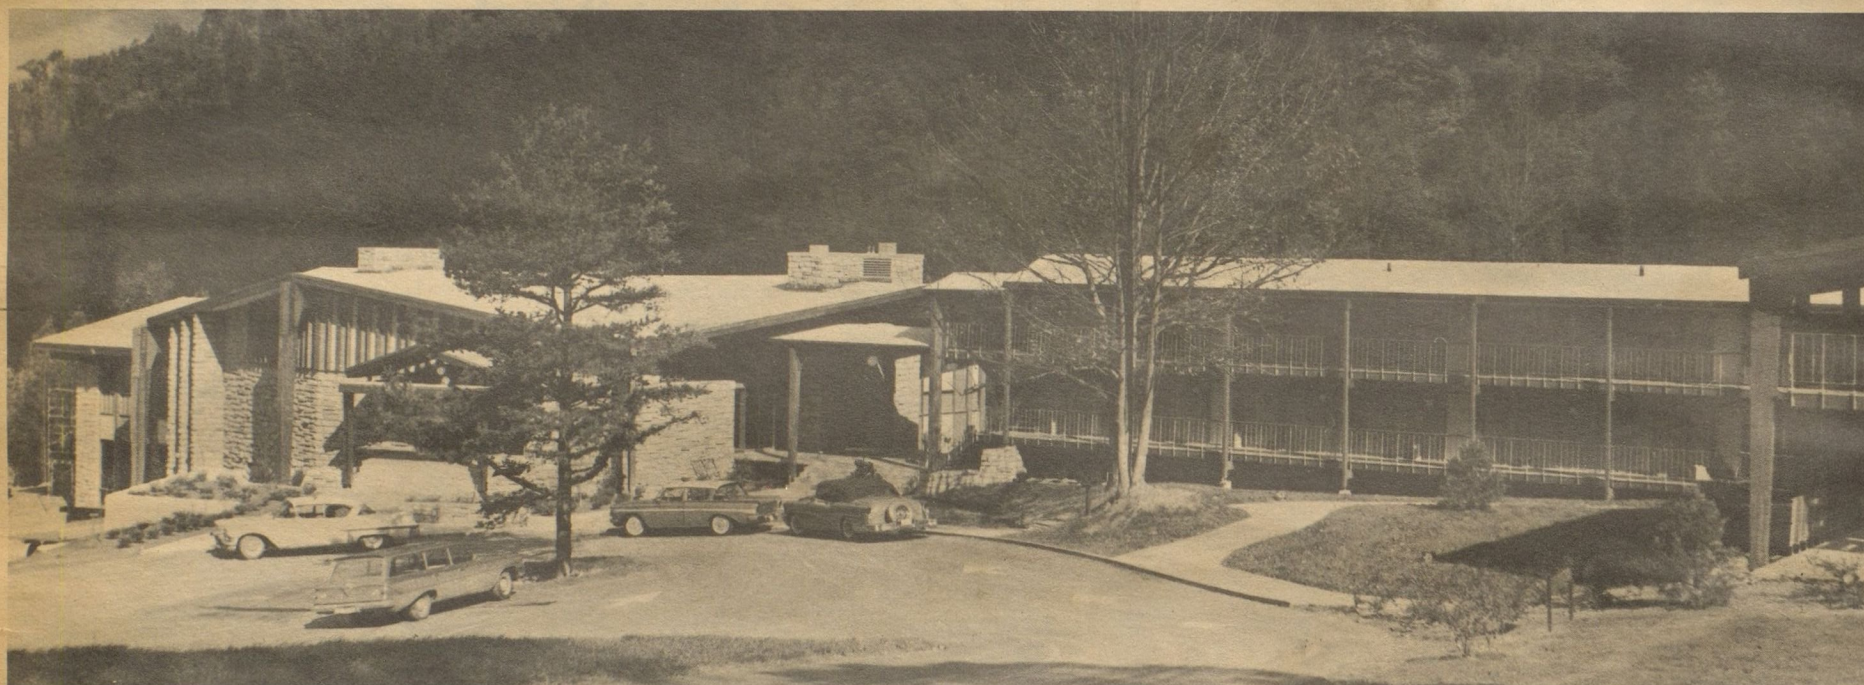

These are a few of Kentucky's attractions. If you're not near one---or even many of

Scenery, Serenity, Silvery Lakes

THE MAGIC MOUNTAINS

IN THE SCENIC MOUNTAINS of Eastern Kentucky, silent, misty mornings turn into active days of fishing, hiking or swimming. Scenery viewing, nature trails, wildlife study, photography and square dancing are vacation favorites here. Lakes, rivers and streams offer good fishing. Among major vacation areas in Kentucky's mountains are State Parks — Jenny Wiley, Prestonsburg;

Natural Bridge, near Slade; Carter Caves, between Olive Hill and Grayson; Cumberland Falls, near Corbin; Levi Jackson, near London; Lake Cumberland State Park, near Jamestown; Buckhorn Lake, near Hazard, and others. Cumberland Gap National Park is near Middlesboro, and Breaks Interstate Park, on the Kentucky-Virginia border, is near Pikeville.

A PERFECT MOUNTAIN VACATION can be found at Jenny Wiley State Park, overlooking the blue water of Dewey Lake in the heavily forested Eastern Kentucky hills near Prestonsburg. Jenny Wiley offers an air-conditioned, 36-room resort lodge, 12 guest cottages, swimming pool, lake swimming, boating, water skiing, bathhouse, boat dock, tent and trailer grounds and a sporty nine-hole golf course.

THE HERNDON EVANS lodge at Pine Mountain State Park, Pineville, is delightfully rustic in exterior appearance, but its 20 units are completely modern. Swimming pool, cottages, a dining room, hiking trails and boating can be enjoyed.

BREAKS INTERSTATE PARK, near Pikeville, on the Kentucky-Virginia border, is operated jointly by the two states. The park overlooks a spectacular gorge. Rhododendron Lodge has an inviting dining room and there are picnicking areas, hiking trails, tent camping sites and a mountain life museum, plus breath-taking panoramic views of Kentucky's highest mountain country.

NATURAL BRIDGE State Park, near Slade, on Kentucky's new, scenic Mountain Parkway yields spectacular views and fascinating geological formations. A new 20-unit lodge will open in 1964. A recreation program, cottages and camping sites are available.

Vacation Game

How Much of Kentucky Have You Seen?

Using a state map, cross out the counties you and your family have visited. You'll be amazed at how

Hams, Hoecakes, Flourishing Farms

THE CAVE COUNTRY

MAMMOTH CAVE, tourist attraction since 1837, is the hub of Kentucky's famous Cave Country where underground streams have carved out limestone caverns and decorated them with beautiful rock formations. Among numerous other prime attractions in this South Central Kentucky area are My Old Kentucky Home State Park, recently-completed Rough River Dam State Park

with its excellent lodge, Rough River Reservoir and Nolin Reservoir. Several privately-operated caves have good attractions and accommodations. In this region you'll find especially good Country Ham and other foods with the exacting home touch. Here, too, you'll see good farms and big fields of burley tobacco and rich historical background.

One Of World's Spectacular Wonders

A BOAT RIDE on underground Echo River awaits you as one thrill at ever-popular Mammoth Cave National Park. On cave tours you see beautiful formations, huge cavern rooms and spectacular pits and domes. Excellent accommodations are available at Mammoth Cave and in nearby cities. Mammoth Cave is a year-round attraction, with cave temperature steady at 54 degrees at all times.

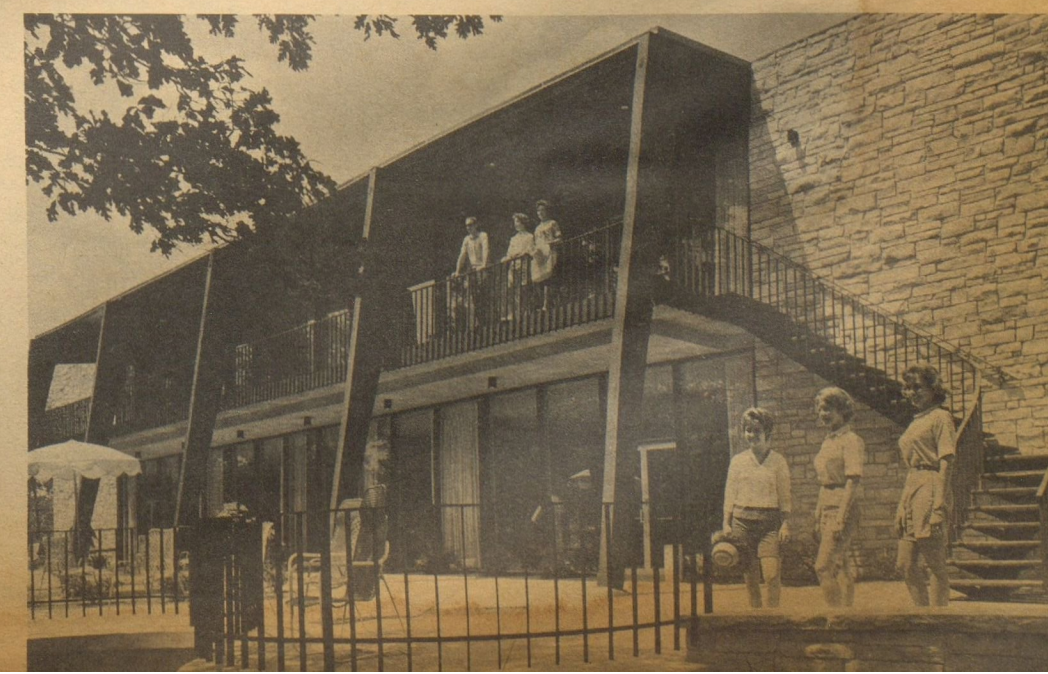

World-Known Park Is At Bardstown

MY OLD KENTUCKY HOME is familiar to people everywhere in the world. It's a State Park and one of the top tourist attractions in America. The Bardstown area offers good accommodations year-round and has several good attractions including the outdoor drama "The Stephen Foster Story". At the park there are picnicking tables; camping facilities and golf at the nine-hole course adjacent to the park provide varied recreation for the family.

Complete Vacation Now Possible At Rough River

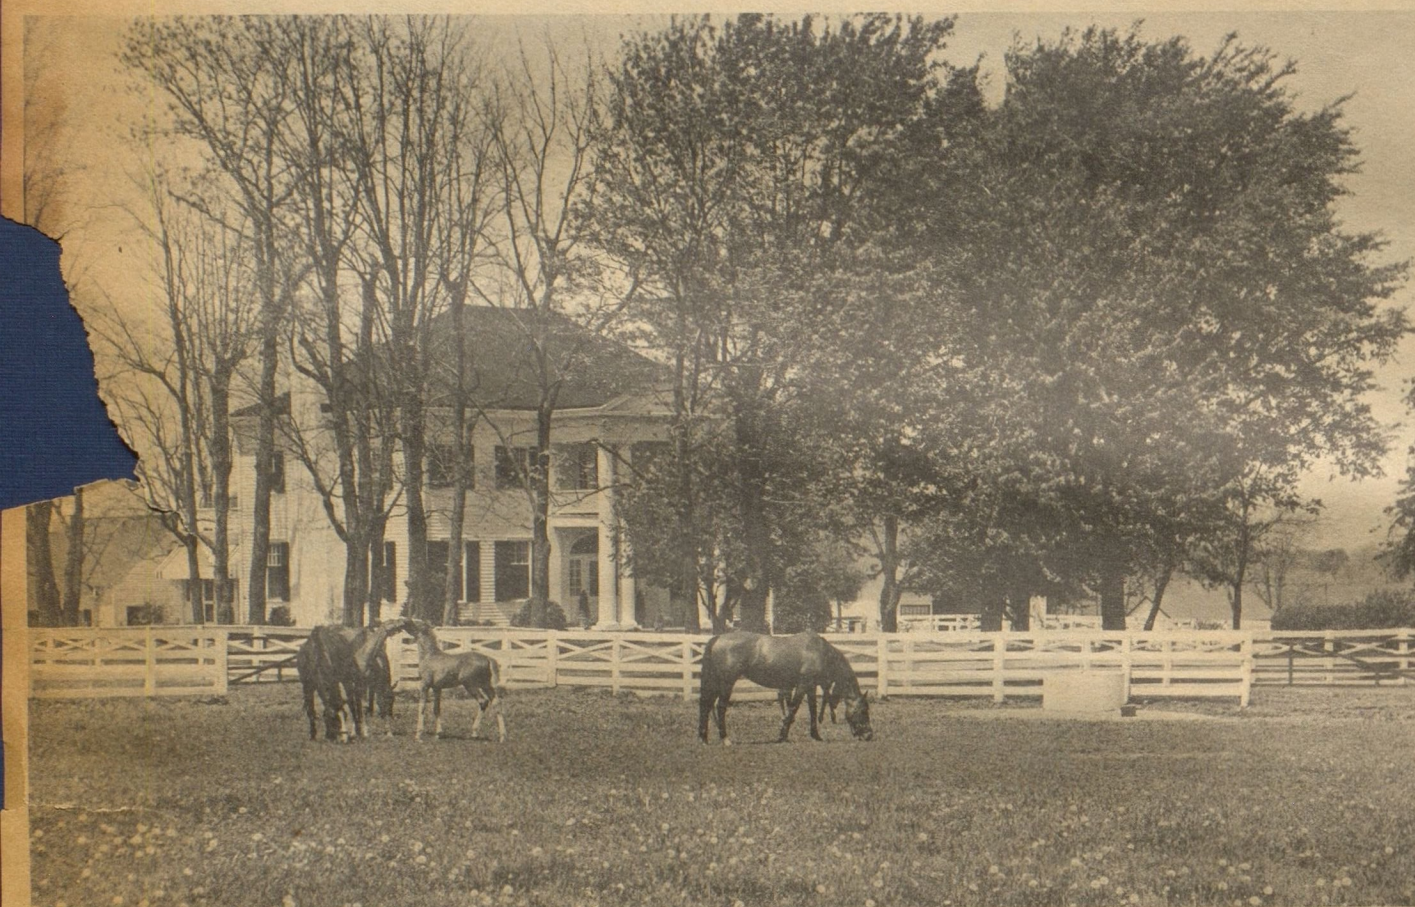

ATTRACTIVE, modern architecture characterizes Kentucky's 12 new State Park lodges. At this lodge at Rough River Dam State Park, between Hardinsburg and Leitchfield, each of 24 air-conditioned units has a private patio overlooking 5,000-acre Rough River Reservoir. Other features of the park include 13 new housekeeping cottages, paved airstrip, boat docks, launching ramps, swimming beach and picnicking and camping areas.

THE BLUEGRASS COUNTRY

THE KENTUCKY BLUEGRASS REGION, world-famous headquarters for champion horses! Here you are welcome to explore acres of blue-hued pastures, follow the miles of spanking white fences and view fastidiously-kept horse barns. Besides 250 horse farms, historic homes and sites abound. You'll want to visit Keeneland race track and the Saddlehorse Museum. Constitution Square,

where Kentucky declared its statehood, is at Danville; Fort Harrod, the white man's first permanent settlement west of the Alleghenies, is at Harrodsburg. Among many other major attractions are Lincoln Homestead State Park, near Springfield, and beautiful, meandering Herrington Lake for fishing and water sports of all kinds.

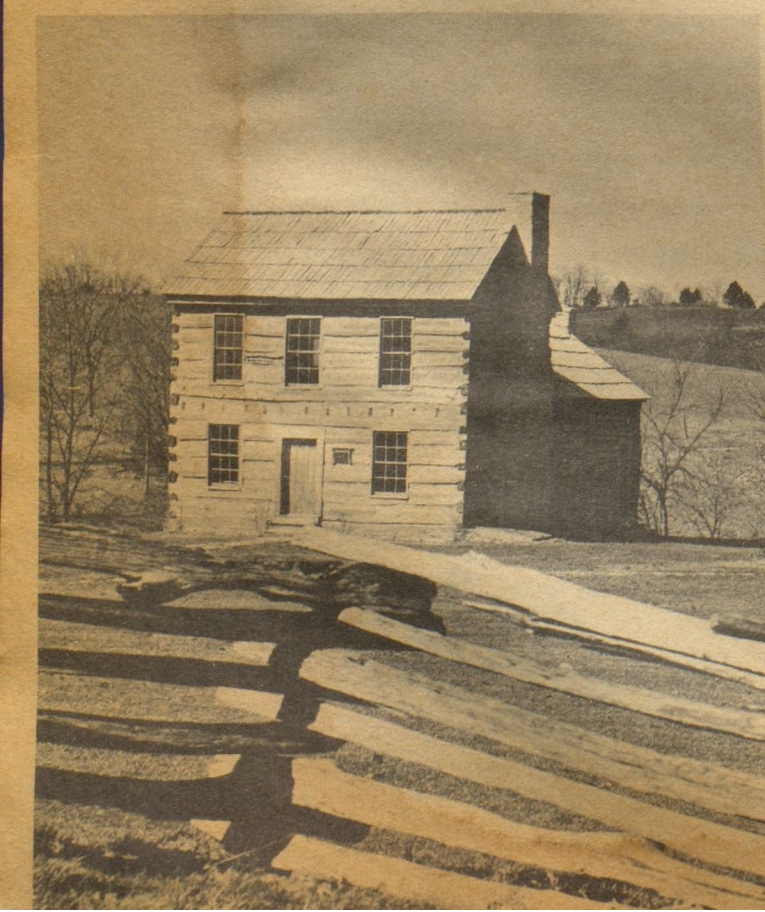

Horse Farms Are Interesting Attractions

KENTUCKY'S most famous horse farms are concentrated in the Bluegrass region within a 35-mile radius of Lexington. Maps showing exact location of farms and other points of horse interest are available through automobile clubs, the Lexington Chamber of Commerce and some service stations. Many farms are open to visitors until 4 p.m. most days.

Lincoln Homestead Has Much History, Recreation For You

NEAR SPRINGFIELD in Lincoln Homestead State Park is a replica of the cabin where Abraham Lincoln's grandfather lived and the log house where Thomas Lincoln, Abe's father, came to court Nancy Hanks. The buildings are open to the public. Golf, picnicking, and playground recreation are available at this interesting park.

Restoration Started At Shakertown

SHAKERTOWN, at Pleasant Hill, city of a famous extinct religious sect, is being restored near Harrodsburg at a cost of more than \$2 million. It will be both a tourist complex and an educational center. Shakertown was founded in 1805 when a small band of Mercer Countians

sins and communal sharing of goods. Membership grew eventually to 500 and Pleasant Hill was regarded as the most beautiful and successful of several such colonies in the United States. It gradually declined after the Civil War and in 1910 the last dozen members deeded

THE NORTHERN LURES

THE COUNTIES along Kentucky's northern border offer a rich variety of attractions and accommodations for the vacationer. Louisville, home of the Kentucky Derby, provides cultural delights for all Kentuckians. The mighty Ohio River is noted throughout the world for its beauty and commerce. Worth a trip to see,

it's home to big barges, sail boats, water skiing, fishing and pleasure cruises. Northern Kentucky attractions range from the big bones of mastodons near Covington to the historical heritage of Daniel Boone and Simon Kenton and to the site of one of the bloodiest battles of the Revolutionary War in the Maysville area.

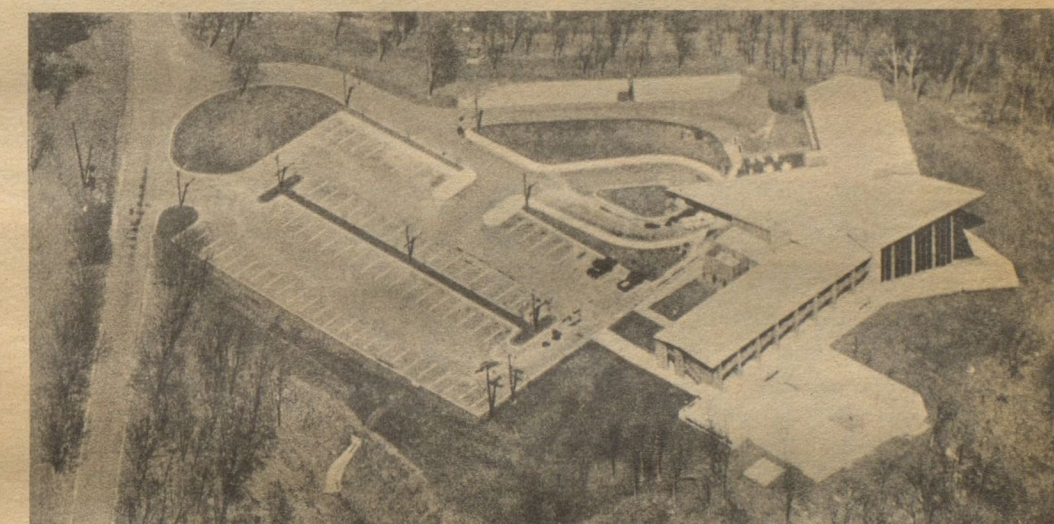

Paddlewheeler Makes Frequent Excursions

THE BELLE OF LOUISVILLE is one of the last of the exciting paddle wheel steamboats. Owned by Kentucky's Jefferson County, this romantic relic is in splendid condition and makes excursions up and down the Ohio River from Louisville. She and the bigger Delta Queen from Cincinnati highlight Louisville's Derby Festival by racing up the Ohio to Six Mile Island and back before engaging in a contest between their ear-splitting calliopes.

Vacation With Entire Family At Butler

THE COMPLETE VACATION for all the family is possible at General Butler State Park, Carrollton, where the modern 25-room lodge and dining room is headquarters for swimming (pool and beach), boating, fishing, horseback riding, tent and trailer camping, nature hikes or golf. Cottages, completely furnished, are the favorite of many. A museum of Ohio River lore is located in the Butler Mansion.

The Big Dig Is A Choice Tourist Lure

DID YOU EVER watch scientists dig for mastodon bones? At Big Bone Lick State Park, near Covington, geological explorations have unearthed the million-year-old bones of the extinct mastodon and reptiles. This park has a picnic shelter and playground. Nearby, at Falmouth, is Falmouth Lake State Park for swimming, boating, fishing, picnicking and tent and trailer camping.

Fish-rich Lake Has Boat Dock And Beach

GREENBO LAKE State Park, near Ashland, is a Northeastern Kentucky vacationland for swimming, boating, fishing, horseback riding, tent-and-trailer camping, and picnicking. This 3,300-acre park with a 225-acre lake attracts thousands of out-of-state visitors.
